## Key Contract Terms

**Type of Contract:** Design Build Services

**Vendor/Contractor Name:** Bombardier Transportation (Holding) USA, Inc

**Contract control number:** 201840510-00

**Location:** Denver International Airport (DEN)

**Is this a new contract?**  Yes  No **Is this an Amendment?**  Yes  No **If yes, how many?** \_\_\_\_\_

**Contract Term/Duration (for amended contracts, include existing term dates and amended dates):**

DOE - 09/03/2021

3 years, with two (2) one (1) year extension terms.

**Contract Amount (indicate existing amount, amended amount and new contract total):**

<i>Current Contract Amount</i>	<i>Additional Funds</i>	<i>Total Contract Amount</i>
<i>(A)</i>	<i>(B)</i>	<i>(A+B)</i>
\$8,641,089.00	N/A	\$8,641,089.00

<i>Current Contract Term</i>	<i>Added Time</i>	<i>New Ending Date</i>
DOE - 09/03/2021	N/A	09/03/2021

**Scope of work:**

Provide engineering, design, procurement and construction services to facilitate the design and construction associated with the removal and replacement of the existing 80 door sets for the AGTS station doors located on the Terminal, Concourses A, B and C. This includes all costs associated with fabrication and installation of the new doors, integrated passenger counting system and all associated management and supervision services.

**Was this contractor selected by competitive process?** No **If not, why not?** There are no other contractors or designers that can design or perform services for the AGTS system. Based upon DEN’s knowledge of the industry, the nature of the Denver Must-ride system, and the amount of on-going and planned work to this system, proceeding with Bombardier as the sole source contractor presents the lowest risk of impact to Airport Operations, the most workable solution, the required level of reliability and the provisions necessary to allow for the required upgrades to the system. Also, DEN has already approved a Professional Preference letter with regards to Bombardier being contracted for the AGTS Operations and Maintenance Contract. Based on this information and for this project to proceed in a reasonable and economical process, it is recommended that Bombardier be awarded the contract for designing and engineering the necessary door modifications to this system

**Has this contractor provided these services to the City before?**  Yes  No

**Source of funds:** DEN CIP

**Is this contract subject to:**  W/MBE  DBE  SBE  XO101  ACDBE  N/A

**WBE/MBE/DBE commitments (construction, design, Airport concession contracts):**

N/A for Design

5% for Construction

**Who are the subcontractors to this contract?** None determined at this time due to the nature of the Design/Build contract.
