COMMITTEE OF REFERENCE:

A BILL

For an ordinance enacting a new article XI, chapter 27 of the Denver Revised Municipal Code requiring unit owners' associations to notify homeowners of certain rights when initiating a foreclosure action and consolidating existing notice and disclosure duties for tenant rights.

WHEREAS, the City and County of Denver has a compelling local and municipal interest in ensuring Denver residents have full knowledge of their rights under the law and the resources available to them; and

WHEREAS, the rapidly increasing price of housing in Denver combined with economic instability from the Covid-19 pandemic has created concerns over affordability of housing in Denver and the ability of current Denver residents to continue to afford their homes; and

WHEREAS, providing resources to help keep Denver homeowners in their homes promotes and protects the continued existence of Denver's vibrant and unique cultural communities; and

WHEREAS, providing Denver residents information regarding their resources and rights before a lien is foreclosed upon may expedite payment of the lien while allowing the resident to stay in their home, benefitting all parties;

WHEREAS, the purpose of this ordinance is to ensure that homeowners are provided information regarding resources maintained by the City, without compromising the rights and remedies unit owners and homeowners associations are entitled to under state law; and

WHEREAS, nothing in this ordinance is intended to conflict with or supersede the requirements of any state statute governing unit owners' associations foreclosure actions, including by way of example the lien and notice provisions set forth in the Colorado Common Interest Ownership Act, Article 33.3 of Title 38, C.R.S.
