

DEPARTMENT OF AVIATION
CITY COUNCIL ORDINANCE REQUEST SUMMARY
Electric Vehicle Fast Charging Stations

Purpose and Use of Agreement(s)

The purpose of Contract No. 202160970 approves Electrify America, LLC, to install an Electric Vehicle Fast Charging Station at Denver International Airport's Commercial Vehicle Holding Lot to serve Transportation Network Companies (TNCs) that have made significant commitments to electrify their Denver fleets.

Electrify America (EA) sets rates by State, so TNC drivers will be paying \$0.43/kilowatt-hour, or \$0.31/kWh if they are part of the discount program. EA will collect those charges.

Contract(s) Description

The Contract's term is for Date of Execution (DOE) plus 10 years. The contract amount is \$24,000.00 annually for a total of \$240,000.00.

Vendor(s)

Contract No. 202160970 – Electrify America, LLC.
