PILLAR 4

**EXPANDING OUR
GLOBAL CONNECTIONS**

OVERVIEW OF CONTRACTS

- Eight on-call architectural and engineering contracts
 - Four Small Business Enterprise (SBE) contracts
 - Allows SBEs to become prime contractors for the first time
- Four standard contracts with Minority/Women-owned Business Enterprise (MWBE goals) set at 30%

SBE Contracts

- Studio Completiva - \$1M
- SynEnergy - \$1M
- 360 Engineering Inc. - \$1M
- Studiotrope - \$1M

30% MWBE Goal Contracts

- HNTB Corporation \$4.5M
- HDR Engineering \$4.5M
- RS&H \$4.5M
- Jacobs Engineering Group \$4.5M

WHY ON-CALL CONTRACTS

- On-call contracts are used for smaller projects needing to be executed quickly
- Project types include emergency repairs, Operations and Maintenance, renovations and assessments/feasibility studies
- Consultants are essentially pre-qualified on skills, experience, and small business utilization plans
- Proposals are required for any task orders issued
- Our on-call partners are truly partners in achieving strategic goals

ON-CALL SBE CONTRACT OVERVIEW

- Includes architectural and engineering services, primarily:
 - Field assessments & analyses
 - Construction drawings and specifications
 - Construction oversight during construction administration period
- Maximum contract capacity is \$1M each (\$4M combined total)
- Three-year terms with two one-year options to extend
- 30% SBE (self-perform) requirement

SELECTED SBE VENDORS

- **Studiotrope**

- Completed numerous projects for Department of Transportation and Infrastructure for schools, libraries, city building renovations
- No previous contracts with DEN Airport Infrastructure Management (AIM) Development

- **Studio Completiva**

- Previous on-call contracts with DOTI
- Involved with original Hotel & Transit Center designs and programming
- No previous contracts with DEN AIM Development

- **SynEnergy**

- Involved with mechanical designs in the Great Hall and Denver City Jail
- Previous work at DEN as an MWBE sub-consultant on multiple projects

- **Three Sixty (360) Engineering Inc.**

- Completed numerous projects for DOTI (schools, fire stations, City building renovations)
- No previous contracts with DEN AIM Development

SBE TEAMS (30% SELF-PERFORM)

- **Studiotrope:** proposed 35% SBE participation, including SBE subs
 - SBE subs: Mundus Bishop Design, Enlighten Engineering, and HJSA
 - Mentor-partner firms: Martin/Martin, BCER Engineering, Elevation Consulting Group, and Ambient Energy
- **Studio Completiva:**
 - SBE subs: Group 14 Engineering, HCL Engineering, Jirsa Hedrick, CE Group, Gallun Snow, and Delet
 - Mentor-partner firms: AECOM, Jenson Hughes, Martin/Martin, BCER Engineering, Elevation Consulting Group, and Ambient Energy
- **SynEnergy:**
 - SBE subs: IEC, Incandescence Life Safety, and RNN Architects
 - Mentor-partner firms: Jacobs and Ambient Energy
- **360 Engineering:**
 - SBE subs: Killebrew, Enlighten Engineering, K2 Audio, RNN Architects, and JF Sato
 - Mentor-partner firms: Jacobs, Kumar, and RLB

STANDARD ON-CALL CONTRACT OVERVIEW

- Includes architectural and engineering services, primarily:
 - Field assessments & analyses
 - Construction drawings and specifications
 - Construction oversight during construction administration period
- Maximum contract capacity is \$4.5M each (\$18M combined total)
- Three-year terms with two one-year options to extend
- 30% MWBE participation requirement
 - All vendors prepared an MWBE utilization plan that is incorporated into the contract

SELECTED VENDORS CONTINUED

- **HNTB**

- Involved with Hotel & Transit Center and Great Hall (owner's project management team)
- Was the designer of record (DOR) for the West side Concourse Expansion Program (CEP)

BENEFITS OF THESE CONTRACTS

- Enhance the strength of Denver's SBE architectural and engineering firms
- Provide opportunities for informal mentor – protégé relationship development between firms
- Provide introduction to aviation projects for inexperienced firms to work as primes at DEN
- Provide growth opportunities for firms on projects with appropriate size/risk

DENVER INTERNATIONAL AIRPORT
