THIS **FUNDING AGREEMENT** (the “Agreement”) made and entered into by and between the **CITY AND COUNTY OF DENVER**, a municipal corporation of the State of Colorado (the “City”), and **ARCHWAY MONTVIEW MANOR LLC**, a Colorado limited liability company, with an address of 8585 W. 14th Avenue, Suite A, Lakewood, Colorado 80215 (“Grantee”), each individually a “Party” and collectively the “Parties.”

WITNESSETH:

WHEREAS, the City desires to provide funding to Grantee for costs related to the acquisition and rehabilitation of real property located at 1663 Steele Street, Denver, Colorado 80206 (the “Property”);

WHEREAS, the Property contains eighty-eight (88) dwelling units, and upon acquisition of the Property seventy-eight (78) dwelling units at the Property will be used as affordable housing for low- to moderate income households for a period of sixty (60) years (the “Project”);

WHEREAS, the City is making certain monies available to ensure the Property is acquired, rehabilitated, and used pursuant to the terms of this Agreement;

WHEREAS, Grantee is eligible to receive funds from the City, and is ready, willing and able to meet the conditions associated therewith; and

WHEREAS, contemporaneously with this Agreement, Grantee and the City are entering into a Loan Agreement for the City to provide additional funding for the Project.

NOW, THEREFORE, in consideration of the mutual agreements herein contained, the Parties agree as follows:

1. THE PROJECT: Grantee agrees to acquire and rehabilitate the Property for use as affordable housing. The Property will provide seventy-eight (78) dwelling units that will be used as housing for low- to moderate-income households for a period of sixty (60) years.

2. PAYMENT OF FUNDS; USE AND DISBURSEMENT OF FUNDS:

A. The amount to be paid by the City to Grantee shall not exceed One Million Dollars and NO/100 (\$1,000,000.00) (the “Grant”). The Grant will be used for soft and hard costs

for the rehabilitation and construction of the Project. The obligation of the City for payments under this Agreement is limited to monies appropriated by the City Council and paid into the City Treasury.

B. Grantee shall submit to the City requisitions with documentation of incurred costs on HOST approved forms, and otherwise comply with the disbursement requirements set forth in **Exhibit B** attached hereto and incorporated herein and Section 3 of this Agreement. Grantee may not request disbursement of funds until the funds are needed for payment of eligible costs.

C. Where the City's funds are disbursed for construction, (i) the City shall monitor the construction activities for the purpose of verifying eligible costs, and (ii) the City shall retain ten percent (10%) of each disbursement of funds, which retainage shall be released upon (a) final inspection and approval of the Project by the City; (b) receipt of proof of release of liens from all applicable contractors, subcontractors, and suppliers; and (c) the issuance of a certificate of occupancy.

D. In addition to the retainage specified in subsection B above, HOST shall retain Ten Thousand Dollars and No/100 Dollars (\$10,000.00) of the total funds to be disbursed under this Agreement (the "Compliance Retainer"). This amount shall be released upon receipt from Grantee all information necessary for the City's reporting obligations under ARPA.

E. Expenses incurred prior to August 18, 2022, are not eligible for reimbursement.

3. ARPA FUNDS: Grantee agrees and acknowledges that some or all of the funds encumbered by the City for the purposes of this Agreement have been provided in accordance with Section 603(b) of the Social Security Act, as added by Section 9901 of the American Rescue Plan Act, Public Law No. 117-2 (March 11, 2021) (along with all rules and regulations promulgated thereunder, "ARPA"). The Parties acknowledge that all funding from ARPA (collectively, "ARPA Funds") may only be used to cover those eligible costs incurred by the City during the period that begins on March 3, 2021 and ends on December 31, 2024:

A. To respond to the public health emergency with respect to the Coronavirus Disease 2019 ("COVID-19") or its negative economic impacts, including assistance to households, small businesses, and nonprofits, or to aid impacted industries such as tourism, travel and hospitality;

B. To respond to workers performing essential work during the COVID-19 public health emergency by providing premium pay to eligible workers of the City that are performing such essential work, or by providing grants to eligible employers that have eligible workers who perform

essential work;

