Description of Proposed Project: To vacate a portion of the alley bounded by Steele Street, 2nd Avenue, and Saint Paul Street with Reservations.

Explanation of why the public right-of-way must be utilized to accomplish the proposed project: The customer is proposing a redevelopment project to develop a mixed-use retail/residential building in which a portion of the public alley behind said address will need to be vacated.

Will land be dedicated to the City if the vacation goes through: Yes

Will an easement be placed over a vacated area, and if so explain: No

Background: This project is linked to a dedication in which an "L-out" will be dedicated to Right-of-Way to avoid a dead ended alley. (2016-DEDICATION-0000078, 2015D00241)

It is also associated with an easement relinquishment where the easement was for access purposes through the parking lot of First Bank to exit/enter the alley way, since there wasn't an 'L-out alley previously. (2016-RELINQ-0000006)
