## 19-1305

- Amends a contract with Syscon Justice Systems, Inc. by adding \$270,600 for a new total of \$3,937,806 and one year for a new end date of 12-31-20 for support of the TAG Jail Management System supporting the Denver Sheriff's Department.

Supports the TAG Elite Jail Management System (JMS), a core application used to manage the Denver County Jail and Downtown Detention Center. Modules of the software suite include:

- TAG Base Platform
- Admission and Release
- Schedules and Movements
- Gangs (Non-Associations)
- Legals Management
- Visits Management
- Property
- Incidents and Violations
- Requests and Grievances
- Billing of Services
- Case Management
- Program Management
- Legals/Bail/Sentence
- Fingerprint Option
- Electronic Health Records
- Medicine Administration / Dental

- Support includes:
  - Technology enhancements
  - Support releases
  - Assistance with application issues and defects
  - Assurance that the application is running at its maximum capacity
  - Support provided by telephone, email and/or web connection

- Adding \$270,600 and one year to the contract to allow for implementation of a new Jail Management System (JMS).
- Used on an as needed basis and paid monthly
- Can cancel at anytime with notice to vendor
- Contract will sunset after the transition to the new JMS system
- \$22,000 monthly payments for first six month period
- \$23,100 monthly payments for last six month period (if needed)
