Amendment to Council Bill 22-0685 concerning volume-based pricing system for trash services

Councilmember Ortega

June 6, 2022

Councilmembers,

I move to amend **CB22-0685** as follows:

1. On page 6, line 4, strike "<u>the manager of transportation and infrastructure</u>" and replace with "<u>City Council</u>"

2. On page 6, line 5, after the word "study" add "<u>conducted by manager of</u> <u>transportation and infrastructure.</u>"

- 3. On page 6, line 5, strike <u>"through an update to the rules and"</u>
- 3. On page 6, strike lines 6, 7, and 8.

PURPOSE OF THE AMENDMENT

The amendment gives City Council the power to set and update the fee structure, based on a cost-of-service study by DOTI and removes that authority from the Manager of Transportation and Infrastructure to increase fees.

If the amendment passes it will not require a delay in publication
