The Contractor shall request payment of the monies available hereunder on such basis and in such amounts as are not inconsistent with the requirements of the City and the State. The Contractor understands and agrees that compensation under this Agreement, to the extent funded by the State Department of Corrections 2015/2016 Community Corrections and Adult Parole Contract referenced above, incorporates a “menu” basis subject to performance by the Contractor of enumerated tasks for specified fees. It is expressly understood and agreed that the obligation of the City for all or any part of payments provided for herein, whether direct or contingent, shall only extend to the said monies appropriated by the State pursuant to such contracts, actually paid to the City, appropriated for this Agreement by the Denver City Council and encumbered for the purpose of the Agreement. The parties understand that the City reserves the right not to accept supplemental funding from the State pursuant to the said 2015/2016 State contracts and that the amount payable from the State to the City may be adjusted up or down by Allocation Letter or Funding Letter pursuant to **Exhibit A** hereof. The City, in its sole discretion, shall determine the existence of a conflict of interest, which shall be deemed a material breach or default of this Agreement and may terminate this Agreement in the event such a conflict exists after it has given the Contractor written notice which describes the conflict. The Contractor shall have thirty (30) days after the notice is received to eliminate or cure the conflict of interest in a manner which is acceptable to the City.

Contractor shall be responsible for the payment of any deductible or self-insured retention. The insurance coverages specified in this Agreement are the minimum requirements, and these requirements do not lessen or limit the liability of the Contractor. The Contractor shall

The City requests that the City's contract number be referenced on the Certificate. The City's acceptance of a certificate of insurance or other proof of insurance that does not comply with all insurance requirements set forth in this Agreement shall not act as a waiver of Contractor's breach of this Agreement or of any of the City's rights or remedies under this Agreement. The City's Risk Management Office may require additional proof of insurance, including but not limited to policies and endorsements.
3. **Additional Insureds:** For Commercial General Liability, Auto Liability and Excess Liability/Umbrella, Contractor and subcontractor's insurer(s) shall name the City and County of Denver, its elected and appointed officials, employees and volunteers as additional insured.

Contractor expressly represents to the City, as a material representation upon which the City is relying in entering into this Agreement, that none of the Contractor's officers or employees who may be eligible under any statute or law to reject

Workers' Compensation Insurance shall effect such rejection during any part of the term of this Agreement, and that any such rejections previously effected, have been revoked as of the date Contractor executes this Agreement.

7. **Commercial General Liability:** Contractor shall maintain a Commercial General Liability insurance policy with limits of \$1,000,000 for each occurrence, \$1,000,000 for each personal and advertising injury claim, \$2,000,000 products and completed operations aggregate, and \$2,000,000 policy aggregate. At their own expense, and where such general aggregate or other aggregate limits have been reduced below the required per occurrence limit, the Contractor will procure such per occurrence limits and furnish a new certificate of insurance showing such coverage is in force.

Q. Colorado Governmental Immunity Act: The parties hereto understand and agree that the City is relying upon, and has not waived, the monetary limitations (presently \$350,000 per person, \$990,000 per occurrence) and all other rights, immunities and protection provided by the Colorado Governmental Immunity Act, C.R.S. § 24-10-101, *et seq.*

R. Defense and Indemnification:

1. Contractor hereby agrees to defend, indemnify, reimburse and hold harmless City, its appointed and elected officials, agents and employees for, from and against all liabilities, claims, judgments, suits or demands for damages to persons or property arising out of, resulting from, or relating to the work performed under this Agreement (“Claims”), unless such Claims have been specifically determined by the trier of fact to be the sole negligence or willful misconduct of the City. This indemnity shall be interpreted in the broadest possible manner to indemnify City for any acts or omissions of Contractor or its subcontractors either passive or active, irrespective of fault, including City’s concurrent negligence whether active or passive, except for the sole negligence or willful misconduct of City.
2. Contractor’s duty to defend and indemnify City shall arise at the time written notice of the Claim is first provided to City regardless of whether Claimant has filed suit on the Claim. Contractor’s duty to defend and indemnify City shall arise even if City is the only party sued by claimant and/or claimant alleges that City’s negligence or willful misconduct was the sole cause of claimant’s damages.
3. Contractor will defend any and all Claims which may be brought or threatened against City and will pay on behalf of City any expenses incurred by reason of such Claims including, but not limited to, court costs and attorney fees incurred in defending and investigating such Claims or seeking to enforce this indemnity obligation. Such payments on behalf of City shall be in addition to any other legal remedies available to City and shall not be considered City’s exclusive remedy.
4. Insurance coverage requirements specified in this Agreement shall in no way lessen or limit the liability of the Contractor under the terms of this indemnification obligation. The Contractor shall obtain, at its own expense, any additional insurance that it deems necessary for the City’s protection.
5. This defense and indemnification obligation shall survive the expiration or termination of this Agreement.

S. When Rights and Remedies Not Waived: In no event shall any payment by the City hereunder constitute or be construed to be a waiver by the City of any breach

of term, condition, or covenant or any default which may then exist on the part of the Contractor, and the making of any such payment when any such breach or default shall exist shall in no way impair or prejudice any right or remedy available to the City with respect to such breach or default; and no assent, expressed or implied, to any breach of any one or more terms, conditions, or covenants, of the Agreement shall be deemed or taken to be a waiver of any succeeding or other breach.

