

Key Contract Terms

Vendor/Contractor Name: Sierra Cedar

Contract control number: 201523139

City's contract manager: [Cindy Zec](#)

Was this contractor selected by competitive process? Yes

Term/Duration of contract/project: [08/01/2015 – 12/31/2017](#)

Renewal terms: None

Purpose: This project will implement a new Enterprise Resource Planning (ERP) application called Workday for the City & County of Denver and the Denver International Airport. This solution includes the replacement of the PeopleSoft Human Resources, Payroll and Financials applications. This amendment is for the professional services to implement Workday for DIA.

Cost/value: \$7,000,000

Source of funds: [Ifund \(Capital\) for Year 1-3](#)

Benefit: The implementation of a Cloud based Software as a Service (SaaS) Solution that is highly configurable system with minimum to no customization required. The Workday solution increases the customer experience and usability of the application. This solution also includes vendor supported upgrades, which ensures the City is always on the most current version of the software. Sierra-Cedar is a Workday Certified Partner, accredited in 2010 through Workday's highly selective partner program, and was one of the initial six partners to offer Workday deployment services. They are one of the leading partners in the country focused specifically on local government deployments for Workday. Another benefit is that DIA and the City & County of Denver will now be on the same Financial system.

Termination provision for City and for contractor: 30 days

WBE/MBE/DBE commitments (construction, design, Airport concession contracts):
