1. Bill Description for the City Council Agenda: (please give a one sentence description of the ordinance request. Describe if the request is a contract, amendment, lease, grant, change to code, rezoning, etc. and any other information that Council needs to approve the request)

This bill amends the Stapleton Urban Redevelopment Area Cooperation Agreement between the City and County of Denver and the Denver Urban Renewal Authority (DURA), to allow for DURA to enter into a Loan Agreement for a \$60 million credit facility, to be repaid from tax increment revenues at Stapleton, and if such revenues are insufficient, the Loan payments will be made with funds in the City Retained Tax (CRT) Fund under the Indenture. DURA’s loan will facilitate continued development within the Stapleton Urban Redevelopment Area.

5. Background on the request:

The Stapleton Urban Redevelopment Area has immediate needs to construct trunk (regional) infrastructure to support continued development, but these needs exceed annual uncommitted TIF revenues. Funds must be borrowed to meet these needs and the current source of funds (developer advances) is inefficient. This proposal does the most to maximize remaining TIF funds for trunk infrastructure while minimizing, to the extent possible, risk to the City that CRT monies will be needed to meet the repayment obligation of DURA on the Loan.

6. Please complete the following fields:

- A. Location:** Stapleton Urban Redevelopment Area
- B. Affected Council District:** 11
- C. Benefits:** Provides a flexible funding facility that lowers interest rates on new borrowings and leverages tax increment revenues to narrow the existing infrastructure funding gap and facilitate continued development at Stapleton.