T. Proprietary or Confidential Information; Open Records:

1. **City Information:** The Contractor shall not at any time or in any manner, either directly or indirectly, divulge, disclose or communicate to any person, firm or corporation in any manner whatsoever any information concerning any matters which are not subject to public disclosure, including without limitation police records or medical records of or pertaining to Clients receiving services under this Agreement and other privileged or confidential information. The Contractor shall comply with all state or federal laws and requirements pertaining to medical or health records, including but not limited to HIPAA. The Contractor acknowledges and accepts that, in performance of all work under the terms of this Agreement, the Contractor may have access to Proprietary Data or confidential information that may be owned or controlled by the City, and that the disclosure of such Proprietary Data or information may be damaging to the City or third parties. The Contractor agrees that all Proprietary Data or confidential information provided or otherwise disclosed by the City to the Contractor shall be held in confidence and used only in the performance of its obligations under this Agreement. The Contractor shall exercise the same standard of care to protect such Proprietary Data and information as a reasonably prudent Contractor would to protect its own proprietary or confidential data. “Proprietary Data” shall mean any materials or information which may be designated or marked “Proprietary” or “Confidential”, or which would not be documents subject to disclosure pursuant to the Colorado Open Records Act or City ordinance, and provided or made available to the Contractor by the City. Such Proprietary Data may be in hardcopy, printed, digital or electronic format.

2. **Use of Proprietary Data or Confidential Information:** Except as expressly provided by the terms of this Agreement, the Contractor agrees that it shall not disseminate, transmit, license, sublicense, assign, lease, release, publish, post on the internet, transfer, sell, permit access to, distribute, allow interactive rights to, or otherwise make available the Proprietary Data or confidential information or any part thereof to any other person, party or entity in any form or media for any purpose other than performing its obligations under this Agreement. The Contractor further acknowledges that by providing this Proprietary Data or confidential information, the City is not granting to the Contractor any

right or license to use such data except as provided in this Agreement. The Contractor further agrees not to disclose or distribute to any other party, in whole or in part, the Proprietary Data or confidential information without written authorization from the Director.

The Contractor agrees, with respect to the Proprietary Data and confidential information, that: (1) the Contractor shall not copy, recreate, reverse, engineer or decompile such data, in whole or in part, unless authorized in writing by the Director; (2) the Contractor shall retain no copies, recreations, compilations, or decompilations, in whole or in part, of such data; (3) the Contractor shall, upon the expiration or earlier termination of the Agreement, destroy (and, in writing, certify destruction) or return all such data or work products incorporating such data or information to the City.

3. **Employees and Subcontractors:** The Contractor will inform its employees and officers of the obligations under this Agreement, and all requirements and obligations of the Contractor under this Agreement shall survive the expiration or earlier termination of this Agreement. The Contractor shall not disclose Proprietary Data or confidential information to subcontractors unless such subcontractors are bound by non-disclosure and confidentiality provisions at least as strict as those contained in this Agreement.
4. **Disclaimer:** Notwithstanding any other provision of this Agreement, the City is furnishing Proprietary Data and confidential information on an “as is” basis, without any support whatsoever, and without representation, warranty or guarantee, including but not in any manner limited to, fitness, merchantability or the accuracy and completeness of the Proprietary Data or confidential information. The Contractor is hereby advised to verify its work. The City assumes no liability for any errors or omissions herein. Specifically, the City is not responsible for any costs including, but not limited to, those incurred as a result of lost revenues, loss of use of data, the costs of recovering such programs or data, the cost of any substitute program, claims by third parties, or for similar costs. If discrepancies are found, the Contractor agrees to contact the City immediately.
5. **Contractor’s Information:** The parties understand that all the material provided or produced under this Agreement by the Contractor may be subject to the Colorado Open Records Act and/or the Colorado Criminal Justice Records Act, and that in the event of a request to the City for disclosure of such information, the City shall advise the Contractor of such request in order to give the Contractor the opportunity to object to the disclosure of any of its documents which it reasonably believes is proprietary or confidential under such Act(s). In the event that the

Contractor fails to take action with respect to such material by seeking and obtaining a protective court order or other informal resolution with the party seeking the information, the City will disclose all such material in compliance with the said Act(s). In the event of the filing of a lawsuit to compel such disclosure, the City will tender all such material to the court for judicial determination of the issue of disclosure and the Contractor agrees to intervene in such lawsuit to protect and assert its claims of privilege and against disclosure of such material or waive the same. The Contractor further agrees to defend, indemnify and save and hold harmless the City, its officers, agents and employees, from any claim, damages, expense, loss or costs arising out of the Contractor's intervention to protect and assert its claim of privilege against disclosure under this Article including, but not limited to, prompt reimbursement to the City of all reasonable attorney fees, costs and damages that the City may incur directly or may be ordered to pay by such court.

- U. **No Construction Against Drafting Party:** Each of the parties acknowledge that each of them and their respective counsel have had the opportunity to review this Agreement and that this Agreement shall not be construed against any party merely because this Agreement or any of its provisions, have been prepared by a particular party.
- V. **Subject to State Contracts:** This Agreement is subject to the terms and conditions of the said Department of Public Safety, Division of Criminal Justice, FY 2015/2016 Community Corrections Contract with the City, and the State Department of Corrections 2015/2016 Community Corrections Contract with the City, as they may be amended or modified by allocation letters or funding letters, all of which are incorporated herein by reference as **Exhibit A**. The Contractor is advised to carefully review the terms and conditions of such State Contracts.
- W. **Disputes:** All disputes of whatever nature between the City and Contractor regarding this Agreement, including but not limited to disputes involving breach or default of the Agreement, shall be resolved by administrative hearings pursuant to the procedure established by Denver Revised Municipal Code §56-106(b) et seq.. For the purposes of that procedure, the City official referring a final determination shall be the City's Director.
- X. **Americans With Disabilities Act; Rehabilitation Act:** The Contractor shall cause all Community Corrections facilities owned and/or leased by it pursuant to this Agreement to be inspected and analyzed by competent knowledgeable inspection personnel and legal representatives for compliance of such facilities with all applicable titles of the Americans With Disabilities Act (ADA) and, as applicable, the Rehabilitation Act. All operations of the Contractor hereunder shall also be conducted in compliance with the ADA and as applicable, the Rehabilitation Act. The Contractor shall submit documentation as required by the City to demonstrate compliance with these Acts.

Y. Immigration Reform Control Act: The Contractor shall comply with the Immigration Reform Control Act in all hiring practices undertaken pursuant to this Agreement.

Z. Survival of Certain Agreement Provisions: The parties understand and agree that all terms, conditions and covenants of this Agreement, together with the exhibits and attachments hereto, if any, any or all of which, by reasonable implication, contemplate continued performance or compliance beyond the expiration or termination of this Agreement (by expiration of the term or otherwise), shall survive such expiration or termination and shall continue to be enforceable as provided herein for a period equal to any and all relevant statutes of limitation, plus the time necessary to fully resolve any claims, matters, or actions begun within that period.

AA. No Employment of Illegal Aliens to Perform Work Under the Agreement.:

1. This Agreement is subject to Division 5 of Article IV of Chapter 20 of the Denver Revised Municipal Code, and any amendments (the “Certification Ordinance”).
2. The Contractor certifies that:
 - a. At the time of its execution of this Agreement, it does not knowingly employ or contract with an illegal alien who will perform work under this Agreement.
 - b. It will participate in the E-Verify Program, as defined in § 8-17.5-101(3.7), C.R.S., to confirm the employment eligibility of all employees who are newly hired for employment to perform work under this Agreement.
3. The Contractor also agrees and represents that:
 - a. It shall not knowingly employ or contract with an illegal alien to perform work under the Agreement.
 - b. It shall not enter into a contract with a sub-consultant or subcontractor that fails to certify to the Contractor that it shall not knowingly employ or contract with an illegal alien to perform work under the Agreement.
 - c. It has confirmed the employment eligibility of all employees who are newly hired for employment to perform work under this Agreement, through participation in the E-Verify Program.
 - d. It is prohibited from using the E-Verify Program procedures to undertake pre-employment screening of job applicants while

performing its obligations under the Agreement, and that otherwise requires the Contractor to comply with any and all federal requirements related to use of the E-Verify Program including, by way of example, all program requirements related to employee notification and preservation of employee rights.

- e. If it obtains actual knowledge that a sub-consultant or subcontractor performing work under the Agreement knowingly employs or contracts with an illegal alien, it will notify such sub-consultant or subcontractor and the City within three (3) days. The Contractor will also then terminate such sub-consultant or subcontractor if within three (3) days after such notice the sub-consultant or subcontractor does not stop employing or contracting with the illegal alien, unless during such three-day period the sub-consultant or subcontractor provides information to establish that the sub-consultant or subcontractor has not knowingly employed or contracted with an illegal alien.
- f. It will comply with any reasonable request made in the course of an investigation by the Colorado Department of Labor and Employment under authority of § 8-17.5-102(5), C.R.S, or the City Auditor, under authority of D.R.M.C. 20-90.3.

4. The Contractor is liable for any violations as provided in the Certification Ordinance. If Contractor violates any provision of this section or the Certification Ordinance, the City may terminate this Agreement for a breach of the Agreement. If the Agreement is so terminated, the Contractor shall be liable for actual and consequential damages to the City. Any such termination of a contract due to a violation of this section or the Certification Ordinance may also, at the discretion of the City, constitute grounds for disqualifying Contractor from submitting bids or proposals for future contracts with the City.

BB. ASSIGNMENT; SUBCONTRACTING: The Contractor shall not voluntarily or involuntarily assign any of its rights or obligations, or subcontract performance obligations, under this Agreement without obtaining the City's prior written consent. Any assignment or subcontracting without such consent will be ineffective and void, and shall be cause for termination of this Agreement by the City. The City has sole and absolute discretion whether to consent to any assignment or subcontracting, or to terminate the Agreement because of unauthorized assignment or subcontracting. In the event of any subcontracting or unauthorized assignment: (i) the Contractor shall remain responsible to the City; and (ii) no contractual relationship shall be created between the City and any sub-consultant, subcontractor or assign.

CC. SEVERABILITY: Except for the provisions of the Agreement requiring appropriation of funds and limiting the total amount payable by the City, if a court

of competent jurisdiction finds any provision of the Agreement or any portion of it to be invalid, illegal, or unenforceable, the validity of the remaining portions or provisions will not be affected, if the intent of the parties can be fulfilled.

DD. CONFLICT OF INTEREST:

1. No employee of the City shall have any personal or beneficial interest in the services or property described in the Agreement. The Contractor shall not hire, or contract for services with, any employee or officer of the City that would be in violation of the City's Code of Ethics, D.R.M.C. §2-51, et seq. or the Charter §§ 1.2.8, 1.2.9, and 1.2.12.
2. The Contractor shall not engage in any transaction, activity or conduct that would result in a conflict of interest under the Agreement. The Contractor represents that it has disclosed any and all current or potential conflicts of interest. A conflict of interest shall include transactions, activities or conduct that would affect the judgment, actions or work of the Contractor by placing the Contractor's own interests, or the interests of any party with whom the Contractor has a contractual arrangement, in conflict with those of the City. The City, in its sole discretion, will determine the existence of a conflict of interest and may terminate the Agreement in the event it determines a conflict exists, after it has given the Contractor written notice describing the conflict.

IV. TERMINATION OF AGREEMENT:

The performance of work under the Agreement may be terminated by the City in accordance with this clause in whole or from time to time in part:

- A. The City may terminate this Agreement at any time on ten (10) days' notice if the Contractor's services are not being satisfactorily performed in accordance with this Agreement, if the Contractor is in breach or default of the Agreement, or if the program is cancelled. The City may also by written Notice of Default to Contractor terminate the whole or part of this Agreement in the event Contractor or any of its officers or employees are convicted, plead nolo contendere, enter into formal agreement in which they admit guilt, enter a plea of guilty, or otherwise admit culpability to criminal offenses of bribery, kickbacks, collusive bidding, bid-rigging, antitrust fraud, undue influence, theft, racketeering, extortion or any offense of a similar nature in connection with the Contractor's business. The City may otherwise terminate the Agreement without cause, for its convenience, upon fifteen (15) days' notice to the Contractor. If the Contractor's services are terminated, it shall be paid only for that portion of terminated services satisfactorily completed in accordance with this Agreement at the end of the period of notice of such action, subject to Subsection B. below.
- B. After receipt of a Notice of Termination and except as otherwise directed by the City, the Contractor shall:

1. Stop work under the Agreement on the date and to the extent specified in the Notice of Termination;
2. Place no further orders or subcontracts for materials, services or facilities, except as may be necessary for completion of such portion of work under the Agreement as is not terminated;
3. Terminate all orders and subcontracts to the extent that they relate to the performance of work terminated by the Notice of Termination.
4. With the approval or ratification of the City, to the extent it may require, which approval or ratification shall be final and conclusive for all purposes of this clause, settle all outstanding liabilities and claims arising out of such termination of orders and subcontracts, the cost of which would be reimbursable in whole or in part, in accordance with the provisions of the Agreement:
5. Complete performance of any such part of the work as shall not have been terminated by the Notice of Termination; and
6. Take such actions as may be necessary or as the City may direct, for the protection and preservation of the property related to the Agreement which is in the possession of the Contractor and in which the City has an interest.

VI. AGREEMENT AS COMPLETE INTEGRATION-AMENDMENTS:

This Agreement is intended as the complete integration of all understandings between the parties as to the subject matter of this Agreement. No prior or contemporaneous addition, deletion, or other amendment hereto shall have any force or affect whatsoever, unless embodied herein in writing. - C. The City shall have the right, at its option, to either temporarily suspend or permanently terminate this Agreement, if there is a dispute as to the legal authority of either the Contractor or the person signing the Agreement to enter into this Agreement. The City shall not be obligated to pay Contractor for any performance of the provisions of this Agreement after the City has suspended or terminated this Agreement as provided in this Article.

VIII. COUNTERPARTS OF THIS AGREEMENT:

This Agreement shall be executed in two (2) counterparts, each of which shall be deemed to be an original of this Agreement.

- IX. ELECTRONIC SIGNATURES AND ELECTRONIC RECORDS:** Contractor consents to the use of electronic signatures by the City. The Agreement, and any other documents requiring a signature hereunder, may be signed electronically by the City in the manner specified by the City. The Parties agree not to object to the admissibility of the Agreement in the form of an electronic record, or a paper copy of an electronic document, or a paper copy of a document bearing an electronic signature, on the ground that it is an electronic record or electronic signature or that it is not in its original form or is not an original.

The State reserves the right to inspect the Work at all reasonable times and places during the term of this Contract, including any extensions or renewals. If the Work fails to conform to the requirements of this Contract, the State may require Contractor promptly to bring the Work into conformity with Contract requirements, at Contractor's sole expense. If the Work cannot be brought into conformance by re-performance or other corrective measures, the State may require Contractor to take necessary action to ensure that future performance conforms to Contract requirements and exercise the remedies available under this Contract, at law or in equity, in lieu of or in conjunction with such corrective measures.

C. Monitoring

Contractor shall permit the State, the federal government, and governmental agencies having jurisdiction, in their sole discretion, to monitor all activities conducted by Contractor pursuant to the terms of this Contract using any reasonable procedure, including, but not limited to: internal evaluation procedures, examination of program data, special analyses, on-site checking, formal audit examinations, or any other procedures. All monitoring controlled by the State shall be performed in a manner that shall not unduly interfere with Contractor's performance hereunder.

Such materials shall be provided to the State every three years within six (6) months of the end of the fiscal year unless a different schedule is established in writing by mutual agreement of the parties. These requirements may be waived, all or in part, by the State in accordance with established standards.

F. Final Audit Report

If an audit is performed on Contractor's records for any fiscal year covering a portion of the term of this Contract, Contractor shall submit a copy of the final audit report to the State or its principal representative at the address specified herein.

10. CONFIDENTIAL INFORMATION-STATE RECORDS

Contractor shall comply with the provisions of this §10 if it becomes privy to confidential information in connection with its performance hereunder. Confidential information includes, but is not necessarily limited to, any state records, personnel records, and information concerning individuals. Such information shall not include information required to be disclosed pursuant to the Colorado Open Records Act, CRS §24-72-101, et seq.

Any request or demand by a third party for State records and information in the possession of Contractor shall be immediately forwarded to the State's principal representative.

B. Notification

Contractor shall notify its agent, employees, Subcontractors and assigns who may come into contact with State records and confidential information that each is subject to the confidentiality requirements set forth herein, and shall provide each with a written explanation of such requirements before permitting them to access such records and information.

C. Use, Security, and Retention

Confidential information of any kind shall not be distributed or sold to any third party or used by Contractor or its agents in any way, except as authorized by this Contract or approved in writing by the State. Confidential information shall not be retained in any files or otherwise by Contractor or its agents, except as permitted in this Contract or approved in writing by the State.

D. Disclosure-Liability

Disclosure of State records or other confidential information by Contractor for any reason may be cause for legal action by third parties against Contractor, the State or their respective agents. Contractor shall indemnify, save, and hold harmless the State, its employees and agents, against any and all claims, damages, liability and court awards including costs, expenses, and attorney fees and related costs, incurred as a result of any act or omission by Contractor, or its employees, agents, Subcontractors, or assignees pursuant to this §10.

11. CONFLICTS OF INTEREST

Contractor shall not engage in any business or personal activities or practices or maintain any relationships which conflict in any way with the full performance of Contractor's obligations hereunder. Contractor acknowledges that with respect to this Contract, even the appearance of a conflict of interest is harmful to the State's interests. Absent the State's prior written approval, Contractor shall refrain from any practices, activities

or relationships that reasonably appear to be in conflict with the full performance of Contractor's obligations to the State hereunder. If a conflict or appearance exists, or if Contractor is uncertain whether a conflict or the appearance of a conflict of interest exists, Contractor shall submit to the State a disclosure statement setting forth the relevant details for the State's consideration. Failure to promptly submit a disclosure statement or to follow the State's direction in regard to the apparent conflict constitutes a breach of this Contract.

