** Subject to change as provided for in this Notice of Sale under SALE RESERVATIONS.

ADJUSTMENTS TO PRINCIPAL AMOUNTS: The aggregate principal amount and the principal amount of each maturity of the Series 2026A Bonds described above are subject to adjustment, after determination of the best bid, to the extent appropriate to generate proceeds consistent with the purpose for which the Series 2026A Bonds are being executed and delivered. Changes to be made will be communicated to the successful bidder at the time of award of the Series 2026A Bonds, and will not reduce or increase the amount of the Series 2026A Bonds maturing in any year by 15% from the amounts shown in the maturity schedule above or change the aggregate principal amount of the Series 2026A Bonds by more than 15%. If the principal amount is modified, the underwriting discount percentage (not the dollar amount of the underwriting discount) will be held constant according to the underwriting discount percentage imputed in the reoffering yields of the successful bidder. The successful bidder may not withdraw its bid as a result of any changes made within these limits. By submitting its bid, each bidder agrees to purchase the Series 2026A Bonds in such adjusted principal amounts and to modify the purchase price for the Series 2026A Bonds to reflect such adjusted principal amounts. The bidder further agrees that the interest rates for the various maturities as designated by the bidder in its bid will apply to any adjusted principal amounts of such maturities.

SALE RESERVATIONS: The following rights are reserved: (1) the right to amend this Notice of Sale at any time prior to the time for receipt of bids by publishing amendments through Parity; (2) the right to reject any and all bids for the Series 2026A Bonds; (3) the right to reoffer the Series 2026A Bonds for public or negotiated sale; (4) the right to waive any irregularity or informality in any bid; and (5) the right to adjust the principal amount in each maturity or in aggregate, or reschedule the receipt of bids for the Series 2026A Bonds by giving notice thereof as promptly as reasonably possible by publishing amendments through Parity or such other oral or written communication as the Municipal Advisor may select.

REDEMPTION PROVISIONS:

A. *Optional Redemption.* The Series 2026A Bonds maturing on and after August 1, [2036], are subject to redemption prior to their respective maturities, at the option of the City, in whole or in part,

in integral multiples of \$5,000, from such maturities as are selected by the City, and if less than all of the Series 2026A Bonds of a maturity are to be redeemed, the Series 2026A Bonds of such maturity are to be selected by lot (giving proportionate weight to Series 2026A Bonds in denominations larger than \$5,000), on August 1, [2035], or on any date thereafter, at a redemption price equal to the principal amount of the Series 2026A Bond or portion thereof so redeemed, plus accrued interest to the redemption date, without a redemption premium.

B. *Term Bonds and Mandatory Sinking Fund Redemption.* Any maturities of the Series 2026A Bonds may be combined, at the option of the bidders, into term bonds. Any single term bond is required to bear a single interest rate and be subject to mandatory sinking fund redemption on the dates and in the amounts shown above under “MATURITIES.”

INTEREST RATES AND LIMITATIONS:

1. Interest will be payable on February 1 and August 1 of each year, commencing on August 1, 2026 and will be computed on the basis of a 360-day year of twelve 30-day months.

2. The Series 2026A Bonds will be dated their date of delivery, which is expected to be [], 2026 (the “Closing Date”).

3. Each maturity of the Series 2026A Bonds maturing prior to August 1, [2036] must have an interest rate of 5.00% and each maturity maturing on or after August 1, [2036] must have an interest rate of 5.50%.

4. The net effective interest rate on the Series 2026A Bonds shall not exceed 5.50%. For the purposes of this calculation, the following definitions apply:

“Net effective interest rate” of a proposed issue of bonds means the net interest cost of the issue divided by the sum of the products derived by multiplying the principal amount of such issue maturing on each maturity date by the number of years from the date of said proposed bonds to their respective maturities. In all cases the net effective interest rate shall be computed without regard to any option of redemption prior to the designated maturity dates of the bonds, but shall take into account mandatory sinking fund redemptions.

“Net interest cost” of a proposed issue of bonds means the total amount of interest to accrue on said bonds from their date to their respective maturities or mandatory prior redemption dates, plus the amount of any discount below par, or less the amount of any premium above par at which said bonds are being or have been sold. In all cases the net interest cost shall be computed without regard to any option of redemption prior to the designated maturity dates of the bonds.

