## EXECUTIVE SUMMARY

This ordinance approves a Cooperation Agreement between the City and County of Denver and the Denver Urban Renewal Authority (DURA) for the 2300 Welton Project (“Project”). The Project is located at 2300 Welton and 501 Park Avenue West in the Welton Corridor Urban Redevelopment Area.

The Denver Urban Renewal Authority is seeking to establish a Property Tax Increment Area to support the proposed development through an amendment of the Welton Corridor Urban Redevelopment Plan (the “Plan”). Staff with the City and DURA have agreed to an Urban Redevelopment Plan Amendment and Cooperation Agreement for the creation of the 2300 Welton Property Tax Increment Area and the use of TIF by DURA.

The Cooperation Agreement authorizes the use of property tax increment. The incremental revenues will be used for the purpose of financing the Project for the benefit of the Urban Redevelopment Area. Specifically, the incremental revenues will be used to reimburse costs related to the development of 223 affordable residential units to be located at 2300 Welton and 501 Park Avenue West. 212 units will be restricted to 60% or below of area median income (AMI) and the remaining 11 units will be restricted to 30% AMI or below. All units will be income restricted for a period of not less than 20 years.

DURA will be making an informational presentation regarding the Cooperation Agreement at the Council Committee meeting on June 3, 2014. A formal presentation, seeking Council Committee approval is requested for June 24, 2014.
