

EASEMENT AGREEMENT

KNOW ALL MEN BY THESE PRESENTS:

That **LOWRY ECONOMIC REDEVELOPMENT AUTHORITY**, a separate legal entity established pursuant to an Intergovernmental Agreement between the City and County of Denver, Colorado, and the City of Aurora, Colorado pursuant to the provisions of C.R.S. § 29-1-203(4), whose address is 555 Uinta Way, Denver, Colorado 80220, hereinafter referred to as "Grantor", for and in consideration of Ten Dollars (\$10.00) and other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, does hereby grant, convey and release to the CITY AND COUNTY OF DENVER, a municipal corporation of the State of Colorado, its successors and assigns, hereinafter referred to as the "City", an exclusive and perpetual easement ("**Easement**") to locate, construct, inspect, operate, maintain, repair, remove, replace, relocate and reconstruct facilities for stormwater and sewage conveyance ("**Facilities**"), into, within, over, upon, across, through and under the following described parcel of land ("**Easement Property**"):

See Exhibit(s) A attached hereto

Grantor hereby warrants that Grantor has full right and lawful authority to grant the Easement and has a fee interest in the Easement Property and, other than the leasehold and possessory interest of Bishop Machebeuf High School, Inc. ("**Lessee**") in the Easement property, as disclosed in the Memorandum of Sublease dated December 20, 2000 and recorded in the Clerk and Recorder's office of the City and County of Denver, State of Colorado on December 28, 2000 under Reception No. 2000187608, there are no other known interests in the Easement Property that could impair the rights granted hereby.

The interest granted to City herein shall specifically include any after acquired rights of Grantor and Lessee in the Easement Property, to the extent of the Easement rights herein stated.

If entering upon the Easement Property to locate, construct, inspect, operate, maintain, repair, remove, replace, relocate and reconstruct the Facilities, the City shall, to the greatest extent practicable, access the Easement Property from public rights of way, private roads or other paths of ingress or egress designated by the Grantor or Lessee that abut the Easement Property.

The City agrees to restore the Easement Property to substantially the same condition as the lands were in prior to the City's entrance onto the Easement Property, whether such access is from public rights of way, private roads or other paths of ingress or egress designated by the Grantor or Lessee, at no cost to the Lessee. City's obligation shall be expressly limited to the following items:

*Return
to:*

Lowry Redevelopment Authority
555 Uinta Way
Denver, CO 80203

1. Repair or replacement of grass, trees, shrubbery and other foliage damaged or removed by virtue of City's ingress to or egress from the Easement Property and/or by virtue of the City's construction, inspection, maintenance, repair, removal, replacement, relocation or reconstruction of the Facilities, and maintenance of the surface elevation within the Easement Property in connection therewith; and
2. Repair or replacement of the sprinkler system and other irrigation equipment damaged or destroyed by virtue of City's ingress to or egress from the Easement Property and/or by virtue of the City's construction, inspection, maintenance, repair, removal, replacement, relocation or reconstruction of the Facilities.

In the event the City needs to perform any routine maintenance or repair of the Facilities it must access the Easement Property from abutting streets or public rights of way. In such case, the City will endeavor to provide Lessee with at least five (5) days advance notice prior to entry on the Easement Property and, except in the case of emergencies, will endeavor to coordinate with Lessee with respect to any such routine maintenance or repair of the Facilities.

Lessee, its successors and assigns, reserves the right to fully use and enjoy the Easement Property, so long as such use and enjoyment shall not unreasonably interfere with the installation, construction, maintenance, repair, inspection, operation, relocation, and reconstruction of the Facilities installed or permitted to be installed by City, and provided that the Lessee shall not erect or place any building, structure, tree, or other below or above ground obstruction on the Easement Property, except as exists as of the date hereof. In the event the terms of this Easement are violated, such violation shall promptly be corrected by Lessee upon receipt of written notice from the City, or the City may elect to correct or eliminate such violation. Lessee shall promptly reimburse the City for its reasonable costs and expenses actually incurred by the City in enforcing the terms of this Easement Agreement.

It is the intention of Grantor that the Easement created pursuant to this Easement Agreement shall, immediately upon Lessee obtaining fee simple title to the Easement Property, extend and bind the fee simple title to the Easement Property, without the necessity of any further documentation. Notwithstanding the foregoing, however, Lessee agrees to execute and record such additional and further documentation as may be reasonably necessary to implement the terms and intent of this Easement Agreement.

Notwithstanding the common ownership of the Easement Property and the Easement as of the date of this Easement Agreement, it is the specific intention of the Grantor that there shall be no merger of interests as a result of such common ownership, but that the easements and other rights created, and burdens imposed, pursuant hereto shall survive any such common ownership.

Signed and delivered this 20th day of August, 2007.