PURCHASE PRICE: The purchase price bid for the Series 2026A Bonds shall not be less than [101%] of the par amount of the Series 2026A Bonds.

PURPOSE OF SALE: The City expects to use the net proceeds of the Series 2026A Bonds to finance the cost of acquiring, constructing, installing and improving various infrastructure and facilities across the City and pay the costs of issuance of the Series 2026A Bonds.

See also TIME OF AWARD below.

In the Ordinance, the City irrevocably covenants to budget and appropriate sufficient funds to pay the principal of, interest on and premium, if any, on the Series 2026A Bonds when due and to levy and collect ad valorem taxes for this purpose. The City pledges its full faith and credit for the payment of the Series 2026A Bonds.

BID PROPOSAL: Any bidder is required to submit an unconditional bid specifying the interest rates and premium, if any, at which the bidder will purchase all of the Series 2026A Bonds.

Each bidder must submit its bid electronically by means of Parity, as provided below, and any bid in any other form may be disregarded.

PARITY: All bids must be submitted electronically via Parity in accordance with Parity’s Rules of Participation in addition to the requirements of this Notice. No other provider of bidding services and no other means of delivery (i.e., telephone, facsimile or physical delivery) will be accepted. To bid, bidders must first register with Parity. Only NASD registered broker-dealers and dealer banks with DTC clearing arrangements will be eligible to bid. Bidders who have previously registered with Parity may call (212) 849-5021 for their ID number or password. In the event of a general malfunction in the electronic bidding process, bidders will be contacted to reschedule bidding. To the extent Parity’s Rules of Participation or any instruction or directions set forth by Parity conflict with this Notice, the terms of this Notice shall

* Preliminary, subject to change as provided for in this Notice of Sale under ADJUSTMENTS TO PRINCIPAL AMOUNTS and SALE RESERVATIONS. The right to increase or decrease this aggregate principal amount and related principal amounts maturing in each year is reserved. The final aggregate principal amount and related principal amounts maturing in each year may be published via Parity. See also ADJUSTMENTS TO PRINCIPAL AMOUNTS and SALE RESERVATIONS.

control. Information regarding Parity, including any fees charged, may be obtained from i-Deal LLC, 2nd Floor, 1359 Broadway, New York, New York 10018 (telephone: (212) 849-5021).

Bids for the Series 2026A Bonds must be electronically submitted via Parity no later than [8:30 a.m.], Denver time on [, 2026] (or such later date or time as may be posted via Parity), and no bids will be received after that time. Once the bids are communicated electronically via Parity, each bid shall constitute an irrevocable offer to purchase the Series 2026A Bonds on the terms therein provided and shall be binding upon the bidder. For all purposes of the Parity electronic bidding process, the time as maintained on Parity shall constitute the official time.

By bidding for the Series 2026A Bonds, each bidder represents and warrants to the City that such bidder's bid for the purchase of the Series 2026A Bonds is submitted for and on behalf of such bidder by an officer or agent who is duly authorized to bind such bidder to a legal, valid and enforceable contract for the purchase of the Series 2026A Bonds. Each bidder shall be solely responsible for making necessary arrangements to access Parity for purposes of submitting its bid in a timely manner and in compliance with the requirements of this Notice and Parity's Rules of Participation. Neither the City, the Municipal Advisor, Bond Counsel, nor Parity shall have any duty or obligation to provide or assure such access to any bidder, and neither the City, the Municipal Advisor, Bond Counsel, nor Parity shall be responsible for proper operation of, or have any liability for, any delays or interruptions of, or any damages caused by, the use of Parity. The City is using Parity as a communication mechanism, and not as the City's agent, to conduct the electronic bidding for the Series 2026A Bonds.

The City will notify the apparent successful bidder electronically (via Parity) as soon as possible after the City's receipt of bids, that such bidder's bid appears to be the best conforming bid received for the Series 2026A Bonds, subject to verification by the City and official action to be taken by the City's Chief Financial Officer as Manager of Finance/ex-officio Treasurer or her designee (the "Chief Financial Officer") as described in "Time of Award" below. Promptly upon such notification, the apparent successful bidder will be required to confirm its bid by providing the City with signed documentation of its bid satisfactory to the Chief Financial Officer.

