GENERAL FUND SUPPLEMENTAL APPROPRIATIONS

Overview of General Fund Supplemental Requests

Agency	Amount	Description
Community Planning & Development	1,500,000	Overtime as a result of increased permit requests and inspections
Police Department	800,000	Overtime for backfill, DEN, & Broncos
Office of Human Resources	520,000	Unbudgeted personnel costs including equity increases, flex cash admin payments, and retirement payouts
Fire Department	500,000	Overtime for plan review and leave payouts
Clerk & Recorder	200,000	Printing costs for historically long ballot
North Denver Cornerstone Collaborative	180,000	Portfolio Integration Manager for major capital projects in the River North (RiNo) area
Human Rights & Community Partnerships	140,000	Increased outreach efforts, personnel adjustments, and an increase in services for sign language
Denver County Court	100,000	Employee separations/retirement payouts
Office of Emergency Management	65,000	Salary adjustments and emergency siren damage
Total	\$4,005,000	

- Amount requested: \$1,500,000
- Total budget appropriation if approved: \$34,074,305
- Reason for request: This supplemental is driven by staff overtime and on-call staff needed to maintain “on-time performance” for plan review and inspection services.

Example: Roofing Backlog

- **Amount requested:** \$800,000
- **Total budget appropriation if approved:** \$234,030,528
- **Reason for request:** This supplemental is driven by increased overtime at DEN to backfill vacant positions, which is reimbursed to the City from DEN. Additionally, a mid-year change to how the Denver Broncos compensates DPD security at the stadium resulted in unbudgeted overtime costs. The General Fund is reimbursed for these costs as well.

- **Amount requested:** \$520,000
- **Total budget appropriation if approved:** \$16,178,378
- **Reason for request:** This supplemental is driven by unbudgeted and unplanned personnel costs including market equity adjustments, 24 hour flex, and retirement payouts.

- **Amount requested:** \$500,000
- **Total budget appropriation if approved:** \$140,593,131
- **Reason for request:** This supplemental is driven by overtime to cover plan reviews, increased leave usage, and leave payouts.

- **Amount requested:** \$200,000
- **Total budget appropriation if approved:** \$9,740,371.
- **Reason for request:** This supplemental is driven by printing costs for a historically long ballot and inaugural Municipal Ballot Information Booklet.

- Amount requested: \$180,000
- Total budget appropriation if approved: \$2,045,251
- **Reason for request:** This supplemental is driven by the need for an ongoing Portfolio Integration Manager (PIM) for projects in the River North Area after the Brighton Boulevard project was completed and was no longer a funding source.
- NDCC received a PIM in the 2019 budget to continue this work.

2018 River North Projects

Walnut Street Two-Way Conversion

27th Street Storm Drain Interceptor

RiNo Promenade

RiNo Park

Art Bridge

- **Amount requested:** \$140,000
- **Total budget appropriation if approved:** \$3,554,586
- **Reason for request:** This supplemental is driven by an increase in community outreach efforts, an increase in sign language interpreter services, and mid-year personnel adjustments.

- Amount requested: \$100,000
- Total budget appropriation if approved: \$24,878,592
- **Reason for request:** This supplemental is driven by unbudgeted personnel expenditures including the retirement of long-term employees whose separation from the City resulted in significant payouts for vacation and sick time.

- **Amount requested:** \$65,000
- **Total budget appropriation if approved:** \$1,416,303
- **Reason for request:** This supplemental is driven by salary adjustments and the cost of replacing a damaged siren.
