Delwest Development Corporation requests a \$6,760,000 cash flow loan to support the development of 170 affordable rental units for the Albion Apartments project. The Albion Apartments project is located at 2222 S Albion St, in the University Hills neighborhood. Delwest will combine Denver's funding with a bridge loan to complete acquisition of the land.

The building seeks to serve families by providing larger units including 27% family sized 3- and 4-bedroom units. Two-bedroom units make up the rest of the building and provide residents with almost 1,000 square feet of living area. Delwest has also included space in the building for a 5,000-sf early childhood center with adjoined 1,300 sf covered outdoor space on the second floor. They intend to partner with national school program, Wildflower Schools, for an on-site Montessori childcare facility that focuses on underserved communities.

The Borrower will be required to house people with low/moderate incomes as shown in the following table. The rental and occupancy restrictions detailed below will be secured by a Covenant that will be recorded against the property and will run with the land for a minimum of 99 years.
