Key Contract Terms

Vendor/Contractor Name: Innovative Electronic Designs, Inc. (IED)

Contract control number: 201102921-02

City's contract manager: Heather McKee

Was this contractor selected by competitive process? Was it the low bid? This is a sole source contract.

Term/Duration of contract/project: 9 years

Renewal terms: by amendment

Purpose: The scope of work of the existing contract is the servicing of equipment and software, extended warranty, scheduled replacement of all Computer Processing Units, software and storage devices, replacement parts, on-call and emergency technical support services for all voice paging equipment manufactured by IED.

The purpose of this amendment is to make changes to the warranty language and billing rates.

Schedules 1 and 2.1 will be deleted in their entirety and replaced – continuing existing coverage and adding the new hardware and software installed in 2015 - 2016.

Cost/value: \$0

Source of funds: Technical Maintenance operations and maintenance (O&M) funding.

Benefit: This amendment will allow DEN to receive extended warranty, scheduled replacement, preventive maintenance, repairs, on-call and on-site emergency technical support for all Emergency Communication System equipment manufactured by IED including new equipment installed in 2015-2016.

Termination provision for City and for contractor: This is a question for DEN Legal department who wrote the contract.

WBE/MBE/DBE commitments (construction, design, Airport concession contracts): N/A

Who are the subcontractors to this contract? None

Location: DEN airport terminal, concourses, HTC, and ARFF stations.

Affected Council District: 11