BASIS OF AWARD: Subject to the sale reservations and limitations set forth herein, the Series 2026A Bonds will be sold to the responsible bidder making the best bid therefor. The best bid(s) will be determined by computing the actuarial yield on the Series 2026A Bonds (*i.e.*, using an actuarial or true interest cost method) for each bid received. "True interest cost" on the Series 2026A Bonds as used herein means that yield which if used to compute the present worth as of the estimated delivery date of the Series 2026A Bonds of all payments of principal and interest to be made on the Series 2026A Bonds from the estimated delivery date to their respective maturity dates using the interest rates specified in the bid and the principal amounts specified in the Maturity Schedule, produces an amount equal to the principal amount of the Series 2026A Bonds, plus any premium bid. All interest calculations and the calculation of the best bid shall be based on a 360-day year and a semiannual compounding interval. If an award is made, it will be made to the bidder whose bid results in the lowest true interest cost, *i.e.*, to the bidder making the bid resulting in the lowest true interest cost on the Series 2026A Bonds. If two or more equal bids for the Series 2026A Bonds are received and such equal bids are the best bids received, the City will determine which bid will be accepted.

TIME OF AWARD: Bids will be received at the time hereinabove specified. The City Council has authorized certain designated officers, on behalf of the City, to accept the best responsible bid for the purchase of the Series 2026A Bonds, and to accept such bid, for and in the name of the City, by notice to the winning bidder. The City will award the Series 2026A Bonds or reject all bids not later than twenty-four (24) hours after the expiration of the time herein specified for the receipt of bids unless such time of award is waived by the winning bidder. See also AUTHORIZATION above.

SUCCESSFUL BIDDERS REOFFERING YIELDS AND ESTABLISHING THE ISSUE

PRICE: At or before 12:00 noon, Mountain time, on the day of sale, the successful bidder for the Series 2026A Bonds must provide to the City's Municipal Advisor, by electronic transmission or by other means acceptable to the Municipal Advisor, the initial prices and yields to the public (excluding bond houses, brokers, or similar persons acting in the capacity of underwriters or wholesalers) at which ten percent of each maturity of the Series 2026A Bonds was sold, in an aggregate dollar amount. The successful bidder for the Series 2026A Bonds must also certify to the City in writing prior to delivery of the Series 2026A Bonds that the Series 2026A Bonds were sold as fixed interest rate bonds as described in the final Official Statement. The successful bidder will be required to agree to the terms for establishing the issue prices of the Series 2026A Bonds, as set forth on Appendix A hereto which is incorporated in this Notice of Sale by reference.

GOOD FAITH DEPOSIT: A good faith deposit in the amount of \$1,000,000 will be required to be made by the apparent winning bidder after the bids have been received. The apparent winning bidder will be required to wire the good faith deposit to the City no later than 2:00 p.m. Eastern Time (12:00 p.m. Mountain Time) on [], 2026. The Municipal Advisor will contact the apparent winning bidder and request the apparent winning bidder to wire such good faith deposit and the apparent winning bidder shall provide the federal wire reference number of such good faith deposit to the City by 2:00 p.m. Eastern Time (12:00 p.m. Mountain Time) on [], 2026. Wire instructions for the delivery of the Good Faith Deposit will be provided to the apparent winning bidder after the bids have been received.

The Series 2026A Bonds will not be officially awarded to a bidder until such time as the bidder has provided a federal wire reference number for the good faith deposit to the City.

No interest on the good faith deposit will accrue to any bidder. The good faith deposit of the winning bidder for the Series 2026A Bonds will be applied to the purchase price of the Series 2026A Bonds. In the event the winning bidder for the Series 2026A Bonds fails to honor its accepted bid, the good faith deposit plus any interest accrued on the good faith deposit will be retained by the City. Any investment income earned on the good faith deposit will not be credited to the winning bidder on the purchase price of the Series 2026A Bonds.

MANNER AND TIME OF DELIVERY: The good faith deposit of the successful bidder will be applied to the purchase price of the Series 2026A Bonds. It is anticipated that the Series 2026A Bonds will be delivered to the successful bidder without expense through the facilities of DTC in New York, New York, on [], 2026, or as soon as practicable thereafter, and thereupon such successful bidder shall be required to accept delivery of the Series 2026A Bonds, purchase and pay, in federal funds, the balance of the purchase price due.

