Lessee understands and agrees that due to the extended length of the Term of this Lease, the City may determine that it has become necessary for the City to replace the roof or perform other significant construction related maintenance of the Premises, including the Demised Premises. In the event that the City determines to replace the roof or conduct other significant maintenance impacting the Demised Premises, the City shall provide at least one hundred twenty (120) days notice to the Lessee. 3.03 RIGHTS NOT EXCLUSIVE

City reserves the right to grant to other lessees the right to operate other photovoltaic, solar power plants in locations within the City other than the Demised Premises, and Lessee understands and agrees that its right to operate a electricity grid-connected photovoltaic, solar power plant within the City is not exclusive. Further, City reserves to itself, its successors and assigns, the right to grant easements and rights of way after the Commencement Date, over and under the Demised Premises for utilities, cell towers, and other uses, so long as such easements and rights of way do not create any interference with the Generating Facility's insolation and access to sunlight, as such access exists as of the Commencement Date of this Lease. Lessee acknowledges and agrees that the Demised Premises will be subject to and burdened by such easements and rights of way. If the area of the Demised Premises is reduced at City's direction from the Lease the rent thereafter shall be reduced in the same proportion as the area deleted bears to the area originally subject to the Lease

Such access shall be constructed by the Lessee and remain the responsibility of the Lessee, including its maintenance and repair. City may, at the City's expense, at any time close, relocate, reconstruct or modify such means of access, provided that a reasonably convenient and adequate means of ingress and egress is available for the same purposes.

Lessee shall give prior notice to the Facility Manager of the need to access the Premises and shall coordinate all activity at the Demised Premises with the Facility Manager. Lessee's access shall be subject to such reasonable rules as the City may adopt, including but not limited to the Facility Manager or his designee accompanying the Lessee's representative during such access.

After June 30, 2031, the City has the right to terminate without cause upon twenty (20) days prior written notice to the Lessee.

In the event the City terminates or defaults under the Power Purchase Agreement, the Lessee shall have the right to terminate this Lease upon twenty (20) days written notice to City. After June 30, 2031, the Lessee has the right to terminate without cause upon twenty (20) days prior written notice to the City

Termination for the reasons stated in this Section 4.04 is effective upon receipt of notice.

Upon the Expiration Date or earlier termination of this Lease or on the date specified in any demand for possession by City after any Event of Default by Lessee, Lessee covenants and agrees to surrender possession of the Demised Premises and, if all or any portion of the Generating Facility is removed as requested by City, Lessee shall, at Lessee's expense, restore to the conditions existing prior to the installation of such improvements or applicable portions thereof, and upon failure to do so, City may cause such removal and restoration to be done at Lessee's expense. Lessee shall remove its equipment, unless the City has elected to purchase the Generating Facility and rights of associated S-RECs in accordance with Section 6.05 of this Lease. If Lessee fails to remove the Generating Facility within one hundred twenty (120) days by the expiration or termination of this Lease, City may, at its option, keep and retain any such Generating Facility or dispose of the same and retain any proceeds therefrom, and City shall be entitled to recover from Lessee any costs of City in removing the same and in restoring the Demised Premises subject to ordinary wear and tear, in excess of the actual proceeds, if any, received by City from disposition thereof.

4.05 HOLDING OVER

If Lessee holds over after Expiration Date of the Term or any extension thereof, thereafter Lessee's occupancy shall be deemed a month-to-month tenancy at an annual rental equal to 150% of the annual compensation provided in Section 5 herein. Lessee shall be subject to all other terms and conditions of this Lease not specifically modified above. Nothing herein shall be construed to give Lessee the right to hold over, and City may exercise any remedy at law or in equity to recover possession of the Demised Premises, as well as any damages incurred by City.

