H. Establish policies and procedures to secure and protect all Equipment and Controlled Assets, as such terms are defined below in paragraph 22.B, of this Agreement, purchased with funds provided under this Agreement, against theft, loss, damage, misuse or misappropriation. Such policies and procedures will include but are not limited to methods to prevent the use of e-mail and Internet services for non-business purposes.

I. Operate Head Start programs as designated by the City and County of Denver and in accordance with the hours and days set forth on **Exhibit C**, the Calendar of Times and Days of Operation. If the Contractor determines it is in the best interests of children and families of children enrolled in the City's Head Start programs to change any service area assigned to the Contractor or the hours of operation from the hours stated in Exhibit C, it will, in writing, notify the Director and request the Director's approval of, the proposed new location or hours of operation and the reasons why the location or hours of operation should be changed (as appropriate). The Contractor's notice of proposed change will be delivered to the Director at least thirty (30) calendar days prior to the date the requested change is to be effective. Contractor will not deviate from its assigned service area or change any hours of operation until the City has approved in advance Contractor's notice of proposed change from assigned service area or hours of operation.

In the event of an emergency (an unforeseen event that endangers the health or safety of children enrolled in Contractor's Head Start programs), the Contractor may cease program operations for a limited period of time; provided, however, that Contractor will immediately take all necessary and appropriate measures to ensure that services are immediately reinstated for any and all children enrolled in Contractor's Head Start programs that may be displaced as a result of an emergency. In the event that Contractor ceases program operations as a result of an emergency, the Contractor will notify the Director of the cessation in program operations, the site or facility where program operations ceased, the actions taken by Contractor in response to the emergency, and Contractor's estimate as to when services will be reestablished at the

J. Maintain program operations for the length of the Program Year as set forth in Exhibit C. If the Contractor changes the length of the Program Year or deviates in any manner from Exhibit C, Contractor will obtain the written approval of the City at least thirty (30) calendar days prior to the date the requested change is to be effective. Failure to request the advance written approval of the City will be deemed to be a default under this Agreement and may result in the City invoking any or all remedies stated in paragraph 21 below.

K. Pursuant to applicable provisions of the Head Start Performance Standards, the Contractor will include in all Head Start meals those foods that conform to the "minimum standards" for meal patterns in accordance with any and all guidance issued by the ACF. Contractor will comply with all requirements stated in 45 C.F.R. 1304.23 as may be amended from time to time and will ensure that any and all subcontractors will comply with said provisions.

L. Comply with all directives of the City issued in the form of a City issued monitoring report within all timeframes designated in said City monitoring report. The Contractor will deliver to the City written confirmation of compliance with said directives on or before a date reasonably designated by the Director. If the Contractor cannot in good faith comply with any directive contained in a City monitoring report by the deadline established by the Director, the Contractor will notify the Director, on or before the deadline for written confirmation of compliance, in writing of the reasons why Contractor is unable to comply with a required directive and will propose a new date upon which the Contractor expects to comply with said directive. The Director will approve or disapprove of this new timeframe in writing.

M. Obtain, for each child enrolled in the Delegate Agency's Head Start program, a student identification number from the Local Education Agency (LEA) for the City and County of Denver and maintain this information in a comprehensive up-to-date report consistent with any format designated by the City.

N. Maintain at all times its funded enrollment level as designated by the City. If any vacancy occurs in any of Contractor's Head Start programs, the Contractor will fill such vacancy within thirty (30) calendar days. The Contractor may, however, to the extent permitted by 45 C.F.R. 1305.7(b), elect not to fill a vacancy when sixty (60) calendar days or fewer remain in the program's enrollment year (July 1-June 30). The contractor will determine eligibility for enrollment in Head Start programs based on family income in strict accordance with Section 645 (a)(1)(B) of the Head Start Act.

7. COMPENSATION:

A. Budget: The City shall pay and the Contractor shall accept as the

sole compensation for services rendered and costs incurred under the Agreement in accordance with the budget contained in Exhibit B.

B. Reimbursable Expenses: Except as set forth on Exhibit B, there are no reimbursable expenses allowed under the Agreement.

C. Invoices/Budget modifications.

(1) Contractor shall provide the City with a monthly invoice in a format and with a level of detail acceptable to the City including all supporting documentation required by the City. Contractor will submit invoices monthly no later than the last business day of the following month for which Contractor seeks reimbursement. The Contractor will use its allotted funds up to Maximum Contract Amount in accordance with the approved program narrative, budget documents and detailed budget categories. The City's Prompt Payment Ordinance, §§ 20-107 to 20-118, D.R.M.C., applies to invoicing and payment under this Agreement. The amounts invoiced by Contractor will be payable upon receipt and acceptance of designated work product as set forth herein and as fully documented by Contractor's periodic invoice. Funds payable by the City hereunder shall be distributed to the Contractor on a reimbursement basis only, for work performed during the prior month. Invoices submitted for services rendered that are submitted after such deadline are considered to be untimely, and must be submitted separately to be considered for payment. Payment for such late-submitted invoices shall be made only upon a showing of good cause for the late submission. Payments to the Contractor are subject to the submission of approved Contractor invoices to the City.

(2) The Contractor will abide by applicable City Law and Federal regulations at 45 CFR Parts 74.25 and 92.30 concerning any permitted modifications to Exhibit B, including any programmatic changes described therein prior to making such a change; provided, however, that no modification to Exhibit B will increase the Maximum Contract Amount. Any proposed modification of more than ten percent of the amounts listed on the line item categories listed on Exhibit B will not take effect unless and until it is approved in writing by both parties' authorized representatives, approved as to form by the City Attorney's office, and filed by the Head Start Office with the Denver Clerk and Recorder. Any such modification will contain the date upon which the modified budget will take effect and the City's Contract Control number stated on the signature page of this Agreement. Any modifications to Exhibit B that requires an increase to the Maximum Contract Amount will be memorialized in writing by revising and restating said exhibit and approved by the parties by a written Amendatory Agreement or new Agreement prepared and executed by both parties in the same manner as this Agreement.

D. Maximum Contract Amount:

(1) Notwithstanding any other provision of the Agreement, the City's maximum payment obligation will not exceed **One Million Seven Hundred Twenty Two Thousand Forty Six Dollars and Zero Cents (\$1,722,046.00)** (the "Maximum Contract Amount"). The City is not obligated to execute an Agreement or any amendments for any further services, including any services performed by Contractor

beyond that specifically described in **Exhibit A**. Any services performed beyond those in Exhibit A are performed at Contractor's risk and without authorization under the Agreement.

(2) The City's payment obligation, whether direct or contingent, extends only to federal funds received for the Head Start program, appropriated annually by the Denver City Council, paid into the Treasury of the City, and encumbered for the purpose of the Agreement. The City does not by the Agreement irrevocably pledge present cash reserves for payment or performance in future fiscal years. The Agreement does not and is not intended to create a multiple-fiscal year direct or indirect debt or financial obligation of the City.

E. Recovery of incorrect payments. The City has the right to recover from the Contractor any and all incorrect payments issued to the Contractor due to any omission, error, fraud, and/or defalcation including but not limited to applying a deduction from subsequent payments under this Agreement or other means of recovery by the City as a debt due to the City or otherwise as provided by law.

F. Non-Federal Share Match. The Contractor will provide its proportionate share of non-federal funds through cash or in-kind, fairly evaluated, contributions. The phrase "fairly evaluated" referenced in the preceding sentence will be interpreted in accordance with 45 C.F.R. Part 74.23 and/or 45 C.F.R. Part 92.24 as well as any other applicable federal regulations pertaining to match and cost sharing requirements for the Head Start program. Contractor's contribution under this Agreement will be **Four Hundred Thirty Thousand Five Hundred Eleven Dollars and Fifty Cents (\$430,511.50)** as set forth in more detail in Exhibit B. The Contractor will report in writing to the City, within thirty (30) calendar days from the date of receipt thereof, any cash or other funds to be applied toward the nonfederal match that Contractor receives. Contractor will be responsible for documenting and maintaining accurate records to the reasonable satisfaction of the City both Contractors' non-federal share contributions and the contributions of Subdelegates and any Vendor designated by the Director. Such contributions will be recorded on each expenditure variance report and in written reports forwarded to the City on a monthly basis. Each monthly report will list all contributions provided by Contractor and/or its Subdelegates and/or any Vendor for each respective quarter and will list the total amount of contributions made as of the date of the monthly report. The City reserves the right to withhold, adjust and/or reallocate subsequent Grant funds whenever it determines that Contractor's current spending is inconsistent with amounts and categories listed on **Exhibit B**, the purposes identified in **Exhibit A**, or if reports of nonfederal share contributions, in whole or in part, are not provided by Contractor on a timely basis.

G. Expenditure Variance Reports. The Contractor will prepare and submit to the City, according to the schedule in Exhibit D or a date agreed upon in writing by the parties, a Expenditure Variance Report setting out in detail the following information: 1) a description by category of the amount and nature of all monies expended by Contractor during the budget period designated in the Contractor's Expenditure

Variance Report; and 2) all non-federal share contributions made by Contractor during the budget period designated in Contractor's expenditure variances.

Every one of Contractor's Expenditure Variance Reports will be certified to be correct by an authorized representative of Contractor and will reference the Contract Control number of this Agreement as designated below on the City's signature page. Every one of Contractor's Expenditure Variance Reports will be submitted with official documentation evidencing, in detail, the nature and propriety of the charges including general ledgers, transaction listings, journals, invoices paid by the Contractor that equals or exceeds One Thousand Dollars (\$1,000.00) for any transaction, time sheets, payrolls, receipts and any other document which may be pertinent in light of the nature of services to be performed under this Agreement and showing that services were performed within the period for which the payment is requested. Contractor will make available to the City and provide the City with a copy of any and all such documentation upon request.

H. Federal Funds Contingency/Appropriations. The Contractor understands that as of the date of the execution of this Agreement, the City has only received a notice of intent to award federal funds from the HHS for Head Start programs. In the event that the City is awarded funds in an amount less than the amount reflected in said notice of intent, then the total amount of compensation to be paid to the Contractor will be reduced and Contractor's Exhibit B will be revised accordingly. Moreover, it is acknowledged by the parties that if and when HHS issues the first official notice of financial award to the City to fund Head Start operations for Program Year 2016-2017, HHS may issue only a partial financial award for program costs for Program Year 2016-2017. If, during the term of this Agreement, HHS later issues official notice of financial award to further fund Head Start programs beyond the amount stated in the initial notice of intent, then such funds may only be disbursed to the Contractor through a written amendatory agreement executed by the parties in the same manner as this Agreement.

