General description or background of proposed request. Attach executive summary if more space needed: As required by the Colorado Revised Statutes (CRS), this request seeks City Council approval to extend the disaster declaration first issued by Mayor Michael B. Hancock on March 12, 2020 and currently running through September 26, 2022 for an additional period through October 24, 2022. The effects of COVID-19, including the loss of life, continue to require emergency action and resources to avert danger or damage and to protect public health. Under CRS 28, 24-335-790(t), the effect of the period of local disaster cannot exceed seven days except by or with the approval of City Council. Out of an abundance of caution and with the continuing effects of the global pandentic, including currently rising case numbers, this action intends to further extend the current declaration in order to facilitate City continued receipt of federal public assistance funds for emergency protective measures and give the City the ability to expedite procurement for critical services that provide shelter for people in need and purchase protective equipment for Denver's essential workers, among other time-sensitive meters. 6.
