5. Describe the proposed ordinance, including what the proposed ordinance is intended to accomplish, who's involved

a. Scope of Work

The proposed ordinance is intended to make a payment to Insight as oracle's reseller for database software maintenance covering the period of August 30th, 2011 to August 29th, 2012 in the amount of \$521,901.12. This software is utilized by numerous agencies through the City and County for data collection and management. The benefit of having support from the vendor is that the City is entitled to new patches, fixes, enhancements, and releases for the products as well as the ability for City and County of Denver employees to be able to place phone calls and log tickets to report problems and request resolution from the vendor. This support will need to be renewed yearly.

b. Duration

8/30/11 -8/29/12

c. Location

Citywide.

d. Affected Council District

All.

e. Benefits

The City is entitled to new patches, fixes, enhancements, and releases for the products covered as well as the ability for City and County of Denver employees to be able to place phone calls and log tickets to report problems and request resolution from the vendor.

f. Costs

\$521,901.12.

6. Is there any controversy surrounding this ordinance, groups or individuals who may have concerns about it? Please explain.

No.