All payments under this Agreement, whether in whole or in part, are subject to and contingent upon the continuing availability of federal funds for the purposes of Head Start. In the event that federal funds, or any part thereof, are not awarded to the City or are reduced or eliminated by the federal government, the City may reduce the total amount of compensation to be paid to the Contractor by revising Exhibit B or it may terminate this Agreement.

I. Updated Program Conditions: Contractor acknowledges that ACF has issued a Notice of Proposed Rulemaking (NPRM) on June 19, 2015, proposing changes to current Head Start program requirements. See, 80 Federal Register 35502. If the NPRM is adopted by ACF by final rule published in the Federal Register or if other requirements are lawfully imposed on the Head Start Program by the federal government or by the City by law, executive order, rules and regulations, or written policy instrument, the Contractor shall comply with all such updated or additional requirements. If the Contractor is unable or unwilling to comply with an updated or additional requirement concerning the administration of the Head Start Program, the City may withhold payment to the Contractor of any unearned funds or terminate this Agreement in accordance with

Section 20.A.2. below. If the City withholds payment for this reason, the City shall advise the Contractor and specify the actions that must be taken as a condition precedent to the resumption of payments.

8. REPORTS:

A. The Contractor will establish and maintain reporting systems in accordance with any and all policies, procedures and directives of the City concerning reporting requirements of delegate agencies and will require any and all Subdelegates and any Vendor to establish and maintain said reporting systems. In addition to any other reports required or requested under this Agreement, the Contractor will prepare and submit the following reports and will require any and all Subdelegates and, as directed by the Director, any Vendor to prepare and submit the following reports:

(1) Enrollment Report. The Enrollment Report will include the number of children actually enrolled by Contractor in Head Start programs by site and program option in the following categories: age, ethnicity, language, and gender. Contractor will monitor at all times the number of students it has enrolled for Head Start services and will promptly identify any and all vacancies.

In the event that the Contractor determines that it has not maintained the designated number of enrolled students, the Contractor will include in the Enrollment Report a detailed explanation as to why such levels were not maintained and a detailed description of how Contractor will return said levels to the designated number. The Enrollment Report will be consistent with any format designated by the City;

(2) Attendance Report. The Attendance Report will include attendance for all approved program options on a monthly basis. Contractor will monitor at all times and report the monthly average daily attendance rate of students that it has enrolled for Head Start services in all program options. When the monthly average daily attendance rate in a center-based program falls below eighty-five percent (85%), the Contractor will, in accordance with 45 C.F.R. 1305.8, include in the Attendance Report a detailed explanation as to why such attendance rate was not maintained and a detailed description of how the Contractor will return the attendance rate to the designated level, and the number of absences that occur on consecutive days. The Attendance Report will be consistent with any format designated by the City;

(3) Personnel Report. The Personnel Report will include quarterly and year to date employment status for all staff and contract employees performing Head Start duties, including the position held by such persons and a listing of which positions, if any, are unfilled. The Personnel Report will be consistent with any format designated by the City;

(4) Expenditure Variance Report. The Expenditure Variance Report will include the information designated in paragraph 7.E of this Agreement concerning monthly expenditures, invoices, and non-federal share match requirements. The Expenditure Variance Report will be consistent with any format designated by the

City.

(5) United States Department of Agriculture (USDA) Report.

The USDA Report will include a complete listing of all funds reimbursed to the Contractor by the U.S. Dept. Of Agriculture for the costs of providing meals for children enrolled in or otherwise served by Head Start programs and will be consistent with any format designated by the City;

(6) Self-Assessment Report.

The Self-Assessment Report will include a description of the progress of work set forth in Exhibits A and B as well as an evaluation of the effectiveness of Contractor's management systems, child development and health services, family and community partnerships, program design and fiscal management operations information and will be consistent with any format designated by the City;

(7) Administrative and Development Costs Report.

The Administrative and Development Costs Report will include an itemized description of all costs and expenses incurred relating to the administration and management of Head Start programs and will be consistent with any format designated by the City;

(8) Other Reports.

The Contractor will prepare and submit any other report or information pertaining to the administration of Head Start programs and expenditure of Head Start funds as requested by the City; any and all official reports for federal, state and local governmental entities, as required by applicable law; and will prepare and maintain all records, statements and information as required by applicable federal, state and local laws for the purpose of carrying out the provisions of this Agreement or the Grant.

(9) Inventory Report.

In accordance with paragraph 22.B below, the Contractor will establish and submit to the Head Start Director on a date designated by the Director, or the Director's designated representative, an annual inventory list, in such format as designated by the City's Head Start Director, of all Equipment and Controlled Assets purchased under this Agreement. The date for submission of the Inventory Report may be set forth in Exhibit D or, if not contained therein, will be separately designated by the Director or the Director's designated representative.

B. The reports required in this paragraph 8 will be submitted in accordance with the schedule set forth in **Exhibit D**. If Contractor does not submit such reports in accordance with Exhibit D, the City may determine and find that such failure constitutes an act of noncompliance, a deficiency or an event of default and the City may invoke any remedy provided in this Agreement or otherwise available to the City by law. If Contractor does not submit such reports in accordance with Exhibit D and no further payments are due from the City, then such failure will automatically be deemed to be an event of default and the City may, in addition to any other remedies provided in this Agreement or available to the City by law, deny Contractor any future awards, grants, or contracts of any nature by the City.

9. PERFORMANCE MONITORING/INSPECTION: The Contractor will permit the Director or any other governmental agency authorized by law, or their respective authorized designees, to monitor all activities conducted by the Contractor pursuant to the terms of this Agreement and inspect any and all files, records, reports, policies, minutes, materials, books, documents, papers, invoices, accounts, payrolls and other data, whether in hardcopy or electronic format, relating to any matter covered by this Agreement. As the monitoring agency may in its sole discretion deem necessary or appropriate, such monitoring may consist of reviewing methods, procedures and practices, examining internal evaluation procedures, examining program data, on-site observation, on-site verification, formal and informal audit examinations, attending all meetings, hearings, or proceedings held by the Contractor, its Board of Directors, or its employees or any other reasonable procedures relating to the performance of services under this Agreement. All such monitoring and inspection will be performed in a manner that will not unduly interfere with the services to be provided under this Agreement. The Contractor will make available for inspection by the Director or the Director's designated representative any and all files, records, reports, policies, minutes, materials, books, documents, papers, invoices, accounts, payrolls and other data, whether in hardcopy or electronic format, relating to any matter covered by this Agreement.

10. STATUS OF CONTRACTOR: The Contractor is an independent contractor retained to perform professional or technical services for limited periods of time. Neither the Contractor nor any of its employees are employees or officers of the City under Chapter 18 of the Denver Revised Municipal Code, or for any purpose whatsoever.

11. EXAMINATION OF CONTRACTOR RECORDS:

A. Any authorized agent of the City including the City Auditor or the Auditor's representative, or any authorized agent of the federal government has the right to access and the right to examine any pertinent books, documents, papers and records of the Contractor, involving transactions related to this Agreement until the latter of three (3) years after the final payment under the Agreement or expiration of the applicable statute of limitations.

B. The Contractor will keep true and complete records of all business transactions under this Agreement, will establish and maintain a system of bookkeeping satisfactory to the City's Auditor and give the City's authorized representatives access during reasonable hours to such books and records, except those matters required to be kept confidential by law. The Contractor agrees that it will keep and preserve for at least three (3) years all evidence of business transacted under this Agreement for such period.

C. The Contractor acknowledges that it is subject to any and all applicable regulations or guidance of the United States Office of Management and Budget including, but not limited to, all applicable laws, rules, regulations, policy statements, and guidance issued by the Federal Government (including the United States Office of Management and Budget), regarding audit requirements.

12. AUDIT REQUIREMENTS:

A. The Contractor will cause an annual single audit of Head Start services provided under this Agreement to be prepared by an independent auditor in accordance with applicable federal, state and City laws. Where required by applicable federal, state or city law, Contractor's auditor will provide an accounting certification that the audit was conducted in accordance with applicable standards set forth in the U.S. Office of Management and Budget ("OMB") circulars. All accounting practices will be in conformance with generally accepted principles.

B. Contractor will complete and deliver two copies of its audit report no later than six (6) months after the Contractor's prior budget year unless such time frames are extended in writing by the responsible HHS official. If the responsible HHS official extends said time frames, in writing, then Contractor's audit report will be submitted to the City at least two months prior to the new deadline. Contractor's agreements with any Subdelegates or any Vendor will contain a clause stating that Subdelegates or Vendors, as appropriate, are subject to the Audit Requirements of this Agreement or as may be imposed by federal, state and City law. Contractor's audit will either include an audit of Subdelegates and any Vendor, unless said Vendor has been exempted in writing by the Director, or Contractor will cause Subdelegates and, if directed in writing by the Director, any Vendor to provide separately their own independent audits. If a Subdelegate or Vendor conducts its own audit for Head Start services provided hereunder, then the Contractor will provide two copies of such audit or the portions that pertain to Head Start services along with Contractor's audit or portions thereof. Final financial settlement under this Agreement will be contingent upon receipt and acceptance of Contractor's audit and the audits of Contractor's Subdelegates and any Vendor.

C. If, as a result of any audit relating to the fiscal performance of Contractor or its Subdelegates concerning Head Start programs, the City receives notice of any irregularities or deficiencies in said audits, then the City will notify the Contractor of such irregularities or deficiencies. The Contractor will correct all identified irregularities or deficiencies within the time frames designated in the City's written notice. If the identified irregularities or deficiencies cannot be corrected by the date designated by the City, then Contractor will so notify the City in writing and will identify a date that Contractor expects to correct the irregularities or deficiencies; provided, however, that if Contractor's notice is dated within thirty calendar days prior to the deadline established or permitted by the ACF, then Contractor's corrections will be made and submitted to the City on or before the fifth working day from said federal deadline. If corrections are not made by such date, then the final resolution of identified deficiencies or disputes will be deemed to be resolved in the City's favor unless the Contractor obtains a resolution in its favor from the responsible HHS official.

D. The Contractor will satisfy the requirements of the Single Audit Act of 1984, codified at 31 U.S.C. §7501, *et seq.*, (Law. Coop Supp. 1997), as may be further amended from time to time, and all applicable Office of Management and Budget Circulars including but not limited to 2 CFR Chapter I, and Chapter II, Parts 200, 215, 220, 225, and 230 Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards. If Contractor determines that it is not subject to the

requirements of the Single Audit Act, it will notify the City in writing within ten (10) calendar days of its determination that it is not subject to the Single Audit.