C. For the provision of government services to the extent of the reduction in revenue of the City due to the COVID-19 public health emergency relative to the revenues collected in the most recent full fiscal year of the City prior to the emergency; or

D. To make necessary investments in water, sewer, or broadband infrastructure.

Grantee shall only utilize ARPA Funds for the purposes described in this Agreement. Grantee agrees and acknowledges that, as a condition to receiving the ARPA Funds, it shall strictly follow the Coronavirus Local Fiscal Recovery Fund Award Terms and Conditions attached hereto and incorporated herein as **Exhibit A**. All invoices submitted by Grantee to the City pursuant to this Agreement shall use “COVID-19” or “Coronavirus” as a descriptor for those costs that are paid by ARPA Funds to facilitate the tracking of Agreement-related spending related to COVID-19. Grantee shall segregate and specifically identify the time and expenditures billed to the City on each invoice to allow for future review and analysis of COVID-19 related expenses. To avoid an unlawful duplication of federal benefits, the Parties agree and acknowledge that the any funding provided to Grantee for which ARPA Funds are used shall not also be paid for or reimbursed by monies provided under any other federal program.

Grantee agrees and acknowledges that all work or services performed by Grantee using ARPA Funds must be performed by Grantee no later than December 31, 2024. Further, Grantee agrees and acknowledges that payment for all work or services performed Grantee using ARPA Funds must be provided by the City to Grantee no later than December 31, 2026. As such, Grantee shall invoice the City not later than December 31, 2024 for all work performed pursuant to this Agreement for which ARPA Funds will be used to enable sufficient time for the City to review, process, and pay such invoice no later than the performance deadline prescribed in ARPA (the “Invoice Deadline Date”). Any invoice submitted by Grantee after the Invoice Deadline Date for work or services performed on or prior to December 31, 2024 may not be eligible to be paid by ARPA Funds, and, to the extent that ARPA Funds are not available to pay such invoice, partially or in total, such invoice shall only be paid subject to funds appropriated annually by the Denver City Council, paid into the Treasury of the City, and encumbered for the purpose of this Agreement.

To the extent that Grantee’s services hereunder contemplate the spending of ARPA Funds, Grantee shall provide to the City information responsive to mandatory performance measures, including programmatic data sufficient to conduct oversight as well as understand aggregate program

outcomes. Further, in providing the ARPA-required information to the City, to the extent possible, Grantee shall provide this programmatic data related to such services disaggregated by race, ethnicity, gender, income, and other relevant demographic factors as may be determined by the City. Grantee shall insert the foregoing requirement into all subcontracts related to this Agreement, thereby obligating all subcontractors to the same reporting requirement as Grantee.

4. DEADLINE FOR DISBURSEMENT OF FUNDS; REQUIRED DOCUMENTATION:

A. Grantee must satisfy all conditions set forth in this Agreement on or before September 30, 2023 (the “Closing Deadline”). Failure to meet this deadline may result in the termination of this Agreement, at the Executive Director’s sole discretion. No funds shall be disbursed under this Agreement until such time as (i) all conditions of this Agreement have been met and (ii) Grantee has closed on all financing necessary to complete the Project.

ASSURANCES OF COMPLIANCE WITH CIVIL RIGHTS REQUIREMENTS
ASSURANCES OF COMPLIANCE WITH TITLE VI OF THE CIVIL RIGHTS ACT OF 1964

As a condition of receipt of federal financial assistance from the Department of the Treasury, the recipient named below (hereinafter referred to as the "Recipient") provides the assurances stated herein. The federal financial assistance may include federal grants, loans and contracts to provide assistance to the Recipient's beneficiaries, the use or rent of Federal land or property at below market value, Federal training, a loan of Federal personnel, subsidies, and other arrangements with the intention of providing assistance. Federal financial assistance does not encompass contracts of guarantee or insurance, regulated programs, licenses, procurement contracts by the Federal government at market value, or programs that provide direct benefits.

The assurances apply to all federal financial assistance from or funds made available through the Department of the Treasury, including any assistance that the Recipient may request in the future.

