EXECUTIVE SUMMARY – Colorado Village Collaborative License Agreement

4685 Peoria Street, Arie P Taylor building

Colorado Village Collaborative (“CVC”) provides shelter and services for Denver’s unhoused population. This license agreement is for a term of one year with two 6-month renewal options exercisable by the City, allowing CVC to use a portion of the City-owned parking lot at 4685 Peoria Street for its Safe Outdoor Spaces services as set forth in its existing service contract with HOST. The City and CVC may terminate this agreement with 30 days prior written notice.

This site will support up to 60 tents and up to 70 residents. Tents will be uniform in color and style and the Licensee shall erect a fence surrounding the site. CVC will provide its own water and electricity.

The scope of work associated with the CVC service contracts HOST-202157407 and HOST-202161622-02 is to oversee and maintain safe outdoor spaces for people experiencing unsheltered homelessness. This license agreement provides a site for CVC to perform its services under the above-referenced contract. Per that contract, infrastructure, amenities and services at these sites are to include:

1. Staffing—Minimum two staff members on site 24/7 with training in food safety, DDPHE COVID protocols, conflict de-escalation and mediation, and trauma informed care
2. Basic amenities—including food (at least one hot meal per day), water, limited access to electricity, and a private tent that includes a cot, sleeping bag, and storage bin
3. Hygiene facilities—including toilets (1:10 resident ratio), hand washing stations (1:15 resident ratio), access to shower and laundry facilities
4. Communal facilities—including a heat/shade tent for guests, designated smoking area, and a secure single point of entry
5. Operations facilities—including a storage container for supplies and tent space for supportive staff and site management
6. Access to supportive services—including case management, referrals to partner agencies to additional services, group therapy services, and mental health and tele-health services with an emphasis on trauma-informed and harm reduction practices
7. Safety and security—including addressing non-compliant or disruptive guest behaviors, monitoring access to the SOS sites, and ensuring that all urgent safety issues are handled appropriately
8. Mitigation of Community Impacts—establish and uphold a Good Neighbor Agreement with neighborhood stakeholders. If needed, provide an official 24/7 point of contact for emergent issues or concerns regarding program operations. City and County of Denver shall be notified within 24 hours of any grievances submitted through this process.
