6. General description of proposed ordinance including contract scope of work if applicable:

Assessing ordinance to approve the 2023 annual costs for the following Local Maintenance District included in the Board of Equalization scheduled for October 17, 2022:

Local Maintenance District	2023 Budget	Budget Change From 2022 to 2023	Council District
St. Luke's Pedestrian Mall	\$280,680*	89% Increase	9 & 10

*This district's assessment for 2023 will be \$168,900 since there are sufficient reserves held by the district to cover a portion of the proposed 2023 budget. The 2023 budget increase is due to needed removal of sidewalk trip hazards, sidewalk power washing, increased maintenance costs and installing borders around rock beds.

Individual property owners, including some non-profits, take this opportunity to protest their annual assessments. City Council sitting as the Board of Equalization may confirm the assessments proposed or make any modifications which may seem equitable and just. Should the Board of Equalization decide to allow for reduced assessments, those reductions are paid for out of City funds.
