

DEPARTMENT OF AVIATION CITY COUNCIL ORDINANCE REQUEST SUMMARY Sand and Grease Trap General Services

Purpose and Use of Agreement(s)

This request is for an amendment to the Sand and Grease Trap General Services contract between Earth Services & Abatement LLC (Earth Services) and Denver International Airport (DEN). Earth Services provides services for the maintenance, jetting, and cleaning of grease and sand trap pretreatment devices and associated drain lines that service common use waste lines at DEN. Services include removal and disposal of any resulting waste materials to appropriately permitted and designated off-property facilities.

Contract(s) Description

This amendment is requesting to use both one (1) year extension options included in the original contract, making the new term a total of five (5) years. Additionally, an additional \$1,893,696.00 is being requested to account for these additional two years of services along with the additional scope.
