2 ORDINANCE NO.  
3 SERIES OF 2013

COUNCIL BILL NO.  
COMMITTEE OF REFERENCE:

4  
5 **A BILL**

6 **For an ordinance amending the 1963 Retirement Plan with regard to**  
7 **the actuarially required contribution**  
8

9 **WHEREAS**, the actuary for the Denver Employees Retirement Plan (the "Plan")  
10 has determined that due to the continued impact of market events on the actuarial value  
11 of plan assets, and the impact of the increased life expectancy of plan members on the  
12 actuarial value of plan liabilities, the total computed actuarially required contribution rate  
13 for the plan has increased; and,

14 **WHEREAS**, the Plan's actuary has further determined that receiving this  
15 increased contribution is actuarially necessary to help stabilize and improve the funded  
16 status of the Pension and Retiree Medical Plans and to strengthen their actuarial  
17 soundness; and,

18 **WHEREAS**, under Section 18-405(g) of the Code, the Retirement Board is  
19 responsible for making recommendations to the City for amendments to the Plan when,  
20 in the judgment of the Board such changes are necessary; provided that such  
21 recommendations be accompanied by a report of the Plan's actuary setting forth the  
22 effect of such amendments; and,

23 **WHEREAS**, the Retirement Board has duly considered the reports and  
24 recommendations of its actuary, finding, that to strengthen and maintain the actuarial  
25 soundness of the Plan, an increase in the contribution rate is both desirable and  
26 necessary; and

27 **WHEREAS**, Section 18-407(a) of the Revised Municipal Code of the City and  
28 County of Denver states that the employer intends to continue the plan and to contribute  
29 regularly to the trust each payroll period for each member such amounts as are  
30 necessary to maintain or assist in maintaining the plan on a sound actuarial basis as  
31 prescribed by applicable law and, particularly, the Internal Revenue Code for defined

1 benefit pension plans qualified under section 401(a) thereof, and that employees shall  
2 contribute regularly to the trust each payroll period in such amounts as are necessary,  
3 in the judgment of the city, to assist in maintaining the plan on a sound actuarial basis;  
4 and,

5 **WHEREAS**, it is in the judgment of the City that, in order to maintain the Plan on  
6 a sound actuarial basis, the sponsoring employers shall each have their contributions to  
7 the Plan increased by two tenths of one percentage point (0.2) and their respective  
8 employees shall each have their contributions to the Plan increased by three tenths of  
9 one percentage point (0.3) for an overall increase in contributions to the Plan of one-half  
10 (0.5) of one percentage point:

11  
12 **NOW, THEREFORE, BE IT ENACTED BY THE COUNCIL OF THE CITY AND**  
13 **COUNTY OF DENVER:**

14  
15 **Section 1.** That Section 18-407(e) and Section 18-407(f) (sometimes known and

36 (2) For accounting, reporting, and record-keeping purposes, a portion of said  
37 contributions shall be contributed so that it can be allocated and apportioned to

20 vested, the plan shall refund to the terminated employee in a lump sum the  
21 employee contribution plus three (3) percent per annum simple interest
