**Classification Notice No. 1866**

**To:** Agency Heads and Employees  
**From:** Kathy Nesbitt, Executive Director of the Office of Human Resources  
**Date:** July 4, 2025  
**Subject:** Proposed Change to the Classification and Pay Plan

**The proposed change amends the Classification and Pay Plan by creating a new classification of Airport Conveyance Systems Administrator.**

Denver International Airport has requested the Office of Human Resources to create an Airport Conveyance Systems Administrator classification. This classification requires a unique array of technical and administrative experience and skills for which the airport has had a sustained challenge recruiting. This classification will manage 350+ passenger conveyance systems and elevators, baggage handling systems, passenger train systems, system upgrade projects, and the compliance, maintenance, and repair work performed by a variety of contractors. Based on market data, a pay grade of EX-14 is recommended.

**NEW CLASSIFICATION**

**Subject:** Proposed Change to the Classification and Pay Plan

**The proposed change amends the Classification and Pay Plan by creating new classifications of Institutional Trades Supervisor and Institutional Superintendent.**

The Department of Public Safety's Sheriff Office has requested that the Office of Human Resources create two new classifications, Institutional Trades Supervisor and Institutional Superintendent. These classifications will supervise while performing the duties of skilled trades personnel in emergency and short-staffing situations within the Sheriff's Office's various 24/7 operated detention facilities across all shifts. The Institutional Trades Supervisor performs supervisory duties over licensed trades employees in the design, construction, maintenance and alteration of equipment, buildings, and machinery. The Institutional Superintendent performs second level supervisory work over skilled trade supervisors and employees involved in maintenance, repair, or construction of the detention facilities, provides direction and long- and short- range planning, and assists Sheriff's Office management with the development of operational policy and performance criteria. It is recommended to align the pay grades for the Institutional Trades Supervisor and Institutional Superintendent to non-exempt pay grades that correspond to the exempt Multiple Trades Supervisor and Facilities Superintendent classifications.

**The proposed change amends the Classification and Pay Plan by creating a new classification of Licensing Technician III.**

The Department of Excise and License has requested that the Office of Human Resources create a new classification to be added to the Licensing Technician series, Licensing Technician III. This new classification will perform advanced level assessment and processing of complex or unusual license applications and will expand career growth opportunities within this series. The proposed pay grade maintains internal alignment with the compliance focused NE-12 Business License Inspector II classification and builds upon the customer service focused NE-10 and NE-11 Licensing Technician I and II classifications to represent the highest level in this series.

**The proposed change amends the Classification and Pay Plan by creating a new classification of Solid Waste Customer Service Agent.**

The Solid Waste Management division of the Department of Transportation and Infrastructure requested a new classification. They are currently using an Administrative Support Assistant III (NE-09), but this classification is not an accurate representation of the job duties being performed. The Solid Waste Customer Service Agent provides comprehensive customer service which includes dispatch, in a contact center environment, to respond to a variety of complex customer requests for information on Volume Based Pricing (VBP), billing questions, services and programs offered by Solid Waste Management. Similar to the DHS Customer Service Agent, it is proposed to establish the Solid Waste Customer Service Agent at pay grade NE-09.

**The proposed change amends the Classification and Pay Plan by changing the classification title and pay grade of Wastewater Quality Technician (NE-11) to Wastewater Quality Control Technician (NE-13).**

Department of Transportation and Infrastructure's Wastewater Division requested that the Office of Human Resources review the pay grade of the current Wastewater Quality Technician classification because it does not align with the current organizational structure. These employees are responsible for collecting samples and performing accurate field tests on liquids and materials using a variety of measuring devices in support of Wastewater Sampling Programs and to ensure compliance with governmental and environmental regulations. Based upon market data, it is proposed to change the pay grade of the Wastewater Quality Technician (NE-11) to Wastewater Quality Control Technician (NE-13). Additionally, the current classification title does not align with the supervisor and manager classifications which are titled Wastewater Quality Control Supervisor and Wastewater Quality Control Manager, so it is proposed to update and align this classification's title accordingly.