12. REPRESENTATIONS AND WARRANTIES

Contractor makes the following specific representations and warranties, each of which was relied on by the State in entering into this Contract.

B. Legal Authority – Contractor Signatory

Contractor warrants that it possesses the legal authority to enter into this Contract and that it has taken all actions required by its procedures, and by-laws, and/or applicable laws to exercise that authority, and to lawfully authorize its undersigned signatory to execute this Contract, or any part thereof, and to bind Contractor to its terms. If requested by the State, Contractor shall provide the State with proof of Contractor's authority to enter into this Contract within 15 days of receiving such request.

C. Licenses, Permits, Etc.

Contractor represents and warrants that as of the Effective Date it has, and that at all times during the term hereof it shall have and maintain, at its sole expense, all licenses, certifications, approvals, insurance, permits, and other authorizations required by law to perform its obligations hereunder. Contractor warrants that it shall maintain all necessary licenses, certifications, approvals, insurance, permits, and other authorizations required to properly perform this Contract, without reimbursement by the State or other adjustment in Contract Funds. Additionally, all employees, agents, and Subcontractors of Contractor performing Services under this Contract shall hold all required licenses or certifications, if any, to perform their responsibilities. Contractor, if a foreign corporation or other foreign entity transacting business in the State of Colorado, further warrants that it currently has obtained and shall maintain any applicable certificate of authority to transact business in the State of Colorado and has designated a registered agent in Colorado to accept service of process. Any revocation, withdrawal or non-renewal of licenses, certifications, approvals, insurance, permits or any such similar requirements necessary for Contractor to properly perform the terms of this Contract is a material breach by Contractor and constitutes grounds for termination of this Contract.

Contractor shall require each contract with a Subcontractor that is a public entity, to include the insurance requirements necessary to meet such Subcontractor's liabilities under the GIA.

C. Certificates

Contractor and all Subcontractors shall provide certificates showing insurance coverage required hereunder to the State within seven business days of the Effective Date of this Contract. No later than 15 days prior to the expiration date of any such coverage, Contractor and each Subcontractor shall deliver to the State or Contractor certificates of insurance evidencing renewals thereof. In addition, upon request by the State at any other time during the term of this Contract or any subcontract, Contractor and each Subcontractor shall, within 10 days of such request, supply to the State evidence satisfactory to the State of compliance with the provisions of this §13.

14. BREACH

A. Defined

In addition to any breaches specified in other sections of this Contract, the failure of either Party to perform any of its material obligations hereunder, in whole or in part or in a timely or satisfactory manner, constitutes a breach. The institution of proceedings under any bankruptcy, insolvency, reorganization or similar law, by or against Contractor, or the appointment of a receiver or similar officer for Contractor or

any of its property, which is not vacated or fully stayed within 20 days after the institution or occurrence thereof, shall also constitute a breach.

B. Notice and Cure Period

In the event of a breach, notice of such shall be given in writing by the aggrieved Party to the other Party in the manner provided in §16. If such breach is not cured within 30 days of receipt of written notice, or if a cure cannot be completed within 30 days, or if cure of the breach has not begun within 30 days and pursued with due diligence, the State may exercise any of the remedies set forth in §15. Notwithstanding anything to the contrary herein, the State, in its sole discretion, need not provide advance notice or a cure period and may immediately terminate this Contract in whole or in part if reasonably necessary to preserve public safety or to prevent immediate public crisis.

15. REMEDIES

If Contractor is in breach under any provision of this Contract, the State shall have all of the remedies listed in this §15 in addition to all other remedies set forth in other sections of this Contract following the notice and cure period set forth in §14(B). The State may exercise any or all of the remedies available to it, in its sole discretion, concurrently or consecutively.

A. Termination for Cause and/or Breach

The State may terminate this entire Contract or any part of this Contract. Exercise by the State of this right shall not be a breach of its obligations hereunder. Contractor shall continue performance of this Contract to the extent not terminated, if any.

i. Obligations and Rights

To the extent specified in any termination notice, Contractor shall not incur further obligations or render further performance hereunder past the effective date of such notice, and shall terminate outstanding orders and subcontracts with third parties. However, Contractor shall complete and deliver to the State all Work, Services and Goods not cancelled by the termination notice and may incur obligations as are necessary to do so within this Contract's terms. At the sole discretion of the State, Contractor shall assign to the State all of Contractor's right, title, and interest under such terminated orders or subcontracts. Upon termination, Contractor shall take timely, reasonable and necessary action to protect and preserve property in the possession of Contractor in which the State has an interest. All materials owned by the State in the possession of Contractor shall be immediately returned to the State. All Work Product, at the option of the State, shall be delivered by Contractor to the State and shall become the State's property.

ii. Payments

The State shall reimburse Contractor only for accepted performance up to the date of termination. If, after termination by the State, it is determined that Contractor was not in breach or that Contractor's action or inaction was excusable, such termination shall be treated as a termination in the public interest and the rights and obligations of the Parties shall be the same as if this Contract had been terminated in the public interest, as described herein.

iii. Damages and Withholding

Notwithstanding any other remedial action by the State, Contractor shall remain liable to the State for any damages sustained by the State by virtue of any breach under this Contract by Contractor and the State may withhold any payment to Contractor for the purpose of mitigating the State's damages, until such time as the exact amount of damages due to the State from Contractor is determined. The State may withhold any amount that may be due Contractor as the State deems necessary to protect the State against loss, including loss as a result of outstanding liens, claims of former lien holders, or for the excess costs incurred in procuring similar goods or services. Contractor shall be liable for excess costs incurred by the State in procuring from third parties replacement Work, Services or substitute Goods as cover.

B. Early Termination in the Public Interest

The State is entering into this Contract for the purpose of carrying out the public policy of the State of Colorado, as determined by its Governor, General Assembly, and/or Courts. If this Contract ceases to further the public policy of the State, the State, in its sole discretion, may terminate this Contract in whole or in part. Exercise by the State of this right shall not constitute a breach of the State's obligations

hereunder. This subsection shall not apply to a termination of this Contract by the State for cause or breach by Contractor, which shall be governed by §15(A) or as otherwise specifically provided for herein.

i. Method and Content

The State shall notify Contractor of such termination in accordance with §16. The notice shall specify the effective date of the termination and whether it affects all or a portion of this Contract.

ii. Obligations and Rights

Upon receipt of a termination notice, Contractor shall be subject to and comply with the same obligations and rights set forth in §15(A)(i).

iii. Payments

If this Contract is terminated by the State pursuant to this §15(B), Contractor shall be paid an amount which bears the same ratio to the total reimbursement under this Contract as Contractor's obligations that were satisfactorily performed bear to the total obligations set forth in this Contract, less payments previously made. Additionally, if this Contract is less than 60% completed, the State may reimburse Contractor for a portion of actual out-of-pocket expenses (not otherwise reimbursed under this Contract) incurred by Contractor which are directly attributable to the uncompleted portion of Contractor's obligations hereunder; provided that the sum of any and all reimbursement shall not exceed the maximum amount payable to Contractor hereunder.

C. Remedies Not Involving Termination

The State, in its sole discretion, may exercise one or more of the following remedies in addition to other remedies available to it:

i. Suspend Performance

Suspend Contractor's performance with respect to all or any portion of this Contract pending necessary corrective action as specified by the State without entitling Contractor to an adjustment in price/cost or performance schedule. Contractor shall promptly cease performance and incurring costs in accordance with the State's directive and the State shall not be liable for costs incurred by Contractor after the suspension of performance under this provision.

ii. Withhold Payment

Withhold payment to Contractor until corrections in Contractor's performance are satisfactorily made and completed.

iii. Deny Payment

Deny payment for those obligations not performed, that due to Contractor's actions or inactions, cannot be performed or, if performed, would be of no value to the State; provided, that any denial of payment shall be reasonably related to the value to the State of the obligations not performed.

iv. Removal

Notwithstanding any other provision herein, the State may demand immediate removal of any of Contractor's employees, agents, or Subcontractors whom the State deems incompetent, careless, insubordinate, unsuitable, or otherwise unacceptable, or whose continued relation to this Contract is deemed to be contrary to the public interest or the State's best interest.

v. Intellectual Property

If Contractor infringes on a patent, copyright, trademark, trade secret or other intellectual property right while performing its obligations under this Contract, Contractor shall, at the State's option (a) obtain for the State or Contractor the right to use such products and services; (b) replace any Goods, Services, or other product involved with non-infringing products or modify them so that they become non-infringing; or, (c) if neither of the foregoing alternatives are reasonably available, remove any infringing Goods, Services, or products and refund the price paid therefore to the State.

Should the final performance Evaluation and Review determine that Contractor demonstrated a gross failure to meet the performance measures established hereunder, the Executive Director of the Colorado Department of Personnel and Administration (Executive Director), upon request by the Department of Public Safety, and showing of good cause, may debar Contractor and prohibit Contractor from bidding on future contracts. Contractor may contest the final Evaluation, Review and Rating by: (a) filing rebuttal statements, which may result in either removal or correction of the evaluation (CRS §24-105-102(6)), or (b) under CRS §24-105-102(6), exercising the debarment protest and appeal rights provided in CRS §§24-109-106, 107, 201 or 202, which may result in the reversal of the debarment and reinstatement of Contractor, by the Executive Director, upon a showing of good cause.

Exhibit A
STATEMENT OF WORK

I. Responsibilities of the Contractor:

A. Approval. The Contractor shall ensure that the community corrections services are provided through programs approved by the local community corrections board in their jurisdiction and operating pursuant to Title 17, Article 27, and Section 18-1.3-301, C.R.S., as amended.

B. Subcontract.

- 1) The Contractor may subcontract for community corrections services with any private agency or unit of local government for the purpose of rendering services to offenders, provided, however, that any subcontractors shall comply with the terms and provisions of this contract and all applicable sections of Title 17, Article 27, and Section 18-1.3-301, C.R.S., as amended. The Contractor shall include all requirements of this contract in all subcontracts with programs.
- 2) Copies of all subcontracts shall be provided to the State within ninety (90) days following the beginning of the fiscal year or within ninety (90) days following the addition or replacement of a new subcontractor. No payment shall be authorized unless the appropriate subcontract has been executed and the services specified in the approved subcontract have actually been provided.
- 3) All subcontractor responsibilities shall be the responsibility of the Contractor if the State is contracting directly with a community corrections program that provides services and supervision for offenders.
- 4) The Colorado Community Corrections Risk Factor Analysis published pursuant to C.R.S. 17-27-108(2)(b)(II)(B) is attached to this contract as Exhibit "H", and is incorporated by reference.
- 5) In each year, the revised Risk Factor Analysis shall be published and transmitted by the State to the Contractor.
- 6) Except as otherwise provided in subsections 7) and 8) below, on July 1 of each fiscal year, the Contractor shall not disburse any funds allocated pursuant to this contract for services rendered by any community corrections program or provider at any location that has been designated as a "Level 1" program or provider pursuant to the two most recently revised Risk Factor Analysis publications.