13. WHEN RIGHTS AND REMEDIES NOT WAIVED: In no event will any payment or other action by the City hereunder constitute or be construed to be a waiver by the City of any breach of covenant or default which may then exist on the part of the Contractor. No payment, or other action, or inaction by the City when any breach or default exists will impair or prejudice any right or remedy available to the City with respect to such breach or default. No assent, expressed or implied, to any breach of any term of Agreement constitutes a waiver of any other breach.

14. INSURANCE:

A. If the Contractor is a “public entity” within the meaning of the Colorado Governmental Immunity Act, §24-10-101, *et seq.*, C.R.S., as amended (“Act”), the Contractor shall maintain insurance, by commercial policy or self-insurance, as is necessary to meet the Contractor’s liabilities under the Act. Proof of such insurance shall be provided upon request by the City.

B. If the Contractor is not a “public entity” then, the following general conditions apply:

(1) General Conditions: Contractor agrees to secure, at or before the time of execution of this Agreement, the following insurance covering all operations, goods or services provided pursuant to this Agreement. Contractor shall keep the required insurance coverage in force at all times during the term of the Agreement, or any extension thereof, during any warranty period, and for three (3) years after termination of the Agreement. The required insurance shall be underwritten by an insurer licensed or authorized to do business in Colorado and rated by A.M. Best Company as “A-”VIII or better. Each policy shall contain a valid provision or endorsement requiring notification to the City in the event any of the required policies be canceled or non-renewed before the expiration date thereof. Such written notice shall be sent to the parties identified in the Notices section of this Agreement. Such notice shall reference the City contract number listed on the signature page of this Agreement. Said notice shall be sent thirty (30) days prior to such cancellation or non-renewal unless due to non-payment of premiums for which notice shall be sent ten (10) days prior. If such written notice is unavailable from the insurer, contractor shall provide written notice of cancellation, non-renewal and any reduction in coverage to the parties identified in the Notices section by certified mail, return receipt requested within three (3) business days of such notice by its insurer(s) and referencing the City’s contract number. If any policy is in excess of a deductible or self-insured retention, the City must be notified by the Contractor. Contractor shall be responsible for the payment of any deductible or self-insured retention. The insurance coverages specified in this Agreement are the minimum requirements, and these requirements do not lessen or limit the liability of the Contractor. The Contractor shall maintain, at its own expense, any additional kinds or amounts of insurance that it may deem necessary to cover its obligations and liabilities under this

Agreement.

(2) **Proof of Insurance:** Contractor shall provide a copy of this Agreement to its insurance agent or broker. Contractor may not commence services or work relating to the Agreement prior to placement of coverage. Contractor certifies that the certificate of insurance attached as **Exhibit E**, preferably an ACORD certificate, complies with all insurance requirements of this Agreement. The City requests that the City's contract number be referenced on the Certificate. The City's acceptance of a certificate of insurance or other proof of insurance that does not comply with all insurance requirements set forth in this Agreement shall not act as a waiver of Contractor's breach of this Agreement or of any of the City's rights or remedies under this Agreement. The City's Risk Management Office may require additional proof of insurance, including but not limited to policies and endorsements.

(3) **Additional Insureds:** For Commercial General Liability and Auto Liability, the Contractor's, Subdelegate's, and Subcontractor's insurer(s) shall name the City and County of Denver, its elected and appointed officials, employees and volunteers as additional insured.

(4) **Waiver of Subrogation:** For all coverages, except Student Accident coverage, Contractor's insurer shall waive subrogation rights against the City.

(5) **Subdelegates, Subcontractors and Subconsultants:** All Subdelegates, Subcontractors and subconsultants (including independent contractors, suppliers or other entities providing goods or services required by this Agreement) shall be subject to all of the requirements herein and shall procure and maintain the same coverages required of the Contractor. Contractor shall include all such Subdelegates or Subcontractors as additional insured under its policies (with the exception of Workers' Compensation) or shall ensure that all such Subdelegates, Subcontractors and subconsultants maintain the required coverages. Contractor agrees to provide proof of insurance for all such Subdelegates, Subcontractors, and subconsultants upon request by the City.

(6) **Workers' Compensation/Employer's Liability Insurance:** Contractor shall maintain the coverage as required by statute for each work location and shall maintain Employer's Liability insurance with limits of \$100,000 per occurrence for each bodily injury claim, \$100,000 per occurrence for each bodily injury caused by disease claim, and \$500,000 aggregate for all bodily injuries caused by disease claims. Contractor expressly represents to the City, as a material representation upon which the City is relying in entering into this Agreement, that none of the Contractor's officers or employees who may be eligible under any statute or law to reject Workers' Compensation Insurance shall effect such rejection during any part of the term of this Agreement, and that any such rejections previously effected, have been revoked as of the date Contractor executes this Agreement.

(7) **Commercial General Liability** Contractor shall maintain a Commercial General Liability insurance policy with limits of \$1,000,000 for each

occurrence, \$1,000,000 for each personal and advertising injury claim, \$2,000,000 products and completed operations aggregate, and \$2,000,000 policy aggregate.

- (ii) Defense costs in excess of policy limits;
- (iii) A severability of interests, separation of insureds or cross liability provision;

(c) Contractor shall advise the City in the event any general aggregate or other aggregate limits are reduced below the required per occurrence limits. At their own expense, and where such general aggregate or other aggregate limits have been reduced below the required per occurrence limit, the Contractor will procure such per occurrence limits and furnish a new certificate of insurance showing such coverage is in force.

(11) Bond. If required by applicable federal law, the Contractor will obtain and keep in force during the term of this Agreement a fidelity bond, in form and surety acceptable to the City, conditioned upon the faithful and honest utilization and handling by the Contractor's employees and officers of all monies paid to

the Contractor by the City pursuant to this Agreement, said bond to protect the City against any malfeasance or misfeasance with respect to such funds on the part of such persons. All appropriate federal officials will authorize any determination made by Contractor that such bond is not required by applicable federal law in writing.

15. LIABILITY: Each party to this Agreement shall be liable for the actions and omissions of its respective officers, agents, employees, Subdelegates, and subcontractors, to the extent provided by the Colorado Governmental Immunity Act. This obligation shall survive termination of this Agreement.

16. TAXES, LATE CHARGES, AND PERMITS: The City is not liable for the payment of taxes, late charges or penalties of any nature, except for any additional amounts that the City may be required to pay under the City's prompt payment ordinance D.R.M.C. § 20-107, *et seq.* The Contractor hereby represents that it is exempt for the payment of taxes, state or federal sales, use, withholding, excise, personal property, value-added or similar taxes, assessments of any nature; however, any applicable taxes required by current local, state or federal laws, hereafter enacted or amended, the Contractor shall promptly pay when due, all such taxes, bills, debts and obligations it incurs performing the services under the Agreement and shall not allow any lien, mortgage, judgment or execution to be filed against City property, utilized by the Contractor in performing services under this Agreement, including City-owned land, facilities, improvements, or equipment.

17. ASSIGNMENT AND SUBCONTRACTING:

A. By the City. The City may assign or transfer this Agreement at its discretion or when required by the ACF.

B. By the Contractor. The Contractor shall not voluntarily or involuntarily assign any of its rights or obligations, or subcontract performance obligations, under this Agreement without obtaining the Director's prior written consent. Any assignment or subcontracting without such consent will be ineffective and void, and shall be cause for termination of this Agreement by the City. The Director has sole and absolute discretion whether to consent to any assignment or subcontracting, or to terminate the Agreement because of unauthorized assignment or subcontracting. In the event of any subcontracting or unauthorized assignment: (i) the Contractor shall remain responsible to the City; and (ii) no contractual relationship shall be created between the City and the Subdelegate, sub-consultant, subcontractor or assignee.

Services subcontracted to Subdelegates under this Agreement shall be specified by written agreement and will be subject to each applicable provision of this Agreement and any and all applicable Federal and State Laws with appropriate changes in nomenclature in referring to such subcontract. The Contractor will submit proposed subcontract agreements to the Director for the Director's review and approval no later than thirty (30) calendar days prior to the commencement of the Program Year or the commencement date of the proposed contract whichever is later. Such consent of the City obtained as required by this paragraph shall not be construed to constitute a

determination of approval of any cost under this Agreement, unless such approval specifically provides that it also constitutes a determination of approval of such cost. Any approved use of any Subdelegate or any Vendor will be on a reimbursement basis only.

18. DEFICIENCIES/NONCOMPLIANCE:

A. Deficiencies. The City has the right at all times to determine, in its sole discretion, that Contractor has one or more deficiencies (“Deficiencies”), as such term is defined at 45 C.F.R. Section 1304.3(a)(6) and as such section may be amended from time to time. If the Director finds that the Contractor has Deficiencies, the Director will notify the Contractor in writing of such findings of Deficiencies (“Notice of Findings of Deficiencies”). The Notice of Findings will identify the Deficiencies to be corrected and will state that the Contractor is to correct the Deficiencies immediately or must instead develop a Quality Improvement Plan (the “Quality Improvement Plan”) to correct the Deficiencies.

B. Quality Improvement Plan to Correct Deficiencies. Upon receipt of the Notice of Findings of Deficiencies, the Contractor will correct all identified Deficiencies either immediately or pursuant to a Quality Improvement Plan. If the Contractor is to correct all identified Deficiencies immediately, the Contractor will verify in writing to the Director, no later than ten (10) calendar days from the date of actual completion of corrective action that Contractor corrected the Deficiencies and will state the measures taken to correct the Deficiencies.

If the Contractor is to develop a Quality Improvement Plan, the Contractor will submit to the Director for the Director’s approval, within ten (10) calendar days of the date of the Notice of Findings of Deficiencies, a Quality Improvement Plan that identifies all appropriate actions that the Contractor will undertake to correct each identified deficiency and the date that Contractor expects to complete the Quality Improvement Plan. Within thirty (30) calendar days of the date of receipt of Contractor’s proposed Quality Improvement Plan, the Director will notify the Contractor in writing of the Director’s approval or disapproval. If the Director disapproves of the Quality Improvement plan, the Director will inform the Contractor of the reasons why it so disapproved of the Quality Improvement Plan. If the Quality Improvement Plan is disapproved, the Contractor must submit a revised Quality Improvement Plan, making the changes necessary to address the reasons why the initial Quality Improvement Plan was disapproved. If the Director does not approve or disapprove of the Quality Improvement Plan within ten (10) calendar days of the date of receipt, the City will be deemed to have approved the Quality Improvement Plan.

Within three (3) business days of the date specified in the Quality Improvement Plan for the correction of each identified deficiency, the Contractor will verify in writing to the Director that it corrected each identified deficiency according to the Quality Improvement Plan and will further state the measures taken to correct each identified deficiency. If the Contractor does not complete the Quality Improvement Plan on or before the date designated for completion, the Contractor will provide written notice to the

Director within twenty-four (24) hours of the date designated for completion and will state the reasons why the Contractor did not complete the Quality Improvement Plan and provide a new date of expected completion. Contractor's notice of non-completion of the Quality Improvement Plan will not be deemed to be a waiver of Contractor's obligations under the original Quality Improvement Plan. In no case will the deadline proposed in any Quality Improvement Plan exceed one year from the date that the Contractor received official notification of the deficiencies to be corrected.

C. Findings of Noncompliance. The City further reserves the right at all times to determine, in its sole discretion, that the Contractor is not in compliance with any provisions of this Agreement which noncompliance does not constitute a deficiency, as such term is defined by the federal government for Head Start purposes, at 45 C.F.R. 1304.3(a)(6). If the Director finds that the Contractor is not in compliance with any provisions of this Agreement, the Director will notify the Contractor in writing of such findings of noncompliance ("Notice of Findings of Noncompliance"). The Notice of Findings will identify the areas of noncompliance to be corrected and will state the date upon which the Contractor is to correct the areas of noncompliance. If the Contractor is unable or unwilling to correct the specified areas of noncompliance within the time period designated by the City, then the City will issue a Notice of Findings of Deficiency which must be corrected, either immediately or pursuant to a Quality Improvement Plan in accordance with the procedures set forth in subparagraphs (a) and (b) of this paragraph 18.

19. REMEDIES: If the Contractor does not timely correct an identified deficiency within the specified timeframe, then the City may impose any or all of the following remedial actions, in addition to any and all other remedial actions authorized by law:

A. Withhold any or all payments to the Contractor, in whole or in part, until the necessary services or corrections in performance are satisfactorily completed;

B. Deny any and all requests for payment and/or demand reimbursement from Contractor of any and all payments previously made to Contractor for those services or deliverables that have not been satisfactorily performed and which, due to circumstances caused by or within the control of the Contractor, cannot be performed or if performed would be of no value to the City's Head Start program. Denial of requests for payment and demands for reimbursement will be reasonably related to the amount of work or deliverables lost to the City;

C. Suspend or terminate this Agreement, or any portion or portions thereof, upon thirty (30) calendar prior written notice to Contractor;

D. Deny in whole or in part any application or proposal from Contractor for refunding of a Head Start program for a subsequent program year regardless of source of funds;

E. Reduce any application or proposal from Contractor for refunding of

a Head Start program for a subsequent program year by any percentage or amount that is less than the total amount of compensation provided in this Agreement regardless of source of funds;

F. Refuse to award Contractor, in whole or in part, any and all additional funds for expanded or additional services under the City's Head Start Grant;

G. Deny or modify any future awards, grants, or contracts of any nature by the City regardless of funding source for Contractor; or

H. Modify, suspend, remove, or terminate the Services, in whole or in part. If the Services, or any portion thereof, are modified, suspended, removed, or terminated, the Contractor will cooperate with the City in the transfer of the Services as reasonably designated by the City.

20. OTHER GROUNDS FOR TERMINATION:

A. By the City.

1. The City has the right to terminate this Agreement upon thirty (30) calendar days' written notice to Contractor for any default by the Contractor under this Agreement other than the failure to correct an identified deficiency which default has not been cured within the thirty days.

2. The City further has the right to terminate this Agreement upon thirty (30) days' written notice for the convenience of the City, if the Grant is suspended or terminated, in whole or in part, by HHS, or if the Contractor demonstrates to the Director that it is unable or unwilling to comply with any updated or additional program requirements lawfully imposed on the Head Start Program and the Services.

3. Notwithstanding the preceding paragraphs, the City may terminate the Agreement, in whole or in part, if the Contractor or any of its officers or employees who have contact with Head Start children are convicted, plead *nolo contendere*, enter into a formal agreement in which they admit guilt, enter a plea of guilty or otherwise admit culpability to criminal offenses of violence, sexual assault, assault, battery, child abuse or endangerment, neglect of a child, child sexual assault, bribery, kick backs, collusive bidding, bid-rigging, antitrust, fraud, undue influence, theft, racketeering, extortion or any offense of a similar nature in connection with Contractor's business. Termination for the reasons stated in this paragraph is effective upon receipt of notice.

Contractor will timely notify the City in writing if any employee, agent or contractor of Contractor is convicted or found liable, pleads *nolo contendere*, enters into a formal agreement in which the person admits guilt or liability, enters a plea of guilty, or otherwise admits culpability or liability for crimes of violence, sexual assault, assault, battery, child abuse or endangerment, neglect of a child, child sexual assault, bribery, kickbacks, collusive bidding, bid-rigging, antitrust, fraud, undue influence, theft, racketeering,

extortion or any offense of a similar nature, in connection with Contractor's business.

B. By the Contractor. The Contractor may terminate this Agreement for substantial breach by the City, including the failure to compensate Contractor timely for services performed under this Agreement, that has not been corrected within thirty (30) calendar days of Contractor's written notice to do so identifying the breach including but not limited to the City's failure to meet its obligations herein and if additional conditions are lawfully applied by HHS to the Grant and upon the City, and the Contractor is unable or unwilling to comply with such additional conditions, then the Contractor may terminate this Agreement by giving thirty (30) days' written notice signifying the effective date of termination. In such event, the City has the right to require the Contractor to ensure that adequate arrangements have been made for the transfer of Contractor's activities to another Contractor or to the City. In the event of any termination, all property and finished or unfinished documents, data, studies, reports purchased or prepared by the Contractor under this Agreement will be disposed of according to HHS directives. Notwithstanding any other provision contained herein, the Contractor will not be relieved of liability to the City for damages sustained by the City by virtue of any breach of the contract by the Contractor and the City may withhold reimbursement to the Contractor for the purpose of set-off until such time as the exact amount of damages due the City from the Contractor is agreed upon or otherwise determined.

C. Nothing in this Agreement gives the Contractor the right to perform services under this Agreement beyond the time when such services become unsatisfactory to the Director. If the Agreement is terminated with or without cause the Contractor will not have any claim against the City by reason of, or arising out of, incidental or relating to termination, except for compensation for work duly requested and satisfactorily performed as described in the Agreement. In the event that this Agreement is terminated prior to the expiration date specified in paragraph 4 above, Contractor will submit any and all outstanding reports or requested information within forty-five (45) calendar days of the date of early termination. In addition, if this Agreement is terminated, the City is entitled to and will take possession of all materials, equipment, tools and facilities it owns that are in the Contractor's possession, custody, or control by whatever method the City deems expedient.

21. PROCUREMENT:

A. Services and Supplies. All procurement transactions shall be conducted in a manner to provide, to the maximum extent practical, open and free competition. The Contractor shall be alert to organizational conflicts of interest as well as noncompetitive practices among contractors that may restrict or eliminate competition or otherwise restrain trade. The Contractor will establish written procurement services consistent with the "Procurement Standards" contained in 45 C.F.R. §§74.40 -74.48 or 45 C.F.R. §92.36 (whichever is applicable to the Contractor) and consistent with the requirements contained in this Section 21... Services for purposes of this

Agreement do not include Head Start professional services or other professional services. "Supplies" means all tangible personal property other than Equipment as defined below. All procurement decisions for goods, services and supplies made by Contractor and its Subdelegates and any Vendor will be consistent with applicable federal, state, and City laws, statutes, executive orders and regulations. Contractor will further submit a copy of a list of the supplies to the City's Head Start Director upon the expiration of this Agreement or if this Agreement is terminated sooner, then such list will be submitted to the Director within thirty (30) calendar days of the date of termination. Upon the expiration or earlier termination of this Agreement, all remaining Supplies will be returned to the City or disposed of, as the City will direct.

Ownership of all Equipment and Controlled Assets purchased with funds paid under this Agreement by Contractor or Subdelegates or, any Vendor, if such Vendor is designated by the Director in writing, will be in the City and County of Denver. The Contractor will not dispose of any Equipment or Controlled Assets without the prior written approval of the City.

The preceding sentences will not be construed to preclude normal or routine use and consumption of goods and supplies purchased by Contractor or Subdelegates or Vendors, if appropriate, in the provision of Head Start services under this Agreement. Upon the expiration or earlier termination of this Agreement, all Equipment and Controlled Assets purchased with funds under this Agreement will be returned to the City or disposed of, as the City shall direct. The Contractor will establish and submit to the Head Start Director an annual inventory list, in such format as designated by the City's Head Start Director, of all Equipment and Controlled Assets purchased under this Agreement. Contractor will update said inventory list as necessary on a timely basis. The inventory will specify the location of all Equipment and Controlled Assets so purchased. The Contractor will also cause its Subdelegates and, if directed by the Director in writing, any Vendor to establish and maintain a similar list for all Equipment and Controlled Assets purchased with funds provided under this Agreement.

C. Real Property. Contractor will not use Head Start funds to purchase or otherwise acquire title to real property without the prior written consent of the City. Any proposed transaction to acquire title to real property will be made in conformance with applicable federal laws and any and all requirements as may be designated by the City.

The Contractor will not move, change or operate any Head Start program in any other facility or location, unless the City has approved of such move, change or operation in writing, in advance of any contractual obligation and occupancy by the Contractor of such new facility.

C. Smoke and Toxin Free Facilities. All Head Start Sites and facilities operated by the Contractor and its Subdelegates and any Vendor will comply with the provision of 45 C.F.R. Part 1304.53, as may be amended from time to time, which requires all Head Start facilities and locations to be free of toxins. If, at any time during the term of this Agreement, any such health clearance or license is revoked, suspended or modified, or if the Contractor in any other manner loses the clearance or license, the Contractor will give immediate written

notice to the Director. In such an event, the City may, in its sole discretion, order corrective action or suspend or terminate this Agreement. Head Start funds will not be paid to the Contractor to operate a Head Start Program in a site location that is not covered by the aforementioned clearances and/or licenses. If Contractor receives any order, direction, notice or other communication concerning the licensing of any site location assigned to the Contractor by the City, the Contractor will be solely responsible for taking any and all action required to maintain all licenses in good standing. The Contractor will submit a copy to the Director of all such orders, reports, direction, notices or communications within twenty-four (24) hours of Contractor's receipt thereof. (a) It shall not knowingly employ or contract with an illegal alien to perform work under the Agreement.

(b) It shall not enter into a contract with a subconsultant or subcontractor that fails to certify to the Contractor that it shall not knowingly employ or contract with an illegal alien to perform work under the Agreement.

(c) It has confirmed the employment eligibility of all employees who are newly hired for employment to perform work under this Agreement, through participation in the E-Verify Program.

