COUNCIL BILL NO. CB21-1286
COMMITTEE OF REFERENCE:

A BILL

For an ordinance establishing a new Fund in the Internal Services Fund Series for the “Dental Self-Insurance” program and authorizing appropriations and cash transfers.

WHEREAS, starting in 2005, the City began to self-insure its dental program for City employees; and

WHEREAS, Ordinance No. 931, Series of 2004, established the Dental Self-Insured Fund, 59500, to administer this program; and

WHEREAS, this Fund is set up in the Payroll Clearing Fund Series, 59000, which is included in the Trust and Agency Fund Series, which is intended to account for assets held by the city and county as trustee or agent for individuals, private organizations and/or governmental units; and

WHEREAS, due to feedback from the City’s outside auditor and after subsequent review by the Controller’s Office and the City Attorney’s Office, the City has determined that this program and Fund do not meet the definition of holding funds in trust and instead serves an internal services function for City employees; and

WHEREAS, as such, this program is better situated in the Internal Services section of the Fund Plan, 60000, which accounts for operations of agencies that provide service to other departments or agencies of the City government on a cost-reimbursement basis; and

WHEREAS, the current Fund in the Trust and Agency Fund Series has a cash balance of approximately \$4.4 million that can be transferred to the new Internal Services Fund to support programing in 2022; and

WHEREAS, following the cash transfer to the new Internal Services Fund, the Fund in the Trust and Agency Fund Series will no longer be needed and shall be closed;

NOW, THEREFORE, BE IT ENACTED BY THE COUNCIL OF THE CITY AND COUNTY OF DENVER:
