

**ORDINANCE/RESOLUTION REQUEST**

Please email requests to the Mayor’s Legislative Team  
at [MileHighOrdinance@DenverGov.org](mailto:MileHighOrdinance@DenverGov.org) by NOON on Monday.

*\*All fields must be completed.\*  
Incomplete request forms will be returned to sender which may cause a delay in processing.*

Date of Request: April 22, 2014

Please mark one:     Bill Request                      or                       Resolution Request

1. Has your agency submitted this request in the last 12 months?

Yes                       No

If yes, please explain:

2. **Title:** (Include a one sentence description that clearly indicates the type of request – grant acceptance, contract execution, municipal code change, supplemental request, etc.)

**PWADM-201415939-00** Approval of an Intergovernmental Agreement with the Colorado Department of Transportation for the project **RAMP 1-44 Ph 1 Santa Fe and Evans Signal**

3. **Requesting Agency:** Public Works, Traffic Engineering Division

4. **Contact Person:** (with actual knowledge of proposed ordinance)

- **Name:** John Yu
- **Phone:** 720-865-3176
- **Email:** john.yu@denvergov.org

5. **Contact Person:** (with actual knowledge of proposed ordinance who will present the item at Mayor Council and who will be available for first and second reading, if necessary)

- **Name:** Michael Finochio
- **Phone:** 720-913-0801
- **Email:** Michael.finochio@denvergov.org

6. **General description of proposed ordinance including contract scope of work if applicable:**

The proposed ordinance will allow the City to receive and expend federal funds in the amount of \$ 500,000.00 to be received from the Colorado Department of Transportation (CDOT) as part of the Responsible Acceleration of Maintenance and Partnerships (RAMP) Program. These funds will be used to reconstruct and update five existing traffic signals within the City and County of Denver.

This ordinance will set up a capital grant fund and appropriate the budget for this grant as follows:

<u>Fund</u>	<u>Org</u>	<u>Project Number</u>	<u>Project Name</u>	<u>Amount</u>
38377	5011102	PO01014_003	RAMP 1-44 Ph 1 Santa Fe and Evans Signal	\$ 500,000

The traffic signal is located on SH 85(Santa Fe) at Evans Avenue. This project will remove existing signal equipment and replace with new traffic signal equipment in accordance with the City and County of Denver standards. This work will install new foundations and a monotube structure, multiple 12-12-12 overhead indications, accessible pedestrian signals and vehicle detection.

*To be completed by Mayor’s Legislative Team:*

Date: \_\_\_\_\_

Ordinance Request Number: \_\_\_\_\_

Date: \_\_\_\_\_

It will also upgrade existing signs to ASTM Type 11 retroreflective sheeting, ADA handicap ramps, curb and gutter and sidewalk to meet ADA and CCD standards.

The total Federal Funds receive from this contract is \$ 500,000.00. There is no City match required on this project.

The proposed ordinance should accomplish two purposes: (1) Authorize receipt of revenue under Charter 3.2.6(e), and (2) Appropriate the funds to the fund/org/project ID.

The CDOT project number is SHE M320-089 (subaccount number 19980).

***Please include the following:***

- a. Duration:** Execution to completion – approximately 3 years
  - b. Location:** The one traffic signals are located on SH 85 (Santa Fe) at Evans Avenue.
  - c. Affected Council District:** 7
  - d. Benefits:** Upgrade / replacement of a traffic signal that doesn't meet current CDOT and CCD standards. This work will also accommodate the recent modifications made to the structure to improve pedestrian and bicycle movements through the intersection.
  - e. Costs:** Not to exceed funding amount
- 7. Is there any controversy surrounding this ordinance?** (Groups or individuals who may have concerns about it?) **Please explain.**

**Contract Control Number**

**Term of this proposed contract:** January 2014 to completion – approximately 3 years

**Term of the original contract**

**MBE/WBE Compliance:** Per Denver Public Works contracting process

**Selection process:**

(a) **Date of RFQ/RFP process:** N/A

(b) **How many proposals were received?** N/A

(c) **Who was on the selection panel?** N/A

**Source of funds:** CDOT

**Background:**

The Responsible Acceleration of Maintenance and Partnerships (RAMP) 1-44 project is to reconstruct and update one existing traffic signal within the City and County of Denver. The traffic signal is located on SH 85 (Santa Fe) and Evans Avenue. This project will remove existing signal equipment and replace with new traffic signal equipment in accordance with the City and County of Denver standards. This work will install new foundations and a monotube structure, multiple 12-12-12 overhead indications, accessible pedestrian signals and vehicle detection. It will also upgrade existing signs to ASTM Type 11 retroreflective sheeting, ADA handicap ramps, curb and gutter and sidewalk to meet ADA and CCD standards. Scope of work also includes new pedestrian crosswalks and stop bars in accordance to CCD standards. This project utilizes funds from the Federal Safety Hazard Elimination program.

The total Federal Funds receive from this contract is \$ 500,000.00. There is No City match required to receive these funds.
