Mr. Brad Buchanan  
 Executive Director  
 Community Planning & Development  
 201 W. Colfax Avenue  
 Denver, Colorado 80202

*RE: Request for map amendments to rezone properties to mixed-use districts consistent with adopted plans and apply the River North Design Overlay and 38th and Blake Station Area Incentive Overlays to those properties.*

As the Councilman for District 9, I am writing to request that Community Planning and Development (CPD) initiate a legislative map amendment to update zoning for the properties shown on the map below to mixed-use districts consistent with adopted plans while also applying the River North Design Overlay (DO-7) and 38<sup>th</sup> and Blake Incentive Overlay (IO-1) to those properties.

Note: Please see separate attached map and legal descriptions for updated boundaries (reflects 12/6/17 Planning Board recommendation for map adjustments).

The proposed overlays are the result of a robust 12-month process with CPD Staff, area property owners and the public. Each component has been thoughtfully considered to reach a consensus on the proposed zoning. I am confident that the result of this work has ensured a zoning proposal that will conform to the recommendations of the 38th and Blake Station Area Height Amendments (2016) and further the vision for the station and wider RiNo area.

As a result, I believe there is substantial community support for this map amendment application for which I will sponsor. Please contact me with any questions at (720) 337-7709.

Sincerely,

*Albus Brooks*

Albus Brooks  
 Denver City Council President  
 District 9