(d) It is prohibited from using the E-Verify Program procedures to undertake pre-employment screening of job applicants while performing its obligations under the Agreement, and that otherwise requires the Contractor to comply with any and all federal requirements related to use of the E-Verify Program including, by

way of example, all program requirements related to employee notification and preservation of employee rights.

(e) If it obtains actual knowledge that a subconsultant or subcontractor performing work under the Agreement knowingly employs or contracts with an illegal alien, it will notify such subconsultant or subcontractor and the City within three (3) days. The Contractor will also then terminate such subconsultant or subcontractor if within three (3) days after such notice the subconsultant or subcontractor does not stop employing or contracting with the illegal alien, unless during such three-day period the subconsultant or subcontractor provides information to establish that the subconsultant or subcontractor has not knowingly employed or contracted with an illegal alien.

(f) It will comply with any reasonable request made in the course of an investigation by the Colorado Department of Labor and Employment under authority of §8-17.5-102(5), C.R.S, or the City Auditor, under authority of D.R.M.C. 20-90.3.

4. The Contractor is liable for any violations as provided in the Certification Ordinance. If Contractor violates any provision of this section or the Certification Ordinance, the City may terminate this Agreement for a breach of the Agreement. If the Agreement is so terminated, the Contractor shall be liable for actual and consequential damages to the City. Any such termination of a contract due to a violation of this section or the Certification Ordinance may also, at the discretion of the City, constitute grounds for disqualifying Contractor from submitting bids or proposals for future contracts with the City.

25. AGREEMENT AS COMPLETE INTEGRATION-AMENDMENTS: The Agreement is the complete integration of all understandings between the parties as to the subject matter of the Agreement. No prior or contemporaneous addition, deletion, or other modification has any force or effect, unless embodied in the Agreement in writing. No subsequent novation, renewal, addition, deletion, or other amendment will have any force or effect unless embodied in a written amendment to the Agreement properly executed by the parties. No oral representation by any officer or employee of the City at variance with the terms of the Agreement or any written amendment to the Agreement will have any force or effect or bind the City. The Agreement is, and any amendments thereto will, be binding upon the parties and their successors and assigns. Amendments to this Agreement will become effective when approved by both parties and executed in the same manner as this Agreement.

26. CONFLICT OF INTEREST:

A. No employee of the City shall have any personal or beneficial interest in the services or property described in the Agreement; and the Contractor shall not hire, or contract for services with, any employee or officer of the City in violation of the City's Code of Ethics, D.R.M.C. §2-51, et seq. or the Charter §§ 1.2.8, 1.2.9, and 1.2.12.

B. The Contractor shall not engage in any transaction, activity or

conduct that would result in a conflict of interest under the Agreement. The Contractor represents that it has disclosed any and all current or potential conflicts of interest which shall include transactions, activities or conduct that would affect the judgment, actions or work of the Contractor by placing the Contractor's own interests, or the interests of any party with whom the Contractor has a contractual arrangement, in conflict with those of the City. The City, in its sole discretion, will determine the existence of a conflict of interest and may terminate the Agreement in the event it determines a conflict exists, after it has given the Contractor written notice describing the conflict. The Contractor will have thirty (30) days after the notice is received to eliminate or cure the conflict of interest in a manner which is acceptable to the City.

Either party during or after the term of this Agreement, may take all actions that it reasonably deems necessary to preserve the confidentiality of the Information including its intervention in any legal proceeding concerning the Information's use or disclosure.

In the event that the Contractor is required to access third party data that includes protected medical records from a third party provider or is required to provide client records that includes protected medical records to the City for purposes of monitoring and evaluating the Contractor's performance under this Agreement, then the Contractor agrees to coordinate with the Agency's staff and the client in obtaining any necessary authorization for release forms.

(2014), and that in the event of a request to the City for disclosure of such information, the City will advise the Contractor of such request in order to give the Contractor the opportunity to object to the disclosure of any of its proprietary or confidential material. In the event of the filing of a lawsuit to compel such disclosure, the City will tender all such material to the court for judicial determination of the issue of disclosure and the Contractor agrees to intervene in such lawsuit to protect and assert its claims of privilege and against disclosure of such material or waive the same.

31. INTELLECTUAL PROPERTY RIGHTS:

A. License of City’s Intellectual Property. The City hereby grants a non-exclusive limited license to the Contractor to use for Head Start purposes only and Head Start program related materials, text, logos, documents, booklets, manuals, references, guides, brochures, applications, forms, advertisements, photographs, data, ideas, methods, inventions, and any other work or recorded information furnished by the City to the Contractor for purposes of this Agreement, whether in preliminary or final forms and on any media whatsoever (collectively, “Materials”). The City shall have the right, in its sole discretion, to either temporarily suspend or permanently terminate the Agreement if there is a dispute as to the legal authority of either Contractor or the person signing the Agreement to enter into the Agreement.

33. NO CONSTRUCTION AGAINST DRAFTING PARTY: The parties and their respective counsel have had the opportunity to review the Agreement, and the Agreement will not be construed against any party merely because the Agreement or any provisions thereof were prepared by a particular party.

34. SURVIVAL OF CERTAIN PROVISIONS: The terms of the Agreement and any exhibits and attachments that by reasonable implication contemplate continued performance, rights, or compliance beyond expiration or termination of the Agreement survive the Agreement and will continue to be enforceable. Without limiting the generality of this provision, the Contractor's obligations to provide insurance will survive for a period equal to any and all relevant statutes of limitation, plus the time necessary to fully resolve any claims, matters, or actions begun within that period.

35. INUREMENT: The rights and obligations of the parties to the Agreement inure to the benefit of and shall be binding upon the parties and their respective successors and assigns, provided assignments are consented to in accordance with the terms of the Agreement.

36. TIME IS OF THE ESSENCE: The parties agree that in the performance of the terms, conditions, and requirements of this Agreement, time is of the essence.

37. NO THIRD PARTY BENEFICIARY: Enforcement of the terms of the Agreement and all rights of action relating to enforcement are strictly reserved to the parties. Nothing contained in the Agreement gives or allows any claim or right of action to any third person or entity. Any person or entity other than the City or the Contractor receiving services or benefits pursuant to the Agreement is an incidental beneficiary only.

38. PARAGRAPH HEADINGS: The captions and headings set forth herein are for convenience of reference only, and shall not be construed as to define or limit the terms and provisions hereof.

39. SEVERABILITY: Except for the provisions of the Agreement requiring appropriation of funds and limiting the total amount payable by the City, if a court of competent jurisdiction finds any provision of the Agreement or any portion thereof to be invalid, illegal, or unenforceable, the validity of the remaining portions or provisions will not be affected, if the intent of the parties can be fulfilled.

40. NO AUTHORITY TO BIND CITY TO CONTRACTS: The Contractor lacks any authority to bind the City on any contractual matters. Final approval of all contractual matters that purport to obligate the City must be executed by the City in accordance with the City's Charter and the D.R.M.C.

43. ELECTRONIC SIGNATURES AND ELECTRONIC RECORDS: Contractor consents to the use of electronic signatures by the City. The Agreement, and any other documents requiring a signature hereunder, may be signed electronically by the City in the manner specified by the City. The Parties agree not to deny the legal effect or enforceability of the Agreement solely because it is in electronic form or because an electronic record was used in its formation. The Parties agree not to object to the admissibility of the Agreement in the form of an electronic record, or a paper copy of an electronic document, or a paper copy of a document bearing an electronic signature, on the ground that it is an electronic record or electronic signature or that it is not in its original form or is not an original.

**Denver Public Schools Head Start
Continuation Application**

For Program Year 2016-2017

Section 1. Program Design and Approach to Service Delivery

Denver Public Schools Head Start (DPSHS) will continue to serve 302 children in 19 Level IV Colorado Shines-rated, six-and-half-hour, full-day classrooms, providing developmentally appropriate educational services for three- and four-year-old children in a safe and nurturing environment. DPSHS serves primarily four-year-olds, with three-year-olds enrolled in mixed-age classrooms. The program promotes the development of young children in all of the Central Domains of the Head Start Early Learning Outcomes Framework 2015 while responding to the needs of families. The program curricula, the Creative Curriculum and Tools of the Mind (in 1 classroom), are aligned with standards implemented in K-12 in Denver Public Schools. These standards include the Common Core State Standards, the Colorado Academic Standards, and the World-Class Instructional Design and Assessment (WIDA) English Language Development Standards ensuring a smooth transition to Kindergarten and beyond. Program staff and teachers are highly qualified and experienced. Classroom teachers are all Early Childhood Education (ECE) qualified with Colorado teaching certificates. As part of the Denver Public Schools (DPS) system, DPSHS draws on a comprehensive web of support services for children and families including translation services, support for homeless families and strong partnerships within and outside the district.

Sub- Section A: Goals

- 1. There are no additions, deletions, or revisions to the DPSHS Long Term Goals, Short Term Objectives and Expected outcomes since last year's application.** The long range goal was previously embedded in every program goal. To clarify it is: School readiness is the overarching goal of the Denver Public Schools Head Start (DPSHS) program.

You will find the progress toward objectives during the 2014-2015 school year and the fall data for the 2015-2016 school year in the next section.

- 2. Progress toward meeting Short Term Objectives and Expected Outcomes of each Long Term Goal.**

- i) All DPSHS children will receive high quality education that ensures they are ready to succeed in school.**

Objective 1: 90 % of DPS Head Start children will meet or exceed expectations in all domains of development.

Progress: In 2014-2015 school year children met or exceeded the widely held expectations in all domains of development with the exception of language with Spanish speakers at 89% and English Speakers at 84%. Their progress was recorded by classroom teachers on the Teaching Strategies Gold Instrument (TS Gold). High percentages of children meeting or exceeding expected growth indicates that DPS children are ready for school based on the results of the nationally normed TS Gold. The program improvements taken to address areas below 90% are listed in Sub-Section C: Approach to School Readiness #3.

Exhibit A

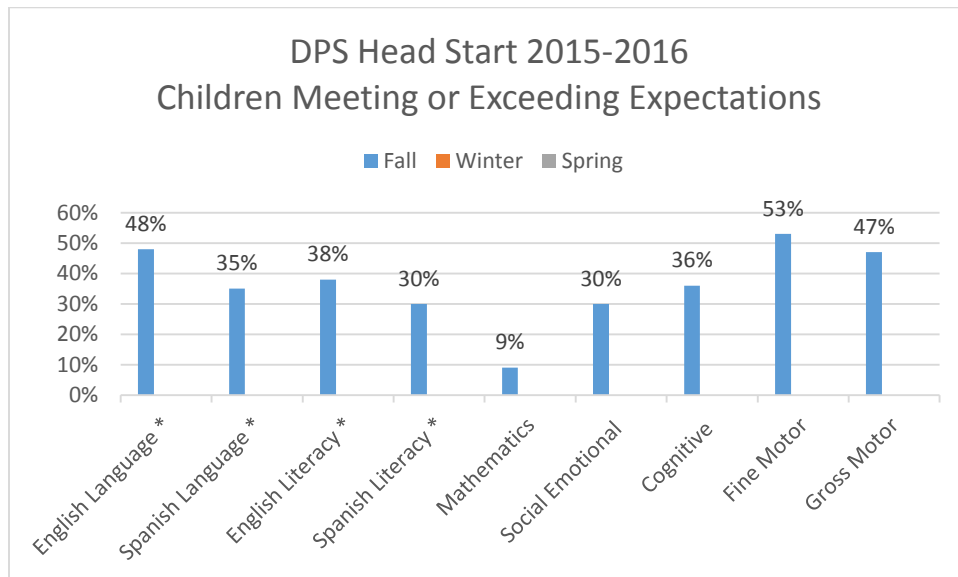

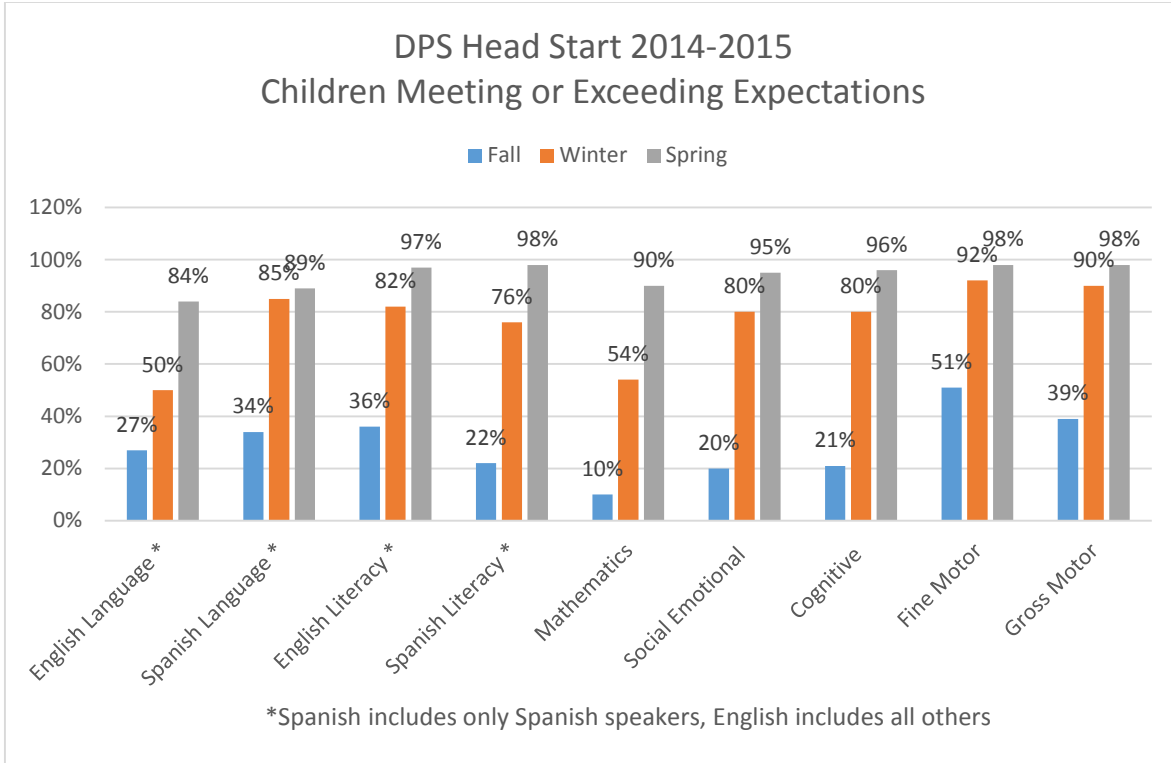

Exhibit A

Objective 2: One hundred percent of DPSHS teachers will have a Baccalaureate or Master's degree in early childhood education or a related field in each year of the grant.

Progress: All teachers in 2014-2015 and 2015-2016 school year have met this expectation.

ii) All DPSHS children will receive high quality health, mental health and nutrition services that ensure they are healthy and ready to succeed in school.

Objective 1: For children that have been referred by the Head Start Nurses for vision follow-up 90% will secure a determination of the need for glasses from a vision professional.

Progress: In the 2014-2015 school year 85% of children that were referred for vision follow-up had secured a determination of the need for glasses from a vision professional. (41 of 48 children). By the end of November 2015, sixty children have been referred for vision follow-up and 10% (6) received follow-up.

Objective 2 – Mental Health: At least 50% of DPS Head Start families will participate in follow up meetings regarding their child's social/emotional development based on the Devereux Early Childhood Assessment (DECA) screenings.

Progress: In the 2014-2015 school year, 53% of Head Start families attended a follow up meeting based on the DECA screenings they completed. In the fall of 2015, 79%

Exhibit A

of families enrolled in the fall attended follow up meetings based on DECA screenings. The large increase in participation was linked to a number of factors.

1. Sharing information about the meeting was a team effort across service areas.
2. The parents who attended last year valued the content and format of the meeting and communicated their satisfaction to others.
3. Early in the year parents often express concern about their own child's adjustment to school. The timing of the meeting was responsive to this need.
4. The meeting was marketed as the first opportunity for a family to get their Five by Five card. Families value the admissions to the venues that the Five by Five provides.

iii) All parents work to improve their own skills and they are engaged as their children's first teacher to ensure children are ready to succeed in school.

Objective 1: 90% of parents will participate in parent center meetings during the school year.

Progress: 97% percent of parents have attended at least one parent meeting during the 2014-2015 school year. As of January 2016, 91% of Head Start students had at least one parent who attended a parent meeting during this school year.

Objective 2: 90% of children will maintain enrollment in the program and end the year with their class.

Exhibit A

Progress: 91% of children that enrolled in the program maintained enrollment in the program in the 2014-2015 school year. As of January 2016, 95% of the children the program enrolled are currently active.

Objective 3: At least 75% of families will receive family services from Head Start to support them in raising children who are ready to succeed in school.

Progress: The DPS Family Service data base indicates that 94% of families have received services in 2014-2015. As of January 2016, data has been entered into the data base to indicate that 36% of families have received resource referrals for services/supports during the 2015- 2016 school year. The percentage of families receiving services in each year of the grant is impacted by the needs and receptivity to services for the specific families enrolled in each school year. Taking into consideration the variation the objective was revised.

Revision of Objective: At least 85% of families will receive family services from Head Start to support them in raising children who are ready to succeed in school.

iv) All DPSHS children with disabilities will experience high quality and inclusive learning environments to ensure they are ready to succeed in school.

Objective 1: 55% of DPS Head Start children with disabilities will meet or exceed expectations in language.

Objective 2: 90% of DPS Head Start children with disabilities will meet or exceed expectations in literacy.

Exhibit A

Objective 3: 75% of DPS Head Start children with disabilities will meet or exceed expectations in mathematics.

Progress: In the 2014-2015 school year 55% of the children met or exceeded expectations in language, 89% in literacy and 70 % in math. In setting the achievement targets the large number of students with speech/language disabilities was considered. Fall Results for 2015-2016 are listed below.

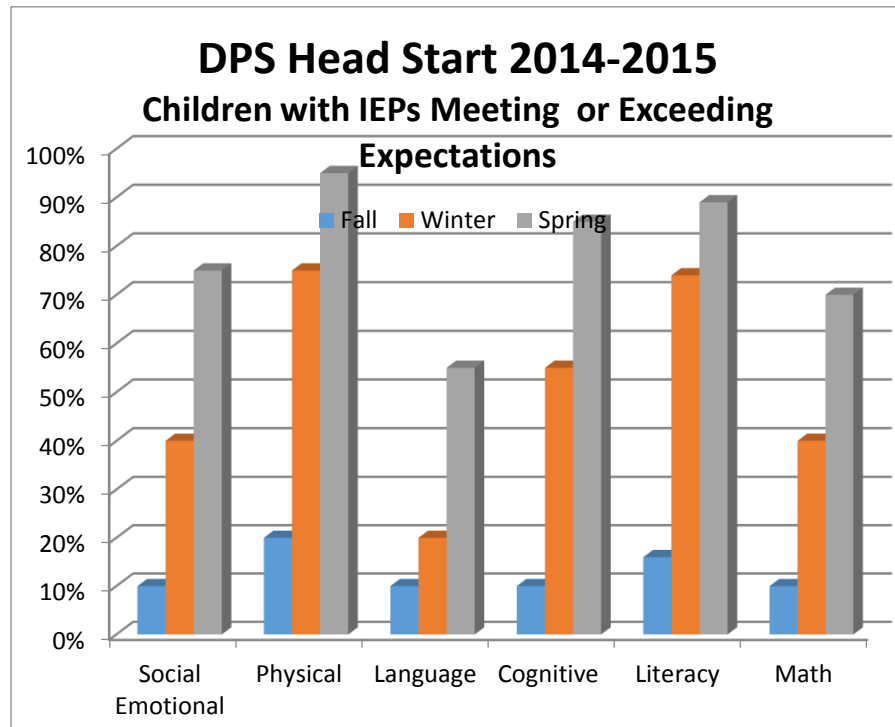

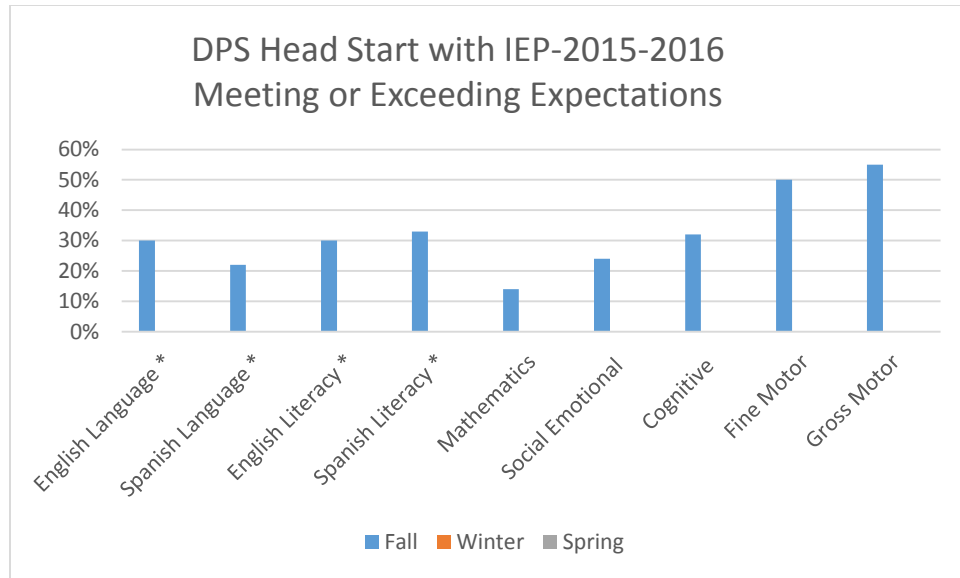

Exhibit A

v) **The fifth goal is: All DPSHS operations and financial administration are efficient and effective, ensuring that resources support preparing DPSHS children for school.**

Objective 1: To acquire non-federal funding needed to provide the preferred program option for DPS Head Start families, full day services to all Head Start children.