Upon any such purchase of the Generating Facility by the City, Lessee shall convey all its title, ownership rights, and any other interests Lessee holds in the Generating Facility and the renewable energy certificates and other revenues related to the Generating Facility. If, by reason of any failure by Lessee to comply with the provisions of this section, after receipt of notice in writing from the City, any fire insurance rate on the Demised Premises or on the buildings in which the same is located, shall at any time be higher than it normally would be, then Lessee shall pay the City, on demand, that part of all fire insurance premiums paid by the City which have been charged because of such violation or failure of Lessee; provided, that nothing herein shall preclude Lessee from bringing, keeping or using on or about the Demised Premises such materials, supplies, equipment and machinery as are appropriate or customary in carrying on its business, or from carrying on the normal operations contemplated herein

The City shall not be liable for damages to persons or property for any such discontinuance, nor shall such discontinuance in any way be construed as cause for abatement of compensation or operate to release the Lessee from any of its obligations hereunder, except as otherwise provided in the Section 11 entitled "Damage, Destruction or Loss."

SECTION 9 INDEMNITY, INSURANCE AND BONDS

9.01 DEFENSE AND INDEMNIFICATION:

A. Lessee hereby agrees to defend, indemnify, reimburse and hold harmless City, its appointed and elected officials, agents and employees for, from and against all liabilities, claims, judgments, suits or demands for damages to persons or property arising out of, resulting from, or relating to the work performed under this Lease ("Claims"), unless such Claims have been specifically determined by the trier of fact to be the sole negligence or willful misconduct of the City. This indemnity shall be interpreted in the broadest possible manner to indemnify City for any acts or omissions of Lessee or its subcontractors either passive or active, irrespective of fault, including City's concurrent negligence whether active or passive, except for the sole negligence or willful misconduct of City.

B. Lessee's duty to defend and indemnify City shall arise at the time written notice of the Claim is first provided to City regardless of whether claimant has filed suit on the Claim. Lessee's duty to defend and indemnify City shall arise even if City is the only party sued by claimant and/or claimant alleges that City's negligence or willful misconduct was the sole cause of claimant's damages.

C. Lessee will defend any and all Claims which may be brought or threatened against City and will pay on behalf of City any expenses incurred by reason of such Claims including, but not limited to, court costs and attorney fees incurred in defending and investigating such Claims or seeking to enforce this indemnity obligation. Such payments on behalf of City shall be in addition to any other legal remedies available to City and shall not be considered City's exclusive remedy.

D. Insurance coverage requirements specified in this Lease shall in no way lessen or limit the liability of the Lessee under the terms of this indemnification obligation. The Lessee shall obtain, at its own expense, any additional insurance that it deems necessary for the City's protection.

E. This defense and indemnification obligation shall survive the expiration or termination of this Lease.

9.02 INSURANCE

A. Full Term of Agreement. Lessee further agrees to secure at its own expense, and to keep in force at all times during the Term hereof, the following insurance:

1. **General Conditions:** The Lessee shall secure, at or before the time of execution of this Lease, the following insurance covering all operations, goods or services provided pursuant to this Lease. The required insurance shall be underwritten by an insurer licensed to do business in Colorado and rated by A.M. Best Company as "A"VIII or better. Each policy shall contain a valid provision or endorsement stating "Should any of the above-described policies be canceled or non-renewed before the expiration date thereof, the issuing company shall send written notice to the Denver Risk Management, 201 West Colfax Avenue, Dept. 1105, Denver, Colorado 80202. The City reserves the right to require the Lessee to provide a bond, at no cost to the City, in the amount of the deductible or self-insured retention to guarantee payment of claims. The insurance coverages specified in this Lease are the minimum requirements, and these requirements do not lessen or limit the liability of the Lessee. The Lessee shall maintain, at its own expense, any additional kinds or amounts of insurance that it may deem necessary to cover its obligations and liabilities under this Lease.

