Thanks for your email Hilary! We're super excited about this project/concept and how we're planning to integrate the hotel programing within the community. We're thrilled to be partnering with New Waterloo (south congress hotel etc) and see many similarities between the two avenues and hotel concepts.

I appreciate you reaching out, voicing your support and offering a helping hand with your neighbors. Your support, along with that of the community, is pivotal to ensuring a successful outcome here!

Kind Regards,

Brian

We both attended the Town Hall last Wednesday where you presented your plans for the All Inn, and I just needed to share with you how incredibly excited we are for this project to get underway.

When I go back and visit, it is always where I spend the most time. I have spent several evenings by the pool at Hotel San Jose, and instantly thought of it as you explained your proposal. I think your hotel will dramatically improve our neighborhood, and you have Konrad and I's full support. Please do not hesitate to reach out if you need any neighborhood help.