The successful bidder will be required to make payment of the balance due for the Series 2026A Bonds at a bank or trust company designated by the Chief Financial Officer, as the Manager of Finance, *ex officio* Treasurer of the City. Payment of the balance of the purchase price due at delivery must be made in Federal Reserve Funds or other funds acceptable to the City for immediate and unconditional credit to the City. The Series 2026A Bonds will be delivered at the office of The Depository Trust Company in New York, New York, on confirmation by the City of receipt of the balance of the purchase price.

If the successful bidder fails or neglects to complete the purchase of the Series 2026A Bonds when the Series 2026A Bonds are tendered for delivery, the amount of the good faith deposit will be forfeited (as liquidated damages for noncompliance with the bid), except as hereinafter provided. In that event the Series 2026A Bonds may be reoffered for public or negotiated sale. The successful bidder will not be required to accept delivery of the Series 2026A Bonds if they are not tendered for delivery within 60 days from the Bid Date. If the Series 2026A Bonds are not so tendered within said period of time, the good faith deposit will be returned to the successful bidder upon request.

PURCHASER’S CERTIFICATE: The apparent winning bidder will be required to execute and deliver a certificate on the Closing Date in the applicable form attached hereto as Appendix B (the “Purchaser’s Certificate”). SUBMISSION OF A BID TO PURCHASE THE SERIES 2026A BONDS CONSTITUTES A COVENANT TO DELIVER THE PURCHASER’S CERTIFICATE WITHOUT CHANGES UNLESS BOND COUNSEL (DEFINED BELOW) HAS APPROVED SUCH CHANGES PRIOR TO THE SALE DATE OF [], 2026. If on or prior to the Bid Date the apparent winning bidder does not indicate its willingness to execute the Purchaser’s Certificate, the City will award the bid to the responsible bidder making the next best bid therefor who agrees to execute and deliver the Purchaser’s Certificate.

CUSIP NUMBERS: CUSIP numbers will be ordered by the Municipal Advisor and will be paid for as a cost of issuance of the Series 2026A Bonds. CUSIP numbers will be printed on the Series 2026A Bonds. If a wrong number is imprinted on any Series 2026A Bond or if a number is not printed thereon, any such error or omission will not constitute cause for the winning bidder to refuse delivery of any Series 2026A Bond.

OFFICIAL STATEMENT: The Preliminary Official Statement is “deemed final” by the Chief Financial Officer, as the Manager of Finance, *ex officio* Treasurer of the City. Within seven (7) business days after the award of the Series 2026A Bonds to the successful bidder, a maximum of fifty (50) copies of the final Official Statement in substantially the same form as the Preliminary Official Statement, subject to minor additions, deletions and revisions, will be delivered to the successful bidder without charge. If the successful bidder requires additional copies of the final Official Statement, it must notify the Municipal Advisor and agree to pay the cost of such additional copies within five (5) business days of the award of the Series 2026A Bonds. In addition to the information required to be included in its bid, the successful bidder must (1) provide to the Municipal Advisor, all information relating to offering prices, selling compensation and the identity of the underwriters necessary to complete the final Official Statement within twenty-four (24) hours after the award of the Series 2026A Bonds and (2) provide to the Municipal Advisor a list of the underwriters involved in the transaction together with a list of the participating dealers (if different) and the percentage of participation of each within thirty (30) days after the delivery of the proceeds from the sale of the Series 2026A Bonds.

No dealer, salesman, or other person has been authorized to give any information or to make any representation with respect to the Series 2026A Bonds which is not contained in the Official Statement, and, if given or made, such other information or representation must not be relied upon as having been authorized by the Municipal Advisor or the City. The information in the Official Statement is subject to change and neither the delivery of the Official Statement nor any sale made after any such delivery is to, under any circumstances, create any implication that there has been no change since the date of the Official Statement. The Official Statement does not constitute an offer to sell or the solicitation of any offer to buy, and there may not be any sale of any of the Series 2026A Bonds, by any person in any jurisdiction in which it is unlawful for such person to make such offer, solicitation or sale.

CONTINUING DISCLOSURE: In connection with the issuance of the Series 2026A Bonds the City will execute a Continuing Disclosure Undertaking, in substantially the form as set forth in Appendix C to the Preliminary Official Statement.

LEGAL OPINION; TRANSCRIPT: The Series 2026A Bonds are offered when, as and if executed and delivered by the City subject to approval of legality and other matters by Kutak Rock LLP, Colorado, as Bond Counsel (“Bond Counsel”), and to certain other conditions. The proposed form of opinion of Bond Counsel is set forth as Appendix D to the Preliminary Official Statement.

The successful bidder will receive without charge, with the Series 2026A Bonds in a form acceptable to DTC, (1) the originally signed opinion of Bond Counsel, (2) the final Official Statement referred to above, and (3) a transcript of legal proceedings. The transcript of legal proceedings will also include, among other documents:

A. A certificate executed by officials of the City, including the City Attorney, stating that to the best of their knowledge there is no litigation pending affecting the validity of the Series 2026A Bonds as of the date of their delivery;

B. A certificate executed by officials of the City stating that, to the best of knowledge of such officials, the final Official Statement as of its date did not contain any untrue statement of a material fact or omit to state any material fact necessary to make the statements made in the final Official Statement, in the light of the circumstances under which they were made, not misleading, and that, to the best of such officials' knowledge, since the date of the final Official Statement no event has occurred which would cause the final Official Statement as of the date of the delivery of the Series 2026A Bonds to contain any untrue statement of a material fact or to omit to state any material fact necessary to make the statements made in the final Official Statement, in the light of the circumstances under which they were made, not misleading (provided that information relating to The Depository Trust Company will be excluded from such statements; and further provided that, if between the date of the public sale of the Series 2026A Bonds and the date of delivery of the Series 2026A Bonds, any event should occur or be discovered which would cause the final Official Statement to contain an untrue statement of a material fact or to omit to state a material fact necessary to make the statements therein, in the light of the circumstances under which they were made, not misleading, the City shall notify the purchaser thereof and shall cooperate in any necessary supplement or amendment to the final Official Statement as described above under "Official Statement"); and

C. A letter from Ballard Spahr LLP, Disclosure Counsel, addressed to the purchaser of the Series 2026A Bonds, to the effect that the firm is not passing upon and does not assume any responsibility for the accuracy, completeness or fairness of any of the statements contained in the final Official Statement and has not independently verified the accuracy, completeness or fairness of any such statements, but that, in its capacity as Disclosure Counsel, during the course of the preparation of the final Official Statement, certain of its lawyers responsible for the matter participated in conferences at which contents of the final Official Statement and related matters were discussed, and based on its participation in such conferences, and in reliance thereon and on certain other documents, no information came to the attention of the firm to lead it to believe that the final Official Statement (except any financial statements, economic, demographic, engineering, financial, technical or statistical data, any information relating to CUSIP numbers and information about CUSIP Global Services, any information concerning The Depository Trust Company, any statements of expectations, or any expressions of opinion, any appendices to the final Official Statement, information concerning the tax status of the Series 2026A Bonds, and certain other customary exclusions, as to which such firm will make no statement) as of its date either contained an untrue statement of any material fact or omitted to state a material fact necessary to make the statements made, in the light of the circumstances under which they were made, not misleading.

GOVERNING LAW AND VENUE: This Notice of Public Sale and the contract formed when the City accepts the winning bid is governed by the laws of the State of Colorado. By submitting a bid, each bidder consents to the exclusive jurisdiction of any court of the State of Colorado located in the City and County of Denver or the United States District Court for the State of Colorado for the purpose of any

suit, action or other proceeding arising under this Notice of Public Sale, and each bidder hereby irrevocably agrees that all claims in respect of any such suit, action or proceeding may be heard and determined by such court. Each bidder further agrees that service of process in any such action commenced in such State or federal court shall be effective on such bidder by deposit of the same as registered mail addressed to the bidder at the address set forth in the bid submitted by the bidder.

**APPENDIX A
ESTABLISHING THE ISSUE PRICE**

**(HOLD-THE-OFFERING-PRICE RULE MAY APPLY IF COMPETITIVE SALE
REQUIREMENTS NOT SATISFIED)**

(a) The winning bidder shall assist the City in establishing the issue price of the Series 2026A Bonds and shall execute and deliver to the City on the Closing Date prior to the closing an “issue price” or similar certificate setting forth the reasonably expected initial offering price to the public or the sales price or prices of the Series 2026A Bonds, together with the supporting pricing wires or equivalent communications, substantially in the applicable form attached to this Notice of Sale as Appendix B, with such modifications as may be appropriate or necessary, in the reasonable judgment of the winning bidder, the City and Bond Counsel. All actions to be taken by the City under this Notice of Sale to establish the issue price of the Series 2026A Bonds may be taken on behalf of the City by the Municipal Advisor identified in this Notice of Sale and any notice or report to be provided to the City may be provided to the Municipal Advisor.

