

DEPARTMENT OF AVIATION
CITY COUNCIL ORDINANCE REQUEST SUMMARY
Intergovernmental Agreement for Panasonic Way Infrastructure

Purpose and Use of Agreement(s)

This request is for an intergovernmental agreement between Aviation Station North Metropolitan District No. 1 and CCD's Department of Aviation (DEN). Panasonic Way is an integral road in the 61st & Pena district with the Panasonic Way right-of-way (ROW) centered on DEN's property line. DEN is contributing its pro rata share of the costs for the roadway construction. Aviation Station North Metropolitan District #1 plans to design and construct Panasonic Way to support development within the district, beginning in the second quarter of 2022. As a partnership effort, Aviation Station North Metropolitan District No. 1 will build the road section up to back-of-curb on DEN's side of the road and has separated the cost of constructing half of Panasonic Way from curb-to-curb for DEN to fund with a pro rata reimbursement to their design and construction costs.