- 7) The Contractor may still disburse funds pursuant to this contract to a "Level 1" program or provider if:
 - (a) the program or provider has been operating at its current location for less than 24 months, or
 - (b) the program or provider has not had at least one full performance audit or at least one follow-up performance audit within the 12 months preceding the publication of the most recently revised Risk Factor Analysis, or
 - (c) the Contractor has the written consent of the State to continue to disburse funds to the "Level 1" program or provider. The Contractor shall be required to show cause that funding the program or provider is in the best interest of the State of Colorado and local community.
- 8) Notwithstanding any other provisions of this contract, the Contractor shall withhold the disbursement of funds to any new program or provider situated at the same physical location as a "Level 1" program or provider unless and until:
 - (a) the State concurs in writing that the new program or provider is under new ownership or management, and
 - (b) an initial performance audit of the new program or provider by the State demonstrates that such new program or provider is likely to meet or exceed the performance levels necessary for subsequent Risk Factor Analysis designation as a "Level II," "Level III" or "Level IV" program or provider.
- 9) Notwithstanding any other provision of this contract, the State may on an emergent basis and after appropriate inquiry designate any program or provider receiving funds pursuant to this contract as ineligible to continue to receive such funds when it is demonstrated either:
 - (a) that the current operation of the program or provider constitutes an imminent and significant threat to public safety; OR
 - (b) that the program or provider has demonstrated neglect, reckless disregard, or inability to sustain compliance with the Colorado Community Corrections Standards.
- 10) Designation of ineligibility to continue to receive funds pursuant to section 9) above shall be made with the written concurrence of the Executive Director of the Department of Corrections, the Executive Director of the Department of Public Safety and the State Court Administrator, or their designees.

- 11) The designation of ineligibility to receive funds shall continue until the State finds that the imminent and significant threat to public safety has been abated and is not likely to recur.
 - 12) The designation of ineligibility to receive funds shall not prohibit payment for services already rendered.
- C. Standards. The Contractor shall ensure that its subcontractors meet, maintain and comply with all applicable guidelines or standards as provided in Title 17, Article 27, and Section 18-1.3-301, C.R.S., as amended, and the "Colorado Community Corrections Standards", as revised or amended, attached, marked as Exhibit "E" and incorporated herein by reference. Non-compliance with Standards may result in:
- 1) Reduction of compensation as specified in the Allocation Letter, sample form attached, marked as Exhibit "B" and incorporated herein by reference;
 - 2) Implementation of a corrective action plan developed in conjunction with a professional consultant with subject matter expertise in Colorado community corrections. The consultant must be approved by the Contractor and the State. The consultant services shall be at the expense of the program or provider.
 - 3) Implementation of an increased staffing pattern that ensures adequate offender supervision and provision of services.
 - 4) Cessation of offender placements in the program;
 - 5) Execution of a competitive bid process, coordinated with the local community corrections board, to consider alternate program providers;
 - 6) Cancellation of the contract;
 - 7) Cancellation of the subcontract.
- D. Annual Description of Services. The Contractor shall require its programs or providers to submit an annual plan to reach compliance with the Colorado Community Corrections Standards for the provision of services to 1) offenders referred by the Department of Corrections (DOC), 2) offenders sentenced and referred by State Judicial Branch (SJB), 3) offenders referred by the State Board of Parole, or 4) offenders referred by the SJB pursuant to Section 19-2-907(1)(b), Section 19-2-908, and Section 19-2-910, C.R.S. as amended. The annual plan shall also include the providers' plan to implement specific evidence-based programs and practices to fidelity. If both the Contractor and the provider are the same entity, the annual plan shall be submitted to the State for approval and monitoring.
- E. Conformance with Law: The Contractor and its subcontractor(s) shall at all times during the term of this contract adhere to all applicable federal laws, state laws, local laws, health, safety, fire,

building, and zoning requirements as they currently exist and may hereafter be amended. Without limitation, these laws and regulations include:

- 1) *Victim Rights Act.* The Contractor shall ensure that its subcontractors comply with Section 24-4.1-302.5, Section 24-4.1-303 and Section 24-4.1-304 C.R.S., as amended, commonly known as the Victim Rights Act and enabling legislation.
- 2) *Americans with Disabilities Act.* The Contractor shall ensure that its subcontractors comply with all applicable titles of the Americans with Disabilities Act (Public Law 101.336) and submit documentation as required by the State to demonstrate compliance with this Act. The contractor shall assure that subcontractors demonstrate compliance by ensuring that reentry services are both architecturally and programmatically accessible
- 3) *Prison Rape Elimination Act.* The contractor shall ensure that its subcontractors comply with community confinement standards of the Prison Rape Elimination Act (United States Department of Justice - DOJ 28 CFR Part 115).

F. Client Files. The Contractor shall ensure that its subcontractors maintain individual files for each offender participating in their program as required by DOC/SJB. The individual files shall be maintained in a secure area, in a locked file cabinet or safe. Such files and criminal history records shall be maintained and disseminated pursuant to federal and state regulations.

G. Reports. The Contractor, and its subcontractors, shall provide timely, prompt, and accurate reports as are or may be required by the State, DOC or SJB during the period of the contract, which include but are not limited to statistical reports, caseload data, required entries into the Community Corrections Information and Billing computer system, Survey Questionnaires and other records documenting the types of services provided and the identity of the individual offenders receiving such services. Computerized termination forms and related offender data must be completed by program staff, as prescribed by the State, for each offender served, and shall be completed in accordance with the requirements of the State.

H. Fugitive Reporting System. Pursuant to Section 17-27-104(11), C.R.S., the Contractor shall ensure that any probable escape of any offender funded pursuant to this Contract is reported by program staff providing services through this contract in the manner prescribed by the State.

I. Supervision of Offenders. The Contractor shall ensure that its subcontractors provide 24-hours-a-day, seven-days-a-week staff supervision of the offenders assigned to the residential facility as specified in the "Colorado Community Corrections Standards".

J. Method of Billing. The Contractor shall bill the State for services provided in such form and in such manner as the State may require.

- 1) The *billing period* shall be the first day of each month to the last day of each month.

- 2) The contractor shall submit bills to the State no later than the 15th day of the month following the end of the *billing period* or as required in Section I - J(4).
- 3) Billing shall be submitted through the Community Corrections Information and Billing system and/or, at the sole discretion of the State, on a Community Corrections Billing form provided to the Contractor by the State for that purpose. The State reserves the right to modify billing procedures.
- 4) The Contractor shall send the Colorado Community Corrections Month-End Expenditure Form, sample form attached hereto and incorporated by reference as Exhibit "D", within thirty (30) days of the end of each month.
- 5) The Contractor shall report the total billable program costs to the State within five (5) days after the end of the fiscal year. The State may require the Contractor to provide an estimate of final year-end expenditures any time within sixty (60) days prior to the end of the fiscal year.
- 6) The Contractor agrees to attempt to use funds on an approximately equal quarterly basis, unless authorized by the State. If actual quarterly expenditures are less than the quarterly advance by more than twenty percent (20%), subsequent quarterly payments may be reduced accordingly.

