Executive Summary

This contract was selected for Department of Housing Stability (HOST) funding as a result of the department’s Notice of Funding Availability (NOFA) procurement process.

HOST initiated a Notice of Funding Availability (NOFA) procurement process in August 2020, as a basis for awarding many of the department’s housing opportunity, housing stability and homelessness resolution programs/services contracts for 2021. HOST is now finalizing amendments to many of these contracts for the extension of services throughout 2022.

HOST sought proposals for a variety of programs and services utilizing both federal and local funds. The 2021 Housing Opportunity, Housing Stability, and Homelessness Resolution Programs NOFA specifically solicited proposals for programs or services to fund activities in the following areas:

- Housing programs or services
- Housing stability
- Homelessness resolution
- Innovative programs and services
- Professional facilitation services

Federal funding sources identified under the NOFA include Community Development Block Grant Program, Home Investment Partnerships Program, Emergency Solutions Grants, Housing Opportunities for Persons with AIDS Program, and CARES Act resources to support coronavirus response. Local/other funding sources included General Fund, Affordable Housing Fund, foundations, and individual donors that support housing development, preservation, and programmatic assistance for low- and moderate-income residents.

This project will fund shelter operations and programing for men experiencing homelessness at the 48th Avenue Shelter located at 4330 48th Ave.; day shelter to people experiencing homelessness at the Lawrence Street Community Center, 2222 Lawrence St.; and case management support at multiple Denver Rescue Mission sites. This contract will serve 14,300 individuals.
