# Comprehensive Plan 2040

- Increase development of housing units close to transit and mixed-use developments.
- Build a network of well-connected, vibrant mixed-use centers and corridors.
- Ensure neighborhoods offer a mix of housing types and services for a diverse population.
- Encourage quality infill development that is consistent with the surrounding neighborhood and offers opportunities for increased development.
- Promote infill development where infrastructure and services are already in place.
- Encourage mixed-use communities where residents can live, work, and play in their own neighborhoods.
