6. General description of proposed ordinance including contract scope of work if applicable:

The Department of Parks and Recreation should, by policy and in accordance with the City Charter, preserve and protect the park system. As part of this responsibility the department should be designating those parks that currently do not carry that status. It is the desire of the department to systematically work at reducing the number of undesignated park spaces.

***\*\*Please complete the following fields:*** (Incomplete fields may result in a delay in processing. If a field is not applicable, please enter N/A for that field.)

a. Contract Control Number: N/A
