24 candidate at the same ranking.
- 25 (e) “Ranking” means the number assigned on a ballot by an elector to a candidate to express
26 the elector’s preference for that candidate. Ranking number one is the highest ranking;
27 ranking number two is the next-highest ranking, and so on.

4 **Sec. 15-91. - Tabulation of instant-runoff elections.**

6 shall tabulate the first-choice ranks on each ballot.

- 7 (1) A candidate who receives over 50 percent of the first-choice ranks for a contest
8 across all ballots tabulated is the winning candidate and no further rounds of
9 tabulation are required.

- 10 (2) If no candidate receives over 50 percent of the first-choice ranks for a contest across
11 all ballots tabulated, the clerk and recorder shall continue to the next round of
12 tabulation.

- 13 (b) Tabulation of subsequent round(s). At the beginning of the second round of tabulation, the
14 candidate with the fewest first-choice ranks in the prior round is eliminated and the
15 eliminated candidate’s votes are transferred to each ballot’s next-ranked continuing
16 candidate and tabulated.

- 17 (1) If, after receiving the transferred votes, a continuing candidate receives over 50
18 percent of the votes cast on active ballots, that candidate is the winning candidate
19 and no further rounds are required.

- 20 (2) If no candidate has over 50 percent of the votes cast on active ballots after the second
21 round, the clerk and recorder shall repeat additional rounds of tabulation as described
22 in subsection (b) of this section, until there is a winning candidate.

- 23 (c) Lowest-vote group elimination. At the end of the first round and in any subsequent rounds,
24 if the combined vote total of two or more candidates with the lowest vote totals in the
25 current round is less than the number of votes for the continuing candidate with the next-

- 27 (d) Resolving ties by lot.

- 28 (1) At the end of the first round and in any subsequent rounds, if two or more candidates
29 tie for the lowest number of votes, the eliminated candidate shall be chosen by lot.

- 30 (2) If only If only two continuing candidates remain after a round and they have the same
31 number of votes, the winning candidate shall be chosen by lot.

1 **Sec. 15-92. – Resolving improperly marked ballots.**

- 2 (a) The clerk and recorder shall count improperly marked ballots as follows:

- 6 (3) A candidate who receives a duplicate ranking on a single ballot is credited with the
- 7 highest ranking marked by the voter. All other rankings for that candidate shall be
- 8 ignored.
- 9 (b) If a ballot contains more than one type of improper mark as listed in subsection (a) of
- 10 this section, the clerk and recorder shall first resolve skipped rankings, followed
- 11 by duplicate rankings, and lastly resolve any remaining overvotes.
- 12