The Civil Rights Restoration Act of 1987 provides that the provisions of the assurances apply to all of the operations of the Recipient's program(s) and activity(ies), so long as any portion of the Recipient's program(s) or activity(ies) is federally assisted in the manner prescribed above.

1. Recipient ensures its current and future compliance with Title VI of the Civil Rights Act of 1964, as amended, which prohibits exclusion from participation, denial of the benefits of, or subjection to discrimination under programs and activities receiving federal financial assistance, of any person in the United States on the ground of race, color, or national origin (42 U.S.C. § 2000d et seq.), as implemented by the Department of the Treasury Title VI regulations at 31 CFR Part 22 and other pertinent executive orders such as Executive Order 13166, directives, circulars, policies, memoranda, and/or guidance documents.
2. Recipient acknowledges that Executive Order 13166, "Improving Access to Services for Persons with Limited English Proficiency," seeks to improve access to federally assisted programs and activities for individuals who, because of national origin, have Limited English proficiency (LEP). Recipient understands that denying a person access to its programs, services, and activities because of LEP is a form of national origin discrimination prohibited under Title VI of the Civil Rights Act of 1964 and the Department of the Treasury's implementing regulations. Accordingly, Recipient shall initiate reasonable steps, or comply with the Department of the Treasury's directives, to ensure that LEP persons have meaningful access to its programs, services, and activities. Recipient understands and agrees that meaningful access may entail providing language assistance services, including oral interpretation and written translation where necessary, to ensure effective communication in the Recipient's programs, services, and activities.
3. Recipient agrees to consider the need for language services for LEP persons when Recipient develops applicable budgets and conducts programs, services, and activities. As a resource, the Department of the Treasury has published its LEP guidance at 70 FR 6067. For more information on taking reasonable steps to provide meaningful access for LEP persons, please visit <http://www.lep.gov>.
4. Recipient acknowledges and agrees that compliance with the assurances constitutes a condition of continued receipt of federal financial assistance and is binding upon Recipient and Recipient's successors, transferees, and assignees for the period in which such assistance is provided.
5. Recipient acknowledges and agrees that it must require any sub-grantees, contractors, subcontractors, successors, transferees, and assignees to comply with assurances 1-4 above, and agrees to incorporate the following language in every contract or agreement subject to Title VI and its regulations between the Recipient and the Recipient's sub-grantees, contractors, subcontractors, successors, transferees, and assignees:

The sub-grantee, contractor, subcontractor, successor, transferee, and assignee shall comply with Title VI of the Civil Rights Act of 1964, which prohibits recipients of federal financial assistance from excluding from a program or activity, denying benefits of, or otherwise discriminating against a person on the basis of race, color, or national origin (42 U.S.C. § 2000d et seq.), as implemented by the Department of the Treasury's Title VI regulations, 31 CFR Part 22, which are herein incorporated by reference and made a part of this contract (or agreement). Title VI also includes protection to persons with "Limited English Proficiency" in any program or activity receiving federal financial assistance, 42 U.S.C. § 2000d et seq., as implemented by the Department of the Treasury's Title VI regulations, 31 CFR Part 22, and herein incorporated by reference and made a part of this contract or agreement.

6. Recipient understands and agrees that if any real property or structure is provided or improved with the aid of federal financial assistance by the Department of the Treasury, this assurance obligates the Recipient, or in the case of a subsequent transfer, the transferee, for the period during which the real property or structure is used for a purpose for which the federal

financial assistance is extended or for another purpose involving the provision of similar services or benefits. If any personal property is provided, this assurance obligates the Recipient for the period during which it retains ownership or possession of the property.

