**5. General description or background of proposed request. Attach executive summary if more space needed:**

This code change is required to bring the Denver Revised Municipal Code into conformance with changes made to state statute in 2019. HB19-1225 limits use of cash bail for low level offenses that have no corresponding State offense, effectively allowing greater use of personal recognizance (PR) bonds. PR bonds are used to release someone without need for monetary bail. This builds on previous city reform efforts. Changes have already been implemented in practice and this action would simply clean up the code to match state law.