2. **Proof of Insurance:** Lessee shall provide a copy of this Lease to its insurance agent or broker. Lessee may not commence occupancy under this Lease prior to placement of coverage. Lessee certifies that the certificate of insurance attached as **Exhibit D** preferably an ACORD certificate, complies with all insurance requirements of this Lease. The City requests that the City's contract number be referenced on the Certificate. The City's acceptance of a certificate of insurance or other proof of insurance that does not comply with all insurance requirements set forth in this Lease shall not act as a waiver of Lessee's breach of this Lease or of any of the City's rights or remedies under this Lease.. The City's Risk Management Office reserves the right to require the Lessee to provide a certificate of insurance, a policy, or other proof of insurance including, but not limited to, policies and endorsements.

3. **Additional Insureds:** For Commercial General Liability, and Auto Liability, Lessee's insurer shall name the City and County of Denver, its elected and appointed officials, employees and volunteers as an additional insured.

4. **Waiver of Subrogation:** For all coverages, Lessee's insurer shall waive subrogation rights against the City.

5. **Sub-consultants:** All sub-consultants and subcontractors (including independent contractors, suppliers or other entities providing goods or services required by this Lease) shall be subject to all of the insurance coverages herein and shall procure and maintain the same coverages required of the Lessee. Lessee shall include all such sub-consultants, subcontractors, independent contractors, suppliers or other entities as additional insured under its policies (with the exception of Workers' Compensation) or shall ensure that these entities maintain the required coverages. Lessee agrees to provide proof of insurance for all such subcontractors and sub-consultants upon request by the City.

6. **Workers' Compensation/Employer's Liability Insurance:** Lessee shall maintain the coverage as required by statute for each work location and shall maintain Employer's Liability insurance with limits of \$100,000 per occurrence for each bodily injury claim, \$100,000 per occurrence for each bodily injury caused by disease claim, and \$500,000 aggregate for all bodily injuries caused by disease claims. Lessee expressly represents to the City, as a material representation upon which the City is relying in entering into this Lease, that none of the Lessee's officers or employees who may be eligible under any statute or law to reject Workers' Compensation Insurance shall effect such rejection during any part of the term of this Lease, and that any such rejections previously effected, have been revoked as of the date Lessee executes this Lease:

7. **General Liability:** Lessee shall maintain limits of \$1,000,000 for each occurrence claim, \$1,000,000 for each personal and advertising injury claim, \$2,000,000 products and completed operations aggregate, and \$2,000,000 policy aggregate. Aggregate limits must be "per project" or "per location;"

(b) For claims-made coverage, the retroactive date must be on or before the contract date or the first date when any goods or services were provided to the City, whichever is earlier.

(c) Lessee shall advise the City in the event any general aggregate or other aggregate limits are reduced below the required per occurrence limits. At their own expense, and where such general aggregate or other aggregate limits have been reduced below the required per occurrence limit, the Lessee shall procure such per occurrence limits and furnish a new certificate of insurance showing such coverage is in force

B. **Construction Period.** Lessee agrees to secure or require each contractor to secure and to keep in full force and effect during and until completion of the Generating Facility the following insurance:

1. The Lessee shall obtain and keep in force during the construction period pursuant to this Lease, insurance policies as described in the Section 9.02 (Insurance).

2. The City's acceptance of any submitted insurance certificate is subject to the approval of the City's Risk Management Administrator. 9.03 NO PERSONAL LIABILITY

No director, officer or employee of either Party hereto shall be held personally liable under this Lease or because of its execution or attempted execution.

9.04 TAXES, LICENSES, LIENS AND FEES

Lessee agrees to promptly pay all taxes, excises, license fees and permit fees of whatever nature applicable to its operations hereunder and to take out and keep current all municipal, state or federal licenses required for the conduct of its business at and upon the Demised Premises and further agrees not to permit any of said taxes, excises, license fees or permit fees to become delinquent. Lessee also agrees not to permit any mechanic's or materialman's or any other lien to become attached or be foreclosed upon the Demised Premises or improvements thereto, or any part or parcel thereof, by reason of any work or labor performed or materials furnished by any mechanic or materialman. Lessee agrees to furnish to the Manager, upon request, duplicate receipts or other satisfactory evidence showing the prompt payment by it of Social Security, unemployment insurance and worker's compensation insurance, and all required licenses and all taxes. Lessee further agrees to promptly pay when due all bills, debts and obligations incurred by it in connection with its operations hereunder and not to permit the same to become delinquent and to suffer no lien, mortgage, judgment or execution to be filed against the Demised Premises or improvements thereon which will in any way impair the rights of the City under this Lease.

