

**DENVER**  
THE MILE HIGH CITY

# **May 10 SAFEHOUSE Meeting**

## **Update on DEH/City On-call Abatement Contracts**

FOR CITY SERVICES VISIT | CALL  
**DenverGov.org** | **311**

- Extend terms and increase values for four on-call contractors and two consultants for regulated building materials (asbestos)
- Several contracts expiring summer 2017, extend terms to 2019
- Increase contract values to meet demand for upcoming city projects over next few years
- All city agencies share these contracts

- Asbestos is strictly regulated in CO
- A variety of projects will increase demand for asbestos consulting and remediation services
- Parks projects (GLO, Ruby Hill), City Buildings (GS, PW), PW projects (Platte to Park Hill), GO Bonds, NDCC, and NWCO
- Mix of funds used for this work, Enterprise (DEH and PW-WW), GF, CIP, SRF, and GO Bonds
