

Sept 25, 2017

Rafael:

Please ask your colleagues to vote for the Packard Historic District in North Denver. Years ago when the Lo Do Historic District went in, some business folks said, "Gallagher, you vote against all that historic stuff!" Now they come out and give me hugs for all the tax benefits and values it has brought them.

Much appreciated

Dennis Gallagher
dgallag954@aol.com.