7. Recipient shall cooperate in any enforcement or compliance review activities by the Department of the Treasury of the aforementioned obligations. Enforcement may include investigation, arbitration, mediation, litigation, and monitoring of any settlement agreements that may result from these actions. The Recipient shall comply with information requests, on-site compliance reviews and reporting requirements.
8. Recipient shall maintain a complaint log and inform the Department of the Treasury of any complaints of discrimination on the grounds of race, color, or national origin, and limited English proficiency covered by Title VI of the Civil Rights Act of 1964 and implementing regulations and provide, upon request, a list of all such reviews or proceedings based on the complaint, pending or completed, including outcome. Recipient also must inform the Department of the Treasury if Recipient has received no complaints under Title VI.
9. Recipient must provide documentation of an administrative agency's or court's findings of non-compliance of Title VI and efforts to address the non-compliance, including any voluntary compliance or other agreements between the Recipient and the administrative agency that made the finding. If the Recipient settles a case or matter alleging such discrimination, the Recipient must provide documentation of the settlement. If Recipient has not been the subject of any court or administrative agency finding of discrimination, please so state.
10. If the Recipient makes sub-awards to other agencies or other entities, the Recipient is responsible for ensuring that sub-recipients also comply with Title VI and other applicable authorities covered in this document. State agencies that make sub-awards must have in place standard grant assurances and review procedures to demonstrate that they are effectively monitoring the civil rights compliance of subrecipients.

The United States of America has the right to seek judicial enforcement of the terms of this assurance document and nothing in this document alters or limits the federal enforcement measures that the United States may take in order to address violations of this document or applicable federal law.

Under penalty of perjury, the undersigned official(s) certifies that official(s) has read and understood the Recipient's obligations as herein described, that any information submitted in conjunction with this assurance document is accurate and complete, and that the Recipient is in compliance with the aforementioned nondiscrimination requirements.

EXHIBIT C
(Affirmative Marketing)

City and County of Denver
Affirmative Marketing Program

The City and County of Denver is committed to the goal of adequate housing for all its citizens and to affirmatively furthering fair housing opportunities. The City has developed written material explaining the City's Housing Programs for dissemination and will inform the public, owners, and potential tenants about Federal fair housing laws. These materials will display the "equal housing opportunity" slogan and logo. The City will also publicize its Housing programs through press releases, solicitations to property owners and written communications to fair housing groups and local lenders. The City will display the "equal housing opportunity" slogan on all such communications.

All contracts, grant agreements and/or loan agreements between the City or its agents and property owners executed in connection with the Housing Programs will:

- (1) prohibit discrimination in the rental of housing rehabilitated through the City's Housing programs on the basis of race, color, religion, sex, national origin, age, handicap, or household composition;
- (2) require compliance with all applicable fair housing and equal opportunity laws, and
- (3) include a copy of our Affirmative Marketing Program and require compliance with all procedures contained herein for the period of affordability of the term of the loan, whichever is greater.

In the City's Housing Loan Program, the objective of the Affirmative Marketing Program and a project's Affirmative Marketing Plan will be to increase the racial/ethnic diversity of the project's tenant population so that the tenant population is not made up exclusively of persons of one race/ethnicity.

In order to accomplish this, owners will be required to adopt a plan that will inform and solicit applications from persons in the housing market who are least likely to apply for the housing without special outreach. In general, persons who are not of the race/ethnicity of the majority of the residents of the neighborhood in which the property is located will be considered as persons least likely to apply.

The City will work with the project owner to identify which racial/ethnic groups in the population are least likely to apply for housing in each project without special outreach. The City will assist the owner in developing a project specific Affirmative Marketing Plan which includes special outreach efforts and the City will approve the Plan. The property manager or rental agent will be required to maintain records enabling the City to assess the results of the owner's actions to affirmatively market units. These records will include rental applications, all vacancy notices, and rental receipts. The City or its agent will review the owner's records and these records must be made available to

the City. Additionally, the City will require the owner to submit annual tenant reports that will include tenant characteristics including race/ethnicity. The project's Plan will identify specific actions the owner must take when becoming aware of an impending vacancy. In some cases the owner will also be required to advertise the vacancy in a general circulation newspaper.

Owners who rent exclusively to one segment of the population to the exclusion of applicants from other segments will be notified of potential noncompliance. The City will provide technical assistance to the owners in expanding outreach efforts. If necessary, specific corrective actions will be required.

Owners who discriminate or who fail to comply with the requirements of this Affirmative Marketing Program may be found in breach of contract or in default on their grant or loan agreement, and the City may take action to recover all funds made available to the owner by the City plus applicable penalties.

The City has adopted a policy to aggressively encourage landlords to rehabilitate units that are accessible to persons with physical disabilities.