Progress: In the 2014-2015 school year DPSHS raised 105% of the required non-federal share. In December of 2015 DPSHS had accounted for 126% of the required in-kind for the year. Adequate funding has been identified to maintain the full day services to all DPSHS students through blended funding with state and local resources.

3. Progress toward Program Impacts: The school readiness of the children as demonstrated by progress in all domains of the *Head Start Early Learning Outcomes*

Exhibit A

Framework 2015 indicate that children will be ready for kindergarten. Having their health needs identified and addressed will support them in maintaining their current trajectory of high levels of development into kindergarten and beyond. Identifying family needs, developing plans to address them, supporting parents to participate in school, and building patterns of consistent school enrollment and attendance will also support children's long term growth. The team effort of the staff to focus on school readiness from day is was evident.

The team focus is fostered in Head Start staff development sessions where Family Liaison Specialists work with the teachers and paraprofessionals serving their families. Together they identify services and approaches based on the children, families and communities they jointly serve. Nurses team with all staff by sharing information about children's needs and family follow-up. Teachers and Family Liaisons incorporate the health information in their connections with families. Coordinators interact with Policy Committee members at meetings and during the self-assessment to identify program improvements that will increase school readiness. Having all classrooms located in an elementary school increases the connection between school, Head Start staff and Head Start parents which puts additional focus on the importance of school readiness.

4. There are no updates or changes to the program's School Readiness Goal.

Sub-Section B: Service Delivery

1,2. Needs of Children and Families and Service Areas: No updates or changes have occurred.

Exhibit A

3. Justification of Proposed Funded Enrollment Program Options: There are no special situations. The only update is that the 302 children will be spread across 20 classrooms (previously 19 classrooms with the additional classroom located at Smith Elementary) and continue to be served through blended funding.

4. Centers and Facilities: There are no updates or changes.

5. Recruitment and Selection Criteria: The Recruitment and Selection Criteria were revised to provide more uniformity in the criteria used to select children for enrollment in the Denver Great Kids Head Start (DGKHS) service area (59.5% of selection criteria), while allowing for variation in the communities served by each delegate (40.5 % of selection criteria). Items and points in the DPSHS section are listed in the chart below. To ensure that the program serves at least 10% of children with disabilities, DPSHS recognizes that many 3-5 year-olds in need of disability services have not been diagnosed with a disability and supplements the points allocated in the DGKHS section with an allocation for a suspected developmental, speech or other delay.

6.-12. Transportation, Educational Services, Health, Family Services and Social Services,

Early Head Start Specific, Transition, Coordination: No updates or changes have occurred.

Sub-Section C: Approach to School Readiness

1. **School Readiness:** No updates or changes to child assessment, curricula or staff-child interaction observation tools have occurred. The specific readiness goal that was listed in the 5 year grant application was reframed based on the new *Head Start Early Learning Outcomes Framework*. It is: "By the end of the school year at least 90% of DPSHS children will meet or exceed widely held/research based expectations in the five Central Domains of Development identified in the Head Start Early Learning Outcomes

Exhibit A

Framework.” The five Central Domains assessed are a) Approaches to Learning, b) Social and Emotional Development, c) Language and Literacy, d) Cognition, and e) Perceptual, Motor, and Physical Development.

The children’s progress in these domains is measured through ongoing assessment by classroom and disabilities staff with the research based TS Gold. The alignment of TS Gold to the five Central Domains is outlined in the Comparison of Standards Chart below. The chart also includes the alignment of the TS Gold Objectives for Development with the K- 12 Standards used by Denver Public Schools. Both the Common Core Standards and the Colorado Academic Standards are currently utilized by DPS in the K- 12 classrooms. The state of Colorado has adopted the Colorado Early Learning and Development Guidelines (CELD). The document developed by the state to introduce the

Exhibit A

CELD include a guideline chart which aligns the CELD to the five Central Domains.

2. **Progress of children and the program towards achieving school readiness in each of the 5 domains.** See charts of DPSHS Children meeting or Exceeding Expectations in Sub-Section A. 2.i. Objective 1. for progress of the children and the program.
3. **Program improvements implemented in response to analysis of child assessment data and other data.** The lowest domains of development identified through analysis of TS Gold data were language development and math. DGKHS identified lower performance in math as a trend across all delegate agencies and implemented math training provided by Erikson Institute. To address the lower performance in math, DPSHS staff

Exhibit A

have participated in the training since it was implemented in 2014. The trend of lower performance in language development is consistent with the low performance of DPS 3rd-grade students on reading on state tests. DPS has implemented specific requirements for English and oral language development for students, including Head Start students, to address the identified need. Implementation of these activities is now recorded in the teacher planning records.

Sub-Section D: Parent, Family, and Community Engagement

1. Program Goals related to family outcomes: There were no updates or changes.

2. Data Sources: No updates or changes have occurred.

3. Program data related to family progress that also supports children’s readiness:

Head Start parent participation in program activities, receipt of services based on identified child and family needs, and parent education support school readiness. The data below demonstrates implementation of family participation that contributes to school success.

Family Support	Percent of DPS Head Start Parents Participating
Submitted documentation of time invested in Parent/ Child activities supporting school success.	75%
Participated in parent meetings at schools	97%
Participated in meetings about Social- Emotional Protective Factors for their child	55%

Received Health Education	72%
Received Parenting Education	90%
Maintained their children's enrollment in Head Start for the entire program year	91%
Brought their child to school regularly as represented by average monthly classroom attendance.	92%

4. Communication of program progress in the area of parent, family, and community

engagement goals and objectives to families: The Family Services Coordinator

organizes a committee comprised of Policy Committee members and other parents to

annually review the goals, objectives and progress in the area of Parent, Family and

Community Engagement. This committee also has a joint meeting with the Family

Liaison Specialists (FLS) to discuss ways the program can more effectively engage and

support parents in developing their own skills and in becoming more engaged in their

child's education, which is the focus of the DPSHS Parent, Family, and Community

Engagement goal of DPSHS. The committee makes a report to the DPSHS Policy

Committee where representatives from classrooms gather information to report back to

schools. In addition the Family Liaison Specialists (FLS) set individual goals with parents

which support their children's development, and their own growth. FLS play a critical

role in communicating the importance of engagement in their child's education as

demonstrated by the 97% of parents attending parent meetings.

Sub-Section E: Governance, Organizational and Management Structures, and Ongoing Oversight.

Exhibit G**Sec. 20-76. - Payment of prevailing wages.**

- (a) *Required.* Every worker, mechanic or other laborer employed by any contractor or subcontractor in the work of drayage or of construction, alteration, improvement, repair, maintenance or demolition of any public building or public work by or in behalf of the city, or for any agency of the city, or financed in whole or in part by the city, or any agency of the city, or engaged in the work of a doorkeeper, caretaker, cleaner, window washer, porter, keeper, janitor, or in similar custodial or janitorial work in connection with the operation of any such public building or the prosecution of any such public work by or in behalf of the city, or for any agency of the city, or financed in whole or in part by the city, or any agency of the city, shall be paid not less than the wages prevailing for the same class and kind of work in the Denver metropolitan area as determined by the career service board under subsection (c). The Denver metropolitan area shall be determined by the career service board. This section shall not apply to any participant in a youth employment program certified by the city where the participant is employed in non-construction work, including the work of materials furnishing, servicing and maintenance of any public building or public work and the work of landscaping that is not performed in connection with the construction or renovation of a public building.
- (b) *Contract specifications.* The specifications for every contract in excess of two thousand dollars (\$2,000.00) to which the city or any of its agencies is a party which requires the performance of work involving drayage or involving construction, alteration, improvements, repairs, maintenance or demolition of any public building or public work, or which requires the performance of the work of a doorkeeper, caretaker, cleaner, window washer, porter, keeper, janitor, or similar custodial or janitorial work in connection with the operation of any such public building or the prosecution of any such public work, shall contain a provision stating that the minimum wages to be paid for every class of laborer, mechanic and worker shall be not less than the scale of wages from time to time determined to be the prevailing wages under subsection (c). Every contract based upon these specifications shall contain a stipulation that the contractor or subcontractor shall pay mechanics, laborers and workers employed directly upon the site of the work the full amounts accrued at time of payment, computed at wage rates not less than those stated or referenced in the specifications, and any addenda thereto, on the actual date of bid opening, or in effect on the date of grant of permit for performance of such work under D.R.M.C. [section 49-171](#) et seq., or on the date of the written purchase order for contracts let by informal procedure under D.R.M.C. [section 20-63\(b\)](#), regardless of any contractual relationship which may be alleged to exist between the contractor or subcontractor and such laborers, mechanics and workers. Increases in prevailing wages subsequent to the date of the contract for a period not to exceed one (1) year shall not be mandatory on either the contractor or subcontractors. Future increases in prevailing wages on contracts whose period of performance exceeds one (1) year shall be mandatory for the contractor and subcontractors only on the yearly anniversary date of the contract. However, as to contracts in effect as of March 1, 2011, future increases in supplemental wage rates for the heavy construction, highway construction and building construction trades approved and published by the career service board shall not become mandatory on the contractor or subcontractors until the second anniversary of the date of publication of the increased supplemental wage rates by the board. Except as provided below, in no event shall any increases in prevailing wages over the amounts thereof as stated in such specifications result in any increased liability on the part of the city, and the possibility and risk of any such increase is assumed by all contractors entering into any such contract with the city. Notwithstanding the foregoing, the city may determine and may expressly provide in the context of specific service agreements that

the city will reimburse the contractor at the increased prevailing wage rate(s). Decreases in prevailing wages subsequent to the date of the contract for a period not to exceed one (1) year shall not be permitted. Decreases in prevailing wages on contracts whose period of performance exceed one (1) year shall not be effective except on the yearly anniversary date of the contract.

(c) *Determination of prevailing wages.*

- (1) The city council hereby declares that it is in the best interests of the city to have a uniform determination of the prevailing wages to be paid to the various classes of laborers, mechanics and workers which will be required in the performance of work covered by this section.
- (2) The city council hereby finds and concludes that the federal government, in implementing the Davis-Bacon Act (40 U.S.C. § 276a to 276a-5), possesses and exercises a superior capability with superior resources to ascertain the basic rate of pay, overtime, and other benefits which accurately represent the current prevailing rate of wages for work covered by that federal law. The career service board shall determine that the prevailing wages applicable to the various classes of laborers, mechanic, and workers covered by this section and the Davis-Bacon Act correspond to the prevailing wage determinations made pursuant to that federal law as the same may be amended from time to time. The board shall undertake to keep and maintain copies of prevailing wage determinations made pursuant to the Davis-Bacon Act (40 U.S.C. § 276a to 276a-5) and any amendments to that federal law. The board shall also keep and maintain such other information as shall come to its attention concerning wages paid in the Denver metropolitan area. If the board has reason to believe that a prevailing wage determination made pursuant to that federal law is substantially different from wages paid in the Denver metropolitan area based upon other information, it shall so inform the city council for their consideration and action by ordinance. The provisions of this section shall supersede any differing provisions of that federal law, except when that federal law is applicable independent of this section.
- (3) It shall be the duty of the career service board to determine, after hearing, the prevailing wages for the various classes of laborers, mechanics, and workers which will be required in the performance of work covered by this section but not be covered by the Davis-Bacon Act, which determinations shall be made at least annually, and as frequently as may be considered necessary by the career service board in order that the determination which is currently in effect shall accurately represent the current prevailing rates of wages. Prior to making such determination, the career service board shall give reasonable public notice of the time and place of the hearing concerning such proposed determination and shall afford to all interested parties the right to appear before it and to present evidence. "Prevailing wages" shall mean, for each class of work covered by this section, but not covered by the Davis-Bacon Act, the rate of pay and the overtime and other benefits granted to such full-time workers in the Denver metropolitan area. The rates shall be determined using the same method as used for those classes which are covered by the Davis-Bacon Act. Should this method cause a reduction in compensation of any class of workers, the career service board will review the appropriateness of using this methodology and may recommend to city council a different method for establishing prevailing wage rates.

If there is insufficient data available in the Denver metropolitan area to determine the rate of pay and the overtime and other benefits or should comparable classes of work not be performed within the Denver metropolitan area for each class of work covered by this section and not covered by the Davis-Bacon Act, the career service board shall refer to the Service Contract Labor Act of 1965, as amended (41 U.S.C. § 351 et seq.)

to determine the rate of pay and the overtime and other benefits.

(d) *Mandatory contract provisions; enforcement.*

- (1) Every contract covered by this section shall contain a provision requiring the contractor and every subcontractor under such contract to pay every worker, mechanic and laborer employed under such contract not less than the scale of wages as provided for under subsections (b) and (c).
- (2) Such contract shall further require the contractor and subcontractors to pay all construction workers, mechanics and other laborers at least once a week the full amounts of wages accrued at the time of payment, computed at wage rates not less than those stated in the specifications; except that the contractor and subcontractors shall make such payments to janitorial or custodial workers, and oil and gas employees and contractors, at least biweekly.
- (3) Every such contract shall further provide that the contractor shall post in a prominent and easily accessible place at the site of the work the scale of wages to be paid by the contractor and all subcontractors working under the contractor.
- (4) The contract shall further provide that if the contractor or any subcontractor shall fail to pay such wages as are required by the contract, the manager of finance shall not approve a warrant or demand for payment to the contractor until the contractor furnishes the auditor evidence satisfactory to the auditor that such wages so required by the contract have been paid. Nothing herein shall preclude the manager of finance from approving a partial warrant or demand for payment to the contractor to the extent the auditor has been furnished evidence satisfactory to the auditor that one or more subcontractors has paid such wages required by the contract, even if the contractor has not furnished evidence that all of the subcontractors have paid wages as required by the contract. Any contractor or subcontractor may utilize the following procedure in order to satisfy the requirements of this section:
 - a. The contractor or subcontractor may submit to the auditor, for each worker, mechanic or other laborer to whom such wages are due, a check, as required by the auditor. Such check shall be payable to that worker, mechanic or other laborer, or to the City and County of Denver so it is negotiable by either of those parties. Each such check shall be in an amount representing the difference between the accrued wages required to be paid to that worker, mechanic or other laborer by the contract and the wages actually paid by the contractor or subcontractor.
 - b. If any check submitted pursuant to paragraph (4)a. of this subsection cannot be delivered to the worker, mechanic or other laborer within a reasonable period of time as determined by the auditor, then it shall be negotiated by the city and the proceeds deposited in the auditor's unclaimed prevailing wages special trust fund. Nothing in this subsection shall be construed to lessen the responsibility of the contractor or subcontractor to attempt to locate and pay any worker, mechanic or other laborer to whom wages are due.
 - c. Any valid, verified claim for prevailing wages that is actually received by the city through negotiation of any check submitted pursuant to paragraph (4)a. of this subsection must be made prior to two (2) years after the date of the last underpayment by the contractor or any subcontractor to the worker, mechanic or other laborer to whom such wages were due. After such date, the city shall no longer be liable for payment. The city, as trustee, shall pay such claimant only the amount of the check that is actually negotiated, regardless of any dispute as to any additional amount of wages owing to the worker, mechanic or other laborer.

No interest shall be paid by the city on any funds received or disbursed pursuant to this subsection.

- d. On the last working day of each month, the amount of any claim for which the city is no longer liable shall be credited to the general fund, except as otherwise required by law.
 - e. The auditor shall maintain a list of all unclaimed, city-negotiated prevailing wage checks for which the city is liable. Such list shall be updated monthly and shall be available for inspection at the office of the auditor.
- (5) Every such contract shall further provide that the contractor shall furnish to the auditor each pay period during which work is in progress under the contract a true and correct copy of the payroll records of all workers, laborers and mechanics employed under the contract, either by the contractor or subcontractors. Such payroll records shall include information showing the number of hours worked by each worker, laborer or mechanic employed under the contract, the hourly pay of such worker, laborer or mechanic, any deductions made from pay, and the net amount of pay received by each worker, laborer or mechanic for the period covered by the payroll.
 - (6) It shall further be provided in such contract that the copy of the payroll record shall be accompanied by a sworn statement of the contractor that the copy is a true and correct copy of the payroll records of all mechanics, laborers or other workers working under the contract, either for the contractor or subcontractors, that payments were made to the workers, laborers and mechanics as set forth in the payroll records, that no deductions were made other than those set forth in such records, and that all workers, mechanics and other laborers employed on work under the contract, either by the contractor or by any subcontractor, have been paid the prevailing wages as set forth in the contract specifications.
 - (7) Every such contract shall further provide that if any laborer, worker or mechanic employed by the contractor or any subcontractor under the contract has been or is being paid a rate of wages less than the rate of wages required by the contract to be paid as aforesaid, the city may, by written notice to the contractor, suspend or terminate the contractor's right to proceed with the work, or such part of the work as to which there has been a failure to pay the required wages, and in the event of termination, may prosecute the work to completion by contract or otherwise, and the contractor and any sureties shall be liable to the city for any excess costs occasioned the city thereby.
- (e) *Penalties.* Any contractor or subcontractor subject to the requirements of this section shall as a penalty pay to the City and County of Denver an amount as set forth below for each week, or portion thereof, for each worker paid less than the applicable prevailing wage rates.
- (1) The amount of the penalty shall be determined by the auditor based on consideration of both of the following:
 - a. Whether the failure of the contractor or subcontractor to pay the correct wage rate was a good faith mistake and, if so, the error was corrected within thirty (30) days of the date brought to the attention of the contractor or subcontractor.
 - b. Whether the contractor or subcontractor has a prior record of failing to meet its prevailing wage obligations.
 - (2) The penalty shall be twenty dollars (\$20.00) for each week, or portion thereof, for each worker paid less than the prevailing wage rate, unless the failure of the contractor or subcontractor to pay the correct rate of prevailing wages was a good faith mistake and, if so, the error was corrected within thirty (30) days of the date brought to the attention of the contractor or subcontractor.
 - (3) The penalty shall be thirty-five dollars (\$35.00) for each week, or portion thereof, for

- each worker paid less than the prevailing wage rate, if the contractor or subcontractor has been assessed a penalty, but not more than two (2) other penalties, within the previous three (3) years for failing to meet its prevailing wage obligations on a separate contract, unless those penalties were subsequently withdrawn or overturned.
- (4) The penalty shall be fifty dollars (\$50.00) for each week, or portion thereof, for each worker paid less than the prevailing wage rate, if the contractor or subcontractor has been assessed three (3) or more other penalties within the previous three (3) years for failing to meet its prevailing wage obligations on separate contracts, unless those penalties were subsequently withdrawn or overturned.
- (5) The determination of the auditor as to the imposition and amount of the penalty shall be reviewable as follows:
- a. Any person who disputes any determination made by or on behalf of the city pursuant to the authority of the auditor, which determination adversely affects such person, may petition the auditor for a hearing concerning such determination no later than thirty (30) days after having been notified of any such determination. Compliance with the provisions of this subsection shall be a jurisdictional prerequisite to any action brought under the provisions of this section, and failure of compliance shall forever bar any such action.
 - b. The auditor shall designate as a hearing officer a person retained by the city for that purpose.
 - c. The petition for a hearing shall be in writing, and the facts and figures submitted shall be submitted under oath or affirmation either in writing or orally at a hearing scheduled by the hearing officer. The hearing, if any, shall take place in the city, and notice thereof and the proceedings shall otherwise be in accordance with rules and regulations issued by the auditor. The petitioner shall bear the burden of proof, and the standard of proof shall conform with that in civil, nonjury cases in state district court.
 - d. Thereupon, the hearing officer shall make a final determination. Such final determination shall be considered a final order and may be reviewed under Rule 106(a)(4) of the state rules of civil procedure by the petitioner or by the city. A request for reconsideration of the determination may be made if filed with the hearing officer within fifteen (15) days of the date of determination, in which case the hearing officer shall review the record of the proceedings, and the determination shall be considered a final order upon the date the hearing officer rules on the request for reconsideration. The nonprevailing party shall be responsible for and shall pay the costs of the hearing, including the costs of the hearing officer and the hearing reporter.
 - e. The district court of the second judicial district of the State of Colorado shall have original jurisdiction in proceedings to review all questions of law and fact determined by the hearing officer by order or writ under Rule 106(a)(4) of the state rules of civil procedure.
 - f. Failure to pay outstanding penalties that are not pending appeal and are owed to the city pursuant to this section shall be grounds for suspension or revocation of any license issued by the city until fully paid.
