**WHEREAS,** as a result of continued interest earnings generated by ARPA monies, an additional \$1,000,000 will be allocated to the Recovery spending category, for a total Recovery allocation of \$74,530,000; and

**WHEREAS**, the "Recovery" allocation authorized in this Ordinance will support individuals and families who have experienced food insecurity due to an economic impact by COVID-19 and the effects of inflationary pressures by providing gift cards and vouchers and by expanding culturally relevant food box distribution;

## NOW, THERFORE, BE IT ENACTED BY THE COUNCIL OF THE CITY AND COUNTY OF DENVER:

**Section 1.** Section 6 of Ordinance No. 591, Series of 2021, as amended by Ordinance 706, Series of 2021, as amended by Ordinance No. 1145, Series of 2021, as amended by Ordinance No. 1192, Series of 2021, and as amended by Ordinance No. 374, Series of 2022, is amended to read as follows:

"That it be and is hereby found and determined that the allocations for the Revenue Loss, Premium Pay, Recovery, and Administration categories, as defined in ARPA guidance, are as follows:

<b>Accounting Number</b>	<b>Appropriation Account</b>	<u>Amount</u>
11011	American Rescue Plan Act- Revenue Loss	\$70,203,696
11011	American Rescue Plan Act – Premium Pay	\$8,800,000
11011	American Rescue Plan Act – Recovery	\$74,530,000
11011	American Rescue Plan Act – Administration	\$2,457,300
11011	American Rescue Plan Act – Unallocated	\$154,215,174

The foregoing "Revenue Loss" allocation supports the cost of furlough restoration for all City employees, the cost of restoring some services that were reduced in 2021 to balance the budget

as a result of revenue loss from COVID-19, and the cost of addressing certain operational backlogs that arose as resources were reduced or diverted due to the pandemic. The foregoing Premium Pay allocation supports payments to City employees whose regular, required duties from March to December of 2020 put them at risk of COVID-19 exposure. The foregoing Recovery allocation supports Recovery investments identified through an extensive community review process to support businesses, the community, housing and people experiencing homelessness, and infrastructure. The Recovery allocation supports individuals and families who have experienced food insecurity due to an economic impact by COVID-19 and the effects of inflationary pressures through providing gift cards, vouchers, and food box distribution. The foregoing Administration allocation supports a contract to assist in the City's administration of ARPA funds, funding for data evaluation and analysis, and public outreach expenses associated with the administration of the ARPA funding, as well as technical support for community partners responsible for implementing ARPA program."

**Section 2.** The Chief Financial Officer of the City and County of Denver is hereby authorized and directed to make such book and record entries and to do such other things as may be necessary to accomplish the purposes of this Ordinance.
