To: Valued Air Filter Solutions, Inc. Customer

Date: March 29, 2022

From: Brian Niss and Mike Burt

Effective March 29, 2022, Camfil USA, our long-standing supplier and distribution partner, has acquired the assets of Air Filter Solutions, Inc. (AFS). AFS becomes Camfil's twenty-first (21st) direct branch sales office (sales, warehousing, service, delivery, etc.) in the USA and an important part of the Company's extensive Branch / Distributor network.

The acquisition ensures a continued strong presence in our territory and will allow us to build upon our solid reputation and promote the Camfil brand. It will also help us more effectively serve your needs as Camfil expects to invest in both infrastructure and personnel.

We will serve as Senior Sales Advisors and be actively involved in the transition for one (1) year and then retire. All other AFS employees will become part of the Camfil Group. Camfil is the global industry leader in clean air solutions with 50+ years of experience. The Company's solutions protect people, processes and the environment to benefit human health, increase performance, and reduce energy consumption. Twenty-six (26) manufacturing plants, six (6) R&D sites and over 65 sales offices worldwide provide service and support to customers.

From an Accounts Payable standpoint, for all invoices dated March 29, 2022 or later, please remit payment to:

Camfil USA, Inc.
3302 Solutions Center
Chicago, IL 60677-3003

We appreciate our business relationship with you and look forward to exceeding your expectations.
