Re: Request for Partial Relinquishment of Utility Easement Reserved in Vacation Ordinance
Recorded 2002/07/15 at Reception Number 2002124714

Dear Sir or Madam:

Martinez & Nettie Developer LLC, a Colorado limited liability company (“Requestor”), hereby requests a partial relinquishment of the utility easement reserved to the City of Denver under that vacation ordinance recorded at Reception Number 2002124714, (the “Utility Easement”).

I. Contact Information for Requestor and Owner

The property is owned by Martinez & Nettie LLC (the “Owner”). The Owner is managed by Martinez & Nettie Managing Member LLC, a Colorado limited liability company (the “Managing Member”). The Managing Member is managed by Michael D. Lavery.

The Requestor is a Colorado limited liability company also managed by Michael D. Lavery. The Requestor is acting with the authorization and approval of the Owner.

The contact information for the Requestor and for the Owner is as follows:

Martinez & Nettie LLC
Martinez & Nettie Developer LLC
4600 West 9th Avenue, Denver, CO 80204
Phone: 720-254-3400
Email: mdlavery@comcast.net with copies to jgridgeway@earthlink.net and to RavennaBoulder@gmail.com.

No Fax

II. Site plan

A site plan for the project labelled Vrain Street Row Houses is attached hereto. Note: this site plan consists of 2 pages identified as Sheets 2 and 3 of 14 (file name: *Site Plan Pages 2 and 3 Vrain Street Row Houses*).

III. Legal descriptions and exhibits for easement to be relinquished and original recorded easement

Also attached are: (i) a copy of the original utility easement recorded at 2002124714 (file name: *Original Reserved Utility Easement RN2002124714*) and (ii) an original legal description and exhibit identifying that area of the utility easement to be relinquished (file name: *Utility easement relinquishment area legal description*).

IV. Explanation of requested relinquishment

Requestor seeks a partial relinquishment of the existing utility easement in order to facilitate development of the site in connection with the Vrain Street Rowhouses project. The land is currently vacant and there are no existing underground or ground-level utilities in the easement. A single overhead electrical line traverses the easement. Requestor has been working with Xcel Energy and this existing single electrical line will be eliminated as part of the Vrain Street Row Houses Development. Substitute street lighting will be provided. Note: That portion of the existing utility easement which Owner does not own i.e., the eastern portion, will still be available for future utility needs.

V. Review and processing fees

The initial processing fee of \$1,000.00 and the legal description review fee of \$300.00 are being paid contemporaneously with the submission of this Request.

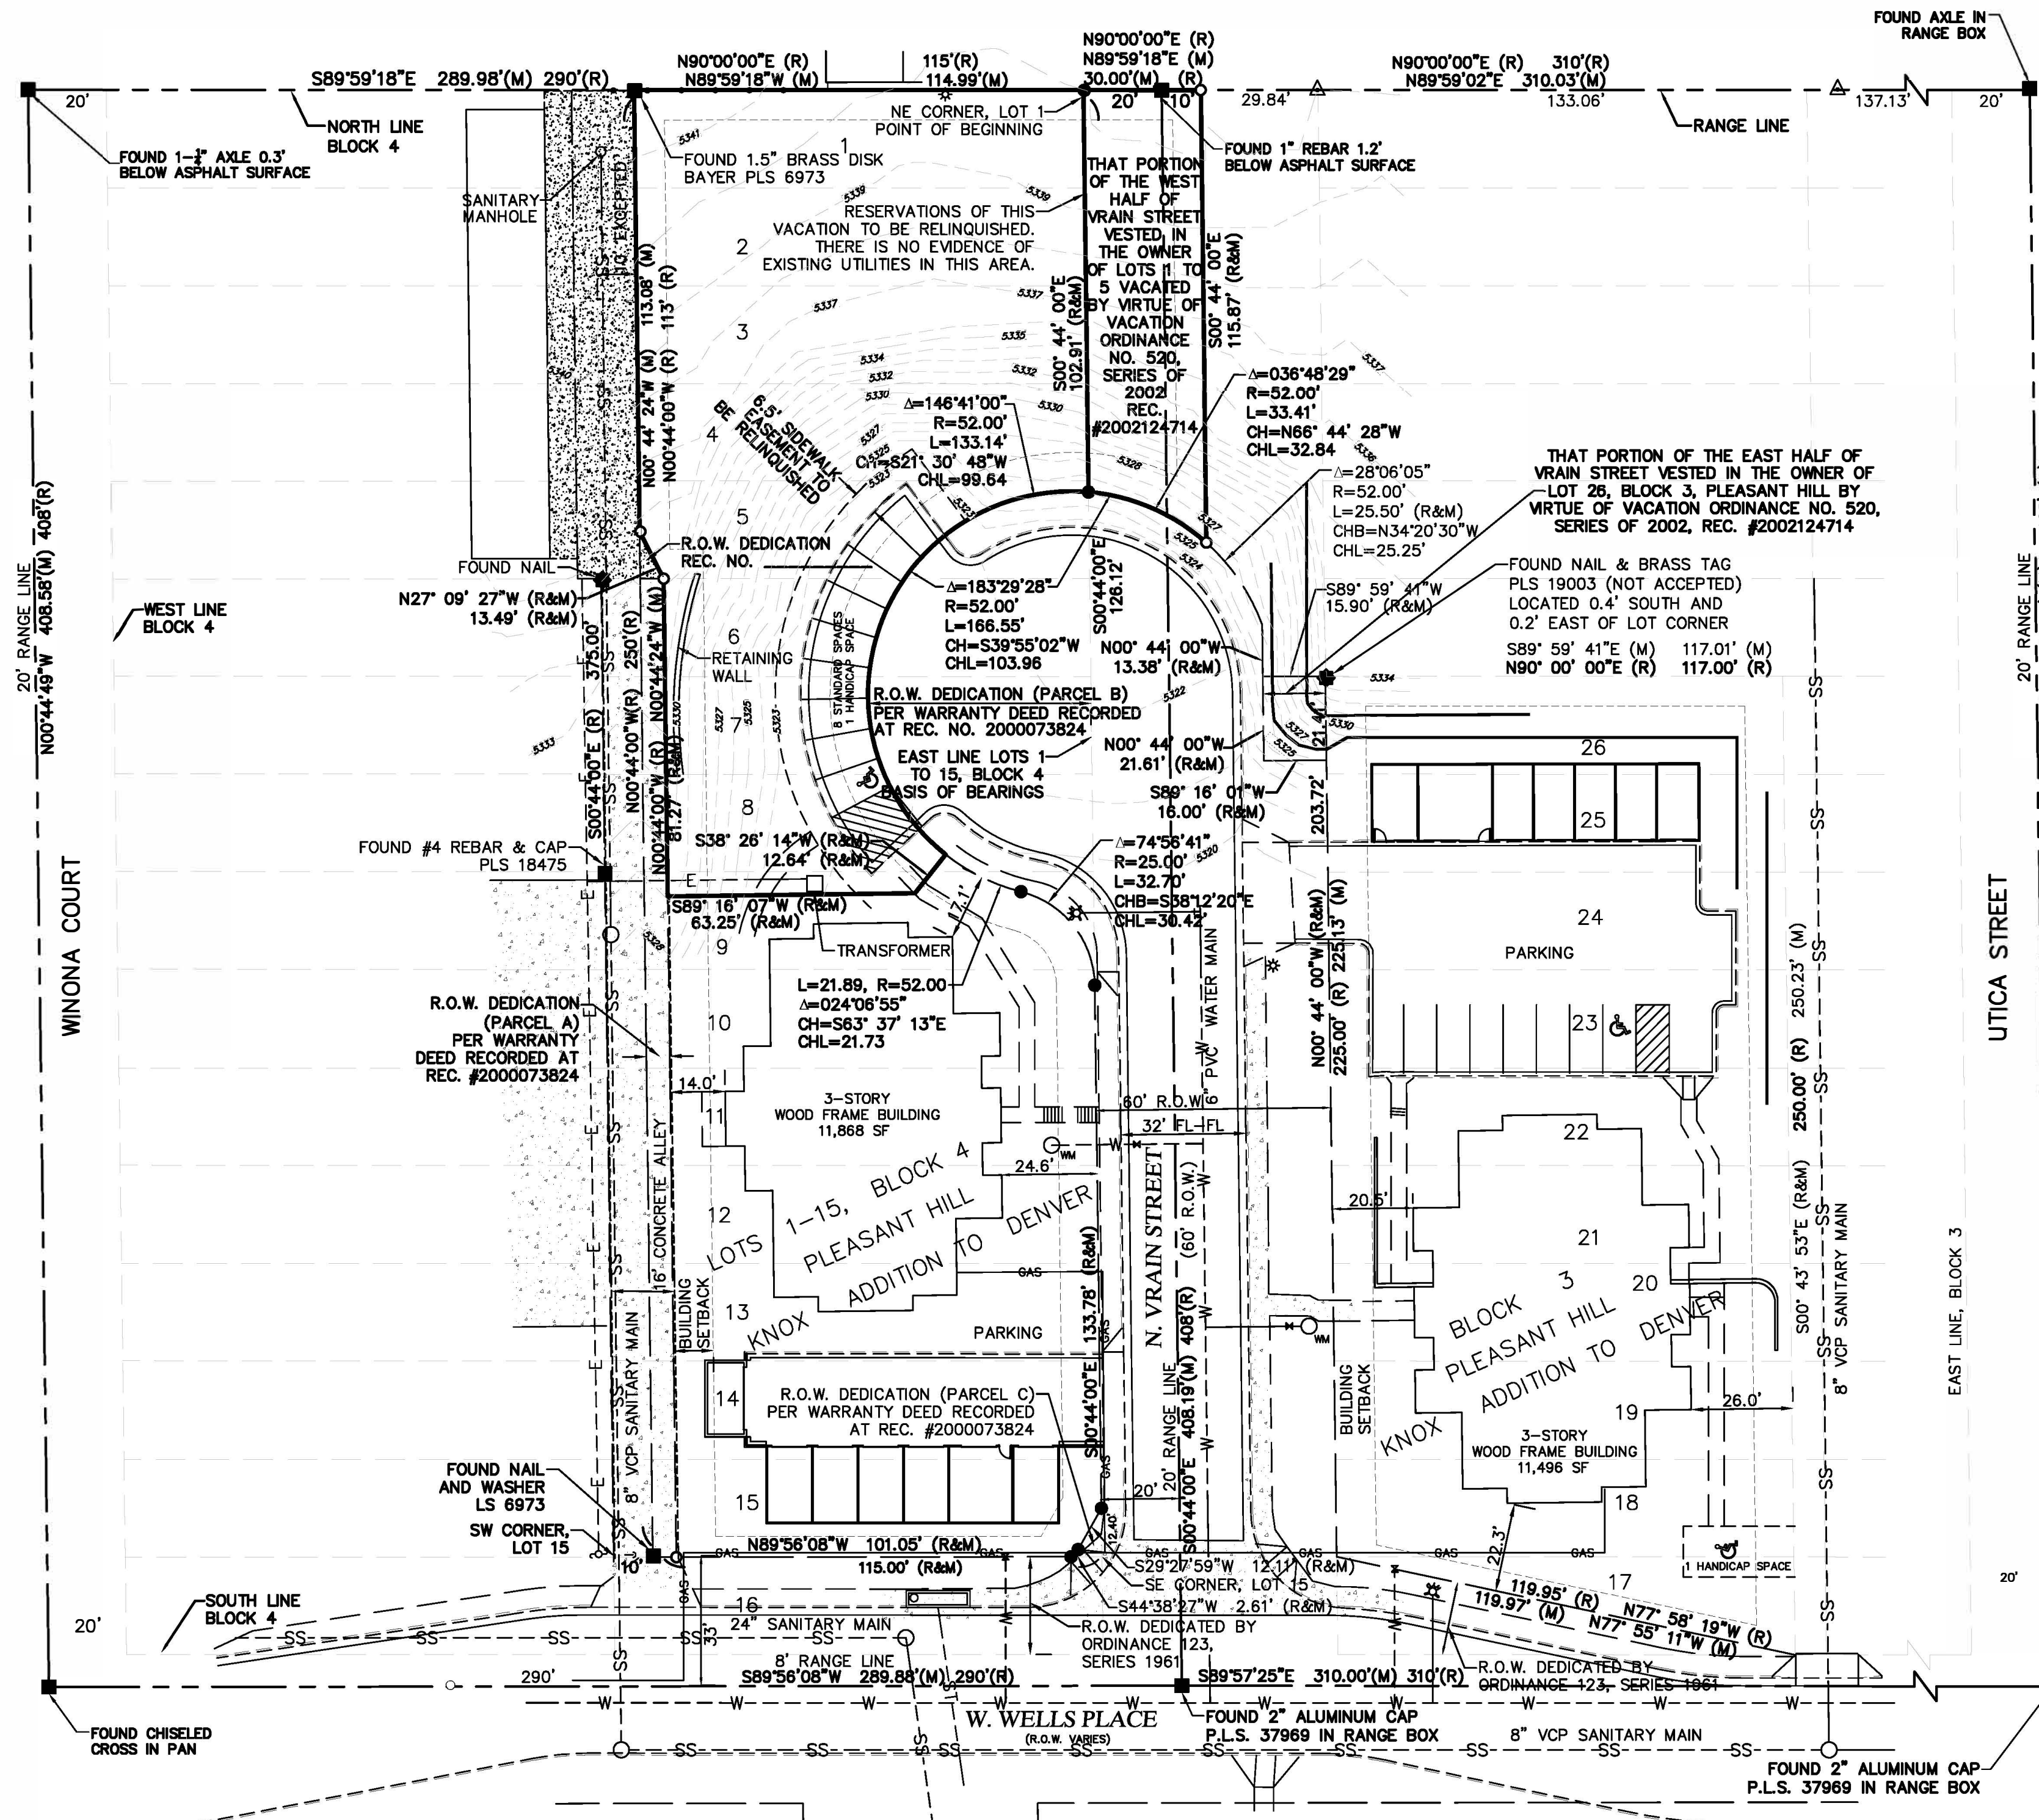

Sincerely,

James G Ridgeway
