

ORDINANCE/RESOLUTION REQUEST

Please email requests to the Mayor's Legislative Team
at MileHighOrdinance@DenverGov.org by **3:00pm on Monday**. For any questions please contact Skye Stuart.

****All fields must be completed.****
Incomplete request forms will be returned to sender which may cause a delay in processing.

Date of Request: 11/21/2016

Please mark one: Bill Request or Resolution Request

1. Has your agency submitted this request in the last 12 months?

Yes No

If yes, please explain:

2. Title: (Include a concise, one sentence description – please include name of company or contractor and contract control number - that clearly indicates the type of request: **grant acceptance, contract execution, contract amendment, municipal code change, supplemental request, etc.**)

This request is for an **ordinance authorizing creation** of a requirement for commercial and multi-family buildings over 25,000 square feet to track their energy performance, report it to the city, and make that information publicly available.

3. Requesting Agency: Environmental Quality Division – Dept. of Environmental Health

4. Contact Person: (With actual knowledge of proposed ordinance/resolution.)

- Name: Elizabeth Babcock
- Phone: 720-865-5385
- Email: Elizabeth.babcock@denvergov.org

5. Contact Person: (With actual knowledge of proposed ordinance/resolution who will present the item at Mayor-Council and who will be available for first and second reading, if necessary.)

- Name: Elizabeth Babcock
- Phone: 720-865-5385
- Email: Elizabeth.babcock@denvergov.org

6. General description/background of proposed ordinance including contract scope of work if applicable:

In January of 2016, a task force was convened to provide recommendations to the city for reaching the 2020 climate goal. The task force focused on energy use in commercial and multi-family buildings, which accounts for 57% of Denver's community-wide greenhouse gas emissions. The proposed ordinance adopts a portion of these recommendations to track energy use with the EPA's Portfolio Manager tool, report that data to the city, and make it publicly available.

****Please complete the following fields:** (Incomplete fields may result in a delay in processing. If a field is not applicable, please enter N/A for that field – please do not leave blank.)

- a. **Contract Control Number:** NA
- b. **Contract Term:** NA
- c. **Location:** NA
- d. **Affected Council District:** all
- e. **Benefits:** reduce energy use and greenhouse gas emissions, create jobs, save money on utilities
- f. **Contract Amount (indicate amended amount and new contract total):** NA

7. Is there any controversy surrounding this ordinance? (Groups or individuals who may have concerns about it?) **Please explain.**

EXECUTIVE SUMMARY

Ordinance requesting creation of a requirement for commercial and multi-family buildings over 25,000 square feet to track their energy performance, report it to the city, and make that information publicly available.

In January of 2016, a task force was convened to provide recommendations to the city for reaching the 2020 climate goal. The task force focused on energy use in commercial and multi-family buildings, which accounts for 57% of Denver's community-wide greenhouse gas emissions. The proposed ordinance adopts a portion of these recommendations to track energy use with the Portfolio Manager tool, report that data to the city, and make it publicly available.
