

Key Contract Terms

Type of Contract: Master Purchase Order (MPO)

X Contract > \$500K ___ Lease ___ Sale/purchase of personal property ___ Grant ___ IGA
___ Sale of real property

Vendor/Contractor Name: John Bean Technologies Corporation, dba JBT AeroTech, Jetway Systems

Contract control number: 0823A0115

City's contract manager: Curtis Subia

Was this contractor selected by competitive process? Yes, RFP conducted by General Services Purchasing

Has this contractor provided these services to the City before? Yes, JBT has provided many bridges for the airport.

Term/Duration of contract/project: Through December 31, 2016, 6 possible yearly extensions.

Is this a new contract? **y**/n ___ An amendment? **y**/n ___ How many amendments? ___

Renewal terms: Standard MPO renewal terms, extended for six (6) potential renewals.

Purpose: This is an MPO to establish a standardization for the Jet Bridge replacement program at Denver International Airport (DEN).

Scope of services with performance bench marks: Supply the bridges for the program as needed and as defined by the program.

Cost/value: \$45,000,000.00

Source of funds: Capital Equipment Funding, potential O&M funding.

Benefit: This will allow the replacement of jet bridges that are ageing out of usefulness at DEN. The format of this bid process will also the City and Airport to standardize new jet bridges to reduce long term supply needs and costs. This MPO is also set up to allow installation, with a S/M/WBE GOAL of 1.34% of total costs, (installation is very small component of the overall price) or to allow the City to purchase the bridges only and have an on-call with potentially larger GOALS complete the installation.

Termination provision for City and for contractor: Standard City termination clause.