SECTION 10 DEFAULT AND REMEDIES

10.01 DEFAULT

Lessee shall be in default under this Lease if Lessee:

- A. Fails to timely pay when due to City the compensation or any other payment required hereunder; or
- B. Is in default under the associated Power Purchase Agreement with the City for Demised Premises at the Premises; or
- C. Becomes insolvent, or takes the benefit of any present or future insolvency or bankruptcy statute, or makes a general assignment for the benefit of creditors, or consents to the appointment of a receiver, trustee or liquidator of any or substantially all of its property; or

D. Transfers its interest under this Lease, except as otherwise permitted herein, without the prior written approval of the City, by reason of death, operation of law, assignment, sublease or otherwise, to any other person, entity or corporation; or

E. Fails to complete construction of all of the Generating Facility no later than June 30, 2011, or fails to make sufficient progress on construction of the Generating Facility where it becomes apparent that the construction deadline will not be met, unless such date is extended by the Manager in his/her discretion.

F. Abandons, deserts or vacates the Demised Premises, or fails to operate the Generating Facility; or

G. Suffers any lien or attachment to be filed against the Demised Premises, the Premises or City's property because of any act or omission of Lessee, and such lien or attachment is not discharged or contested by Lessee in good faith by proper legal proceedings within twenty (20) days after receipt of notice thereof by Lessee, provided, however, that liens and encumbrances on the assets of Lessee and Lessee's affiliates in favor of lenders of Lessee and Lessee's affiliates, including liens and encumbrances against the Generating Facility, shall not be deemed a Default hereunder and are expressly permitted by the City as provided in this Lease; or

H. Fails to keep, perform and observe any other promise, covenant or agreement set forth in this Lease and such failure continues for a period of more than thirty (30) days after delivery by Manager of a written notice of such breach or default, except where a shorter period is specified herein, or where fulfillment of its obligation requires activity over a period of time and Lessee within ten (10) days of notice commences in good faith to perform whatever may be required to correct its failure to perform and continues such performance without interruption except for causes beyond its control; or

I. Gives its permission to any person to use for any illegal purpose any portion of the Premises made available to Lessee for its use under this Lease.

10.02 REMEDIES

If Lessee is in default under Section 10.01, the City may exercise any one or more of the following remedies:

A. The City may elect to allow this Lease to continue in full force and effect and to enforce all of City's rights and remedies hereunder, including without limitation the right to collect compensation as it becomes due together with interest accrued at the Past Due Interest Rate; or

B. The City may cancel and terminate this Lease and repossess the Demised Premises, with or without process of law, and without liability for so doing, upon giving thirty (30) days written notice to Lessee of its intention to terminate, at the end of which time all the rights hereunder of the Lessee shall terminate, unless the default, which shall have been stated in such notice, shall have been cured within such thirty (30) days. The notice shall be final and the City shall at its option (1) cancel and terminate all of the rights hereunder of the Lessee, reenter the Demised Premises, remove therefrom all property of the Lessee and store the same at the expense of the Lessee, or (2) elect to proceed under subparagraph C. below.

If City elects to terminate, Lessee shall be liable to City for all amounts owing at the time of termination, including but not limited to compensation due plus interest thereon at the Past Due Interest Rate together with any other amount to fully compensate City for all loss of compensation, damages, and costs, including attorney's fees, caused by Lessee's failure to perform its obligations hereunder, or which in the ordinary course would likely result therefrom.

C. The City may elect to reenter and take possession of the Demised Premises and expel Lessee or any person claiming under Lessee, and remove all effects as may be necessary, without prejudice to any remedies for damages or breach. Such reentry shall not be construed as termination of this Lease unless a written notice specifically so states; however, the City reserves the right to terminate the Lease at any time after reentry. Following reentry, the City may make any use of the Demised Premises, or any portion thereof, on such terms and conditions as the City may choose, and may make such repairs or improvements as it deems appropriate to accomplish the new use.

Lessee shall be liable to City for all costs of reentry including attorney's fees and repairs or improvements. Notwithstanding re-entry by the City, Lessee shall continue to be liable for all amounts due as compensation under this Lease, on the dates specified and in such amounts as would be payable if default had not occurred. Upon expiration of the Term, or any earlier termination of the Lease by the City, the City shall refund, without interest, any amount which exceeds the compensation, damages, and costs payable by Lessee under this Lease.

10.03 REMEDIES CUMULATIVE

The remedies provided in this Lease shall be cumulative and shall in no way affect any other remedy available to City under law or equity.

10.04 ADMINISTRATIVE HEARING

Disputes arising out of this Lease if unresolved within such thirty (30) days, then such dispute, or any other disputes arising under or related to this Lease, may be resolved by seeking redress in the District Court of the State of Colorado Second Judicial District; provided, that City shall retain its right to obtain an order of eviction in accordance with applicable state law.

10.05 WAIVERS

No failure of a non-defaulting Party to insist upon the strict performance of a term, covenant or agreement contained in this Lease, no failure by a non-defaulting Party to exercise any right or remedy under this Lease, and no acceptance of full or partial payment during the continuance of any default by a defaulting Party shall constitute a waiver of any such term, covenant or agreement or a waiver of any such right or remedy or a waiver of any default by a defaulting Party.

10.06 APPROPRIATION

Notwithstanding any other term or condition of this Lease, it is understood and agreed that the obligation of the City for all or any payment obligation, whether direct or contingent, shall only extend to payment of monies duly and lawfully appropriated by the City Council for the purpose of this Lease, encumbered for the purpose of this Lease, and paid into the Treasury of the City. The Lessee acknowledges that (i) the City does not by this Lease irrevocably pledge present cash

reserves for payments in future fiscal years, and (ii) this Lease is not intended to create a multiple-fiscal year direct or indirect debt or financial obligation of the City.

SECTION 11 DAMAGE, DESTRUCTION OR LOSS

11.01 DAMAGE TO OR DESTRUCTION OF DEMISED PREMISES

If the Demised Premises, or any portion thereof, is destroyed or damaged by fire or otherwise to an extent which renders it unusable, City may rebuild or repair any portions of the building structure destroyed or damaged, and, if the cause was beyond the control of Lessee, the obligation of Lessee to pay the compensation hereunder shall abate as to such damaged or destroyed portions during the time they are unusable. If the City elects not to proceed with the rebuilding or repair of the building structure, it shall give written notice of its intent within ninety (90) days after the destruction or damage. Lessee may then, at its option, cancel and terminate this Lease.

11.02 COOPERATION IN THE EVENT OF LOSS

If the City elects to rebuild, Lessee must replace the Generating Facility at its sole cost in July, 2010 dollars, subject to increase or deduction according to the Engineering News Record Building Cost Index for the Denver, Colorado area, and building and construction standards as set forth in the Building Code and in applicable Public Works Standard Specifications for Construction for the City, as amended. City and Lessee shall cooperate with each other in the collection of any insurance proceeds which may be payable in the event of any loss or damage.

11.03 LOSS OR DAMAGE TO PROPERTY

City shall not be liable for any loss of property by theft or burglary from the Demised Premises or for any damage to person or property on the Demised Premises resulting from operating the elevators, or electric lighting, or water, rain or snow, which may come into or issue or flow from any part of the Premises, or from the pipes, plumbing, wiring, gas or sprinklers thereof or that may be caused by the City's employees or any other cause, and Lessee agrees to make no claim for any such loss or damage at any time, except for any abatement of compensation or right to insurance proceeds provided for in this Section.