K. Additional Services. The Contractor shall ensure that its subcontractors obtain prior written approval from the State before providing any additional billable services or evaluations not provided for by the terms and conditions of this contract. If services are billed by the Contractor that exceeds the maximum total payment as described in Exhibit "B", or any subsequent Funding Letter substantially equivalent to Exhibit "C", the State is not liable for reimbursement. Should additional funding become available, the State may, at its own option, choose to reimburse beyond the amount specified in Exhibit "B", by means of a Funding Letter substantially equivalent to Exhibit "C".

L. Reimbursement by Client.

- 1) *Subsistence* - The Contractor shall ensure that its subcontractors know that they may charge each offender participating in a community corrections program the reasonable costs of the services not covered by State payments, pursuant to the annual legislative appropriation. The charges may be, but are not required to be, collected on an ability-to-pay basis. Each offender shall be issued receipts for fees collected. Offenders shall not be charged subsistence while in jail or in the hospital.
- 2) *Additional Program Fees* - Any fees assessed to offenders in excess of the amounts listed in the legislative appropriation for subsistence must be approved in advance by the State and the local community corrections board. This excludes voluntary and incidental expenditures by

offenders that do not constitute fees that are universally assessed to all offenders.

- M. Absence Due to Arrest. The Contractor shall ensure that its subcontractors notify DOC/SJB immediately if they know an offender has been arrested and/or is in the custody of federal, state or local authorities. The State shall compensate the Contractor at full rate for the day the offender is arrested, and at fifty percent (50%) of the regular per diem rate for up to seven (7) days for maintaining the availability of a bed during the offender's absence.
- N. Unauthorized Absence. The Contractor shall ensure that its subcontractors notify DOC/SJB, through the appropriate probation/parole officer, within two (2) hours after an offender is discovered to be absent from an approved location or activity without authorization. The subcontractor shall keep the offender's bed available for a period not to exceed one (1) day during the offender's unauthorized absence if DOC/SJB notifies the subcontractor that it does desire to have the bed kept available. The State shall compensate the Contractor at full rate only on the day the offender escapes.
- O. Access to Medical Services. Policy and procedures of the subcontractor shall specifically prohibit any restriction or constraint of offenders' movements or efforts to attend to their legitimate medical or dental needs. If a medical emergency occurs, the Contractor shall ensure that its subcontractors immediately notify the referring agency. The State shall compensate the Contractor at the full rate of the day an offender is placed in a hospital, and at fifty percent (50%) of the regular per diem rate for up to seven (7) days for holding a bed available during the hospitalization of an offender, unless the referral agency notifies the subcontractor otherwise.
- P. Emergency Disaster Management Plan (EDMP). The contractor shall develop and maintain, with its subcontractor(s), an Emergency Disaster Management Plan that provides a contingency response in the event of a disaster or other emergency for all residential and non-residential offenders under the supervision of the subcontractor(s). The EDMP plan shall include a specific plan for registered sex offenders that is consistent with conditions of sex offender supervision and registration requirements. The EDMP shall provide a plan for transportation, housing, and supervision of offenders in the event of fire, flood, weather event, mandatory evacuation or other man-made or natural disaster.
- Q. Notification of Ownership Changes (Governmental Entities Exempt).
- 1) The Contractor shall ensure that its subcontractors notify the State in writing within thirty (30) days after becoming aware that a change in its ownership has occurred, or is certain to occur. The Contractor shall also ensure that its subcontractors notify the State in writing within thirty (30) days whenever changes to asset valuations or any other cost changes have occurred, or are certain to occur, as a result of a change in ownership.
 - 2) The Contractor shall ensure that its subcontractors:

- (a) Maintain current, accurate and complete inventory records of assets and their costs;
 - (b) Provide the State or designated representative ready access to the records upon request;
 - (c) Ensure that all individual and grouped assets, their capitalized values, accumulated depreciation or amortization, and remaining useful lives are identified accurately before and after each of the subcontractor's ownership changes; and
 - (d) Retain and continue to maintain depreciation and amortization schedules based on the asset records maintained before each subcontractor ownership change.
- 3) The Contractor shall include the substance of this clause in all subcontracts under this contract that meet the applicability requirements of the State.

II. Responsibilities of the State:

A. Payment for Services.

- 1) The State agrees to advance funds on a quarterly basis to the Contractor in accordance with the schedule in Exhibit "B" subject to compliance with the provision of the contract, as may be amended by any subsequent Funding Letter substantially equivalent to Exhibit "C".
- 2) During the period of the contract, upon receipt of proper billings from the Contractor as provided in paragraph J. herein, payment shall be offset against advances up to a maximum total payment as specified in Exhibit "B".
- 3) Reimbursement will not be allowed for the first day of an offender's participation in a program, but shall be allowed for the last day of an offender's participation. The day an offender transfers from Residential to Non-Residential status, reimbursement will be made at the residential daily rate, but shall not be made for non-residential expenses. The day an offender transfers from Non-Residential to Residential status, reimbursement will be made for Non-Residential expenses, but shall not be made for the residential daily rate.
- 4) The community corrections board, or the unit of local government that established the board, may be allocated up to five percent (5%) of the total original allocation for administrative purposes, contingent upon the legislative appropriation for board administrative funds. On and after July 1, 2014, through June 30, 2015, boards shall be allocated up to five percent (5%) of the total original allocation for administrative purposes. On and after July 1, 2015 and through the remaining contract period, board allocation for administrative funds shall be dependent upon the prior year's performance as measured herein. The board or unit of local government may opt to perform any or all of the following functions to be eligible to receive the administrative funds:
