SCOPE OF WORK

Staffing for Screening and Triage at Shelters

HOST-202055726-01

I. Purpose of Agreement

The purpose of this contract agreement is to provide an award for \$806,461 through the Department of Housing Stability (“HOST”). These funds will be provided to The Colorado Coalition for the Homeless (“CCH”) to provide staffing to support people experiencing homelessness in response to the COVID-19 public health crisis. Such staffing will primarily be used to provide medical screening for symptoms of COVID-19 upon entry to auxiliary shelter facilities, located at National Western Complex and Denver Coliseum; as well as additional clinical triage for those guests identified to be displaying concerning symptoms and needing further assessment or referral to testing. This medical screening and triage will serve to protect healthy congregate shelter guests from exposure to illness, as well as to serve to connect symptomatic shelter guests to appropriate resources.

II. Services

- A. CCH is providing clinical screening and triage services on-site at shelters for COVID-19 response, primarily at the National Western Complex Hall of Education and Denver Coliseum from 4/1/20-8/15/20, and at the Denver Coliseum only from 8/16/20-12/31/20.
 1. **Will provide Screening for guests entering shelter:** Between the hours of 8:00 a.m. and 8:00 p.m., CCH staff will screen all guests entering auxiliary shelters operated in partnership with the City of Denver. Screening questions will be developed in accordance to public health guidance, and together with input from HOST and Denver Department of Public Health and Environment (DDPHE).
 2. **Will provide clinical triage and referral to testing:** For guests of the shelters who were identified as experiencing symptoms of illness, they will be directed to an on-site triage/clinic for further assessment of symptoms. Next, CCH clinical staff will make decisions for best next step for treatment and housing, including referrals to protective action rooms for at-risk individuals, referrals for COVID-19 testing, and referrals to activated respite rooms for those guests in need of isolation.
- B. HOST support includes additional staffing to cover shifts, up to 7 days a week at shelter screening locations, and at the on-site COVID triage clinic for people experiencing homelessness. The support in this scope of work also covers the cost of PPE and some supplies for staff conducting screening, triage and testing.
- C. CCH staff providing support to guests in activated respite and protective action as part of the COVID response are reimbursed for services under a different contract.
- D. The costs of COVID testing and testing equipment are not included in this contract.
- E. CCH Staffing levels are subject to review and change as needed. If for budget reasons, the City needs to reduce staff at a site, the City will give 30-day notice for any changes.