(b) The City intends that the provisions of Treasury Regulation Section 1.148-1(f)(3)(i) (defining “competitive sale” for purposes of establishing the issue price of the Series 2026A Bonds) will apply to the initial sale of the Series 2026A Bonds (the “competitive sale requirements”) because:

- (1) the City will disseminate this Notice of Sale to potential underwriters in a manner that is reasonably designed to reach potential underwriters;
- (2) all bidders are to have an equal opportunity to bid;
- (3) the City may receive bids from at least three underwriters of municipal bonds who have established industry reputations for underwriting new issuances of municipal bonds; and
- (4) the City anticipates awarding the sale of the Series 2026A Bonds to the bidder who submits a firm offer to purchase the Series 2026A Bonds at the highest price (or lowest interest cost), as set forth in this Notice of Sale.

Any bid submitted pursuant to this Notice of Sale shall be considered a firm offer for the purchase of the Series 2026A Bonds, as specified in the bid.

(c) In the event that the competitive sale requirements are not satisfied, the City shall so advise the winning bidder. The City may determine to treat (i) the first price at which 10% of a maturity of the Series 2026A Bonds (the “10% test”) is sold to the public as the issue price of that maturity and/or (ii) the initial offering price to the public as of the sale date of any maturity of the Series 2026A Bonds as the issue price of that maturity (the “hold-the-offering-price rule”), in each case applied on a maturity-by-maturity basis (and if different interest rates apply within a maturity, to each separate CUSIP number within that maturity). The winning bidder shall advise the City if any maturity of the Series 2026A Bonds satisfies the 10% test as of the date and time of the award of the Series 2026A Bonds. The City shall promptly advise the winning bidder, at or before the time of award of the Series 2026A Bonds, which maturities (and if different interest rates apply within a maturity, which separate CUSIP number within that maturity) of the Series 2026A Bonds shall be subject to the 10% test or shall be subject to the hold-the-offering-price rule. The City currently anticipates that it will require bidders to comply with the hold-the-offering-price rule with regard to all maturities of the Series 2026A Bonds for which the 10% test is not satisfied as of the sale date. Bids will not be subject to cancellation in the event that the City determines to apply the hold-the-offering-price rule to any maturity of the Series 2026A Bonds. Bidders should prepare their bids on the assumption that some or all of the maturities

of the Series 2026A Bonds will be subject to the hold-the-offering-price rule in order to establish the issue price of the Series 2026A Bonds.

(d) By submitting a bid, the winning bidder shall (i) confirm that the underwriters have offered or will offer the Series 2026A Bonds to the public on or before the date of award at the offering price or prices (the “initial offering price”), or at the corresponding yield or yields, set forth in the bid submitted by the winning bidder and (ii) agree, on behalf of the underwriters participating in the purchase of the Series 2026A Bonds, that the underwriters will neither offer nor sell unsold Series 2026A Bonds of any maturity to which the hold-the-offering-price rule shall apply to any person at a price that is higher than the initial offering price to the public during the period starting on the sale date and ending on the earlier of the following:

- (1) the close of the fifth (5th) business day after the sale date; or
- (2) the date on which the underwriters have sold at least 10% of that maturity of the Series 2026A Bonds to the public at a price that is no higher than the initial offering price to the public.

The winning bidder shall promptly advise the City when the underwriters have sold 10% of that maturity of the Series 2026A Bonds to the public at a price that is no higher than the initial offering price to the public, if that occurs prior to the close of the fifth (5th) business day after the sale date.

(e) If the competitive sale requirements are not satisfied, then until the 10% test has been satisfied as to each maturity of the Series 2026A Bonds, the winning bidder agrees to promptly report to the City the prices at which the unsold Series 2026A Bonds of that maturity have been sold to the public. That reporting obligation shall continue, whether or not the Closing Date has occurred, until the 10% test has been satisfied as to the Series 2026A Bonds of that maturity or until all Series 2026A Bonds of that maturity have been sold.