11.04 MUTUAL WAIVER/INSURANCE COVERAGE

City and Lessee each waive any and every claim for recovery from the other for any and all loss of or damage to the Demised Premises or to the contents thereof, which loss or damage is covered by valid and collectible fire and extended insurance policies, to the extent that such loss or damage is recoverable under such insurance policies. Since this mutual waiver will preclude the assignment of any such claim by subrogation or otherwise to an insurance company or any other person, Lessee agrees to give to each insurance company which has issued, or may issue, to the Lessee policies of fire and extended coverage insurance, written notice of the terms of this mutual waiver, and to have such insurance policies properly endorsed, if necessary, to prevent the invalidation of the insurance coverage by reason of this waiver.

**SECTION 12
MISCELLANEOUS PROVISIONS**

12.01 ADVERTISING AND PUBLIC DISPLAYS

Lessee shall not install or have installed or allow to be installed upon or within the Demised Premises, without the prior written approval of the Manager or his/her authorized representative, any sign, either lighted or unlighted, poster or other display of advertising media, including material supplied by manufacturers of merchandise offered for sale, as well as other types of display permitted by City zoning standards. Permission will not be granted for any advertising which fails to comply with Denver Marketing Office standards or City zoning standards, or any advertising material, fixture or equipment which extends beyond the Demised Premises. Each Party agrees that it shall not issue any formal press release regarding the Generating Facility without the prior consent of the other, and each Party agrees not to unduly withhold, condition or delay any such consent. On all permitted signage at the Premises, and in all publicly distributed written materials issued by either Party that refer to the Generating Facility by name, such name will contain a statement to the effect attributing ownership and operation of the Generating Facility.

12.02 AGREEMENT BINDING UPON SUCCESSORS

This Lease Agreement, subject to the provisions of the section entitled "Assignment", shall be binding upon and extend to the heirs, personal representatives, successors and assigns of the respective Parties hereto.

12.03 AGREEMENT MADE IN COLORADO

This Lease shall be deemed to have been made in and shall be construed in accordance with the laws of the State of Colorado.

12.04 ASSIGNMENT

A. Assignment by Lessee. The Lessee's right, title and interest in, to, and under this Lease and the Generating Facility and all proceeds therefrom, may be assigned and reassigned in whole or in part (including by way of any direct or collateral assignment) (i) in accordance with Section 28 of the Power Purchase Agreement; (ii) to one or more of Lessee's affiliates, (iii) to one or more affiliates or third parties in connection with a sale-and-leaseback or other financing transaction, (iv) to any person or entity succeeding to all or substantially all of the assets of Lessee, or (v) to a successor entity in a merger or acquisition transaction, without the necessity of obtaining the consent of the City; provided that any such assignment does not change any obligation of the City. Any such assignment shall not be effective until the Manager of General Services has received written notice, signed by the assignor, of the name and address of the assignee. The City hereby agrees that the Lessee may, without notice to the City, sell, dispose of, or assign this Lease through a pool, trust, limited partnership, or other similar entity, whereby one or more interests are created in this Lease or the Generating Facility.

The Lessee and the City agree that any such assignment of this Lease or the Power Purchase Agreement is not intended as the offer or sale of a security, and the Lessee and all assignees hereof understand and agree that: (i) the City shall not be responsible for any information provided to any assignee or subassignee in connection with any such assignment and (ii) if any such assignment constitutes the offering of a security under applicable securities laws, the City shall not be responsible for compliance with any such laws, and any offering or other disclosure document delivered by the Lessee in connection with such assignment shall include a statement to the effect that the City has assumed no responsibility for such document and has neither reviewed nor undertaken to verify any information contained therein.

The Manager of General Services shall (i) retain all assignment notices as a register of all assignees (other than registered owners of certificates of participation) and (ii) shall be responsible for making any payments under the terms of this Lease or the Power Purchase Agreement only if an appropriation has been effected by the City for such purpose, and *only* to the Lessee at the address set forth in herein, notwithstanding any assignment by the Lessee pursuant to the terms of this section, unless this Lease is modified in a writing signed by the Parties amending this Lease to so provide for different payment terms.

City agrees to notify in writing, an assignee which has been approved by an amendment to this Lease, at the address to be designated by assignee upon not less than five (5) business days' written notice to City prior to any notice by City hereunder, of any act or event of default of Lessee under this Lease of which City has knowledge that would entitle City to cancel, terminate, annul, or modify this Lease or dispossess or evict Lessee from the Demised Premises or otherwise proceed with enforcement remedies against Lessee, and assignee shall have the same amount of time as Lessee, but at least ten (10) days with respect to any monetary default and at least thirty (30) days with respect to any non-monetary default, to cure any default by Lessee under the Lease; provided that in no event shall assignee be obligated to cure any such default.

City consents to assignee accessing the Demised Premises and the Premises, upon three (3) days notice for the purpose of inspecting the Generating Facility.

Assignment and Subleasing by the City. Through December 31, 2017, none of the City's right, title and interest in, to and under this Lease or any portion of the Generating Facility may be assigned or encumbered by the City for any reason; except if the City obtains the prior written consent of the Lessee and, upon request of the Power Provider and at Power Provider's expense, an opinion of nationally recognized Counsel that such assignment will be permissible under applicable New Markets Tax Credit rules.

12.05 FORCE MAJEURE

Neither Party hereto shall be liable to the other for any failure, delay or interruption in the performance of any of the terms, covenants or conditions of this Lease due to strikes, boycotts, labor disputes, embargoes, shortages of materials, acts of God, acts of the public enemy, acts of superior governmental authority, weather conditions, floods, riots, rebellion, sabotage or any other circumstance for which such Party is not responsible or which is not in its power to control, but in

no event shall this paragraph be construed so as to allow Lessee to reduce or abate its obligation to pay the annual rent herein, or any other compensation due hereunder.

12.06 INCONVENIENCES DURING CONSTRUCTION

Lessee recognizes that from time to time during the Term of this Lease, it may be necessary for City to commence or complete extensive programs of construction, expansion, relocation, maintenance and repair in order that the Premises and its Facility may be completed and operated in accordance with any present or future master layout plan, and that such construction, expansion, relocation, maintenance and repair may inconvenience the Lessee in its operation at the Premises. Lessee agrees that no liability shall attach to City, its officers, agents, employees, contractors, subcontractors and representatives by way of such inconveniences, and Lessee waives any right to claim damages or other consideration therefrom.

Lessee understands and agrees that due to the extended length of the Term of this Lease, the City may determine that it has become necessary for the City to replace the roof or perform other construction related maintenance of the Premises, including the Demised Premises. In the event that the City determines to replace the roof or conduct other maintenance impacting the Demised Premises, the Parties shall cooperate as provided in paragraph 3(m) of the Power Purchase Agreement.

12.07 MASTER PLAN

Lessee agrees that no liability shall attach to the City, its officers, agents and employees by reason of any efforts or action toward implementation of any present or future master layout plan for the Premises, and waives any right to claim damages or other consideration arising therefrom.

12.08 NONDISCRIMINATION

In connection with the performance of work under this Lease, Lessee agrees not to refuse to hire, discharge, promote or demote, or to discriminate in matters of compensation against any person otherwise qualified, solely because of race, color, religion, national origin, gender, age, military status, sexual orientation, marital status, or physical or mental disability, and Lessee further agrees to insert the foregoing provision in all subcontracts hereunder.

12.09 NOT PARTNERSHIP

It is expressly understood and agreed that neither Party shall be construed or held to be a partner, associate, agent, representative, or joint venturer of the other Party in the conduct of its business. Lessee shall at all times have the status of an independent contractor without the right or authority to impose tort or contractual liability upon the City.

