5. General description or background of proposed request; include attached executive summary if more space needed:

This program serves to build/enhance comprehensive tobacco control programming efforts and explore opportunities to significantly impact the tobacco usage rates of low socioeconomic status (low-SES) community members; increase access to/uptake of evidence-based tobacco treatment services; provide education to facilitate/promote adoption of smoke-free policies to eliminate secondhand smoke/vapor. Additionally, Tobacco use is higher among the following populations: 1) Adults with lower income/education level; 2) Young adults age 18-24 who go to work rather than college; 3) Black/African American and American Indian/Alaska Native adults; 4) Pregnant women who are on Medicaid; 5) Adults with mental health conditions; 6) LGBT youth/adults. This program will aim to reduce tobacco related disparities in high burdened populations.

6. City Attorney assigned to this request (if applicable): Breena Meng
