

BECOME A MEMBER OF DENVER'S SUSTAINABLE BUSINESS COMMUNITY!

CERTIFIABLY GREEN DENVER PROGRAM

- Established in 2009
- Administered by the City of Denver Office of Climate Action, Sustainability & Resiliency
- Goal is to foster a network of green businesses in Denver
- Over 1800 businesses enrolled
- Over 150 certified businesses and events

SUSTAINABLE BUSINESS AREAS

Certifiably Green Denver helps local businesses eliminate, avoid or reduce waste through:

Complete all five areas of sustainability and you'll be a certified green business!
Your advisor will support you throughout the certification process.

AS A PARTICIPANT, YOU GET:

- Free and neutral one-on-one advising
- Solutions to conserve resources and reduce pollution
- Financial savings from greening your business
- Enhanced visibility and public recognition
- Access to ongoing emails, seminars and events
- Networking opportunities with other green businesses