12.10 NOTICES

All notices required or permitted to be given to the City or Lessee hereunder shall be in writing and sent by certified mail, postage prepaid, return receipt requested, or sent by overnight air courier service, or personally delivered to a representative of the receiving Party, or sent by facsimile or email (provided an identical notice is also sent simultaneously by mail, overnight courier, or personal delivery as otherwise provided in this section)to:

12.14 THIRD PARTIES

This Lease does not, and shall not be deemed or construed to, confer upon or grant to any third party or parties (except parties to whom the Lessee may assign this Lease in accordance with the terms hereof, and except any successor to the City) any right to claim damages or to bring any suit, action or other proceeding against either the City or the Lessee because of any breach hereof or because of any of the terms, covenants, agreements and conditions herein.

12.15 USE, POSSESSION OR SALE OF ALCOHOL OR DRUGS

Lessee, its officers, agents and employees shall cooperate and comply with the provisions of the Federal Drug-Free Workplace Act of 1988 and Denver Executive Order No. 94, or any successor thereto, concerning the use, possession or sale of alcohol or drugs. Violation of these provisions or refusal to cooperate with implementation of the policy can result in the City's barring Lessee from City Facility or participating in City operations.

12.16 CITY SMOKING POLICY

Lessee and its officers, agents and employees shall cooperate and comply with the provisions of Denver Revised Municipal Code Sec. 24-304 prohibiting smoking in City buildings and Facility.

12.18 FINAL APPROVAL

This Lease is expressly subject to and shall not be or become effective or binding on the City until approved by the City Council and fully executed by all signatories of the City and County of Denver.

12.19 ESTOPPEL CERTIFICATES

From time to time, upon written request by either Party (or Lessee's lender or the City's COP Trustee), the other Party shall provide within thirty (30) days thereafter an estoppel certificate attesting, to the knowledge of the other Party, of the other Party's compliance with the terms of this Lease or detailing any known issues of noncompliance. If the other Party fails to deliver such a statement to the requesting Party within such thirty (30)-day period, then the requesting Party may make an additional written demand for such statement and if the other Party does not

deliver the statement within fifteen (15) days following such additional written demand from the requesting Party, then such failure shall constitute an event of default under this Lease.

Unlisted classifications needed for work not included within
 the scope of the classifications listed may be added after
 award only as provided in the labor standards contract clauses
 (29CFR 5.5 (a) (1) (ii)).

 In the listing above, the "SU" designation means that rates
 listed under the identifier do not reflect collectively
 bargained wage and fringe benefit rates. Other designations
 indicate unions whose rates have been determined to be
 prevailing.

WAGE DETERMINATION APPEALS PROCESS

1.) Has there been an initial decision in the matter? This can
 be:

- * an existing published wage determination
- * a survey underlying a wage determination
- * a Wage and Hour Division letter setting forth a position on
 a wage determination matter
- * a conformance (additional classification and rate) ruling

On survey related matters, initial contact, including requests
 for summaries of surveys, should be with the Wage and Hour
 Regional Office for the area in which the survey was conducted

because those Regional Offices have responsibility for the Davis-Bacon survey program. If the response from this initial contact is not satisfactory, then the process described in 2.) and 3.) should be followed.

With regard to any other matter not yet ripe for the formal process described here, initial contact should be with the Branch of Construction Wage Determinations. Write to:

Branch of Construction Wage Determinations
Wage and Hour Division
U.S. Department of Labor
200 Constitution Avenue, N.W.
Washington, DC 20210

2.) If the answer to the question in 1.) is yes, then an interested party (those affected by the action) can request review and reconsideration from the Wage and Hour Administrator (See 29 CFR Part 1.8 and 29 CFR Part 7). Write to:

Wage and Hour Administrator
U.S. Department of Labor
200 Constitution Avenue, N.W.
Washington, DC 20210

The request should be accompanied by a full statement of the interested party's position and by any information (wage payment data, project description, area practice material, etc.) that the requestor considers relevant to the issue.

3.) If the decision of the Administrator is not favorable, an interested party may appeal directly to the Administrative Review Board (formerly the Wage Appeals Board). Write to:

Administrative Review Board
U.S. Department of Labor
200 Constitution Avenue, N.W.
Washington, DC 20210

4.) All decisions by the Administrative Review Board are final.