(f) The City acknowledges that, in making the representation set forth above, the winning bidder will rely on (i) the agreement of each underwriter to comply with the hold-the-offering-price rule, as set forth in an agreement among underwriters and the related pricing wires, (ii) in the event a selling group has been created in connection with the initial sale of the Series 2026A Bonds to the public, the agreement of each dealer who is a member of the selling group to comply with the hold-the-offering-price rule, as set forth in a selling group agreement and the related pricing wires, and (iii) in the event that an underwriter is a party to a retail distribution agreement that was employed in connection with the initial sale of the Series 2026A Bonds to the public, the agreement of each broker-dealer that is a party to such agreement to comply with the hold-the-offering-price rule, as set forth in the retail distribution agreement and the related pricing wires. The City further acknowledges that each underwriter shall be solely liable for its failure to comply with its agreement regarding the hold-the-offering-price rule and that no underwriter shall be liable for the failure of any other underwriter, or of any dealer who is a member of a selling group, or of any broker-dealer that is a party to a retail distribution agreement to comply with its corresponding agreement regarding the hold-the-offering-price rule as applicable to the Series 2026A Bonds.

(g) By submitting a bid, each bidder confirms that: (i) any agreement among underwriters, any selling group agreement and each retail distribution agreement (to which the bidder is a party) relating to the initial sale of the Series 2026A Bonds to the public, together with the related pricing wires, contains or will contain language obligating each underwriter, each dealer who is a member of the selling group, and each broker-dealer that is a party to such retail distribution agreement, as applicable, to (A) report the prices at which it sells to the public the unsold Series 2026A Bonds of each maturity allotted to it until it is notified by the winning bidder that either the 10% test has been satisfied as to the Series 2026A Bonds of that maturity or all Series 2026A Bonds of that maturity have been sold to the public and (B) comply with the hold-the-offering-price rule, if applicable, in each case if and for so long as directed by the winning bidder and as set forth in the related pricing wires, and (ii) any agreement among underwriters relating to the initial sale of the Series 2026A

Bonds to the public, together with the related pricing wires, contains or will contain language obligating each underwriter that is a party to a retail distribution agreement to be employed in connection with the initial sale of the Series 2026A Bonds to the public to require each broker-dealer that is a party to such retail distribution agreement to (A) report the prices at which it sells to the public the unsold Series 2026A Bonds of each maturity allotted to it until it is notified by the winning bidder or such underwriter that either the 10% test has been satisfied as to the Series 2026A Bonds of that maturity or all Series 2026A Bonds of that maturity have been sold to the public and (B) comply with the hold-the-offering-price rule, if applicable, in each case if and for so long as directed by the winning bidder or such underwriter and as set forth in the related pricing wires.

(h) Sales of any Series 2026A Bonds to any person that is a related party to an underwriter shall not constitute sales to the public for purposes of this Notice of Sale. Further, for purposes of this Notice of Sale:

- (i) “public” means any person other than an underwriter or a related party,
- (ii) “underwriter” means (A) any person that agrees pursuant to a written contract with the City (or with the lead underwriter to form an underwriting syndicate) to participate in the initial sale of the Series 2026A Bonds to the public and (B) any person that agrees pursuant to a written contract directly or indirectly with a person described in clause (A) to participate in the initial sale of the Series 2026A Bonds to the public (including a member of a selling group or a party to a retail distribution agreement participating in the initial sale of the Series 2026A Bonds to the public),
- (iii) a purchaser of any of the Series 2026A Bonds is a “related party” to an underwriter if the underwriter and the purchaser are subject, directly or indirectly, to (i) at least 50% common ownership of the voting power or the total value of their stock, if both entities are corporations (including direct ownership by one corporation of another), (ii) more than 50% common ownership of their capital interests or profits interests, if both entities are partnerships (including direct ownership by one partnership of another), or (iii) more than 50% common ownership of the value of the outstanding stock of the corporation or the capital interests or profit interests of the partnership, as applicable, if one entity is a corporation and the other entity is a partnership (including direct ownership of the applicable stock or interests by one entity of the other), and
- (iv) “sale date” means the date that the Series 2026A Bonds are awarded by the City to the winning bidder.
