- 2. **Housing First:** Utilize low-barrier, Housing First Model programming that is designed to encourage shelter entry through progressive engagement and maximize successful exits into permanent and stable housing.
- Housing Focused Case Management and Navigation: Primary activities will include conducting
 housing assessment, coordinating co-living opportunities, promoting successful housing retention
 education and skills development, landlord outreach and engagement, other services that promote
 long-term stability and well-being.
- 4. **Pre-Critical Time Intervention (Pre-CTI)** services will be offered to all guests. Pre-CTI are early, time-limited support services offered to individuals before they exit shelter to permanent housing. Services include securing all vital documents needed to apply for housing, mapping support systems, training on living in permanent housing, and a warm handoff to housing navigators or housing Partners.
- 5. General Case Management: Partners are expected to clearly outline the case management activities that constitute successful program participation by the shelter guest. These activities include, but are not limited to, life skills and healthy relationships development and education, housing search and placement, peer navigation, transportation assistance, comprehensive benefit enrollment, and obtaining vital documents.
- 6. **Rapid Resolution:** Contractor must engage in a Rapid Resolution conversation with shelter guests. Specifically, Rapid Resolution focuses on:
 - a. Divert clients from shelters at the point of entry when appropriate.
 - b. Explore immediate housing options, such as reuniting with family, moving in with friends, or finding other safe and appropriate alternatives.
 - c. Provide limited financial or problem-solving support, like transportation costs, security deposits, short-term mediation with landlords or family members, or small rent payments.
- 7. **Mental, Behavioral, Medical, and Substance Dependency:** Activities may include referrals or direct services such as counseling, crisis intervention services, access to substance dependency groups, treatment, and detox programs, on-site or off-site health services including physician-level care and pharmacy services, and referrals for tests.
- 8. **Benefits Assistance:** Assist guests with applying for, or maintaining, benefits such as health insurance, income support, and/or food assistance.
- 9. **Workforce Development**: Partners should include activities that promote employment education and expand job opportunities.

E. NCS Operations

- 1. Shelter Operations will facilitate environments that are safe, hygienic, accessible, equitable, inclusive, and hospitable to all eligible shelter guests.
- 2. Services must provide regular and emergency general building repair and maintenance services such as trash removal from premises to exterior dumpsters, exterior litter removal, pest control, snow removal from sidewalks and egress/regress areas, changing light bulbs, minor repairs to plugged toilets and leaky faucets, and others as necessary.
- 3. Custodial and Janitorial services, including sanitation, cleaning, and other activities and responsibilities required to facilitate shelter environments that are safe and hygienic.
- 4. Contractor must conduct inspections of the facility on a weekly basis and report back to HOST. Inspections include the exterior of the building, building systems, common areas, and individual units.
- 5. Laundry Services must provide laundered linens at minimum every seven (7) consecutive days of guests' stay.
- 6. Contractor will communicate regularly with HOST if they are unable to meet the expectation of rooms being turned over within a week of client discharge.

B. The City will:

- 1. Provide signage that includes information about the City and County of Denver's Anti-Discrimination Office in both Spanish and English.
- 2. Provide access to sensitivity training and curricula for other required trainings for staff.
- 3. Provide access to the HOST Program Standards document and HOST will communicate any changes or updates made to the document and ensure that the most current version is made available to partners in a timely manner.

IV. EQUITY ACCESS AND OUTCOMES

The Department of Housing Stability, in alignment with the Mayor's Office of Social Equity and Innovation, values racial equity and inclusiveness and seeks to reflect this value in our funding practices. Our commitment to producing racially equitable housing outcomes is paramount to HOST's overall mission of Denver residents being healthy, housed and connected. HOST requires all programs it funds to report on the demographic characteristics of households served by the program throughout the duration of the contract in coordination with other required reporting. The contractor will also report on the demographics of staff working on this program throughout the duration of this contract.

Specific information outlining the required data systems to be used and data to be collected are contained within the scope of work of this contract. This information will help HOST monitor demographic trends in who is served. The underlying objective of collecting and disaggregating data and outcomes by race is to understand who is currently served by HOST funded programs. This information will help inform future evaluation on any potential disparate impacts across HOST programs, as well as strategies to help address equity in access to and outcomes from programs where appropriate. Additionally, HOST program and monitoring staff will be reviewing data, and will discuss your program's progress or challenges towards racially equitable services and outcomes at site visits and monitoring.

V. PERFORMANCE METRICS

- A. This is a performance-based contract in which payments are made based on specific performance metrics. Note that to receive payment under this contract, the Contractor must fulfill the responsibilities outlined in this Scope of Work
- B. Payment is based on Contractor's performance across four metrics, which are designed to ensure the full utilization of available shelter beds and the provision of services that will lead to positive housing exits.

C. **Definitions:**

Shelter Nights: The provision of a bed and other essential needs for a household on a nightly basis. A performance payment is awarded for each household sheltered each night.

Rapid Resolution at Intake: The use of one-time funds and case management to quickly exit a household from homelessness. A performance payment is awarded for each unique household engaging in a Rapid Resolution Conversation within 5 days of enrollment. This initial Rapid Resolution Conversation does not count as Housing Focused Case Management.

<u>Housing Focused Case Management</u>: The offering of regular case management that works with a household to rehouse them into permanent or stable housing; this includes a variety of services outlined in the Homelessness Management Information System (HMIS), including Rapid Resolution after the initial intake conversation. A performance payment is awarded for each Housing Focused Case Management session per household, up to 4 times per month. Note that only one Housing

Focused Case Management session per day will be counted toward this goal and must be with the designated Head of Household.

Active in Community Queue for Housing: A performance payment is awarded for each household with a Coordinated Entry Assessment that was completed less than one-year ago and is active on the OneHome or VA community queue each month. Note that being in the queue is required for all households seeking housing assistance through Denver's homelessness response system.

D. The targets for each metric are listed below. If Contractor surpasses the performance target, the Contractor will be eligible for additional payment for that performance metric, provided it will not exceed the maximum contract value. If Contractor does not achieve the performance target, the Contractor will still be eligible for payment proportional with the number of performance metrics achieved.
