Ordinance No. 591, Series of 2021, established the American Rescue Plan Act Grant Fund, Fund No. 11011, and accepted the Coronavirus Local Fiscal Recovery Fund award agreement with the US Department of Treasury. While the ordinance accepted the full \$308,048,870 identified in the award agreement, it included provisions requiring that City Council approve spending in the fund through amendments to said Ordinance.

Subsequent ordinances amended the original, aforementioned ordinance by authorizing allocations in the "Revenue Loss," "Recovery," "Premium Pay," and "Administration" categories, which collectively made up the first half of the ARPA award. Ordinance 373 and Ordinance 374, Series of 2022, delineated capital improvement expenditures from operating ones through the creation of fund 38395. Ordinance No. 969, Series of 2022, allocated an additional \$1M generated by interest in the "Recovery" category for a food insecurity program. Ordinance No. 1450, Series of 2022, primarily allocated the second cash disbursement of \$154 million from the Treasury. These allocations were for programs that were determined through a deliberative process that included input from the community and the Stimulus Investment Advisory Committee (SIAC). Ordinance 1450 also authorized capital equipment, allocated cash in the Administration category for program evaluation, and reallocated from premium pay based on expenditures. Additionally, Ordinance No. 548, Series of 2023, made additional allocations for programs in those ARPA
