**REVIEW CRITERIA** - AFFIRM THE PROPOSED ADU REZONING COMPLIES WITH THE CRITERIA BELOW BY CHECKING THE BOX NEXT TO EACH CRITERION

✓ Consistency with Adopted Plans: The proposed official map amendment is consistent with the City's adopted plans, or the proposed rezoning is necessary to provide land for a community need that was not anticipated at the time of adoption of the City's Plan.

### **Denver Comprehensive Plan 2040**

The proposed map amendment is consistent with the strategies in the adopted Denver Comprehensive Plan 2040, including:

General Review Criteria: The proposal must comply with all of the general review criteria.

(Check box to the right to affirm)

DZC Sec. 12.4.10.7

Goal 2, Strategy A. Equitable, Affordable and Inclusive – "Create a greater mix of housing options in every neighborhood for all individuals and families" (p. 28). The proposed zone district allows for an additional dwelling unit that is accessory to the primary single-unit dwelling use. Accessory dwelling units can provide housing for individuals or families with different incomes, ages, and needs compatible with the single-unit neighborhoods.

Goal 8, Strategy A. Environmentally Resilient - "Promote infill development where infrastructure and services are already in place" (p. 54). The proposed map amendment will allow an additional housing unit on the site of an existing home where infrastructure and services such as water, stormwater, and streets already exist. This allows Denver to grow responsibly and promotes land conservation.

### **Blueprint Denver**

The proposed map amendment is consistent with the applicable neighborhood context, places, street type, and strategies in *Blueprint Denver*, including:

Policy 4, Strategy E - Diversify housing choice through the expansion of accessory dwelling units throughout all
residential areas.

Neighborhood/ Small Area Plan (list all, if applicable): \_\_\_\_\_\_\_\_\_\_\_\_\_\_\_\_\_\_\_\_\_\_\_

(Check boxes to affirm)

DZC Sec. 12.4.10.7

Uniformity of District Regulations and Restrictions: The proposed official map amendment results in regulations and restrictions that are uniform for each kind of building throughout each district having the same classification and bearing the same symbol or designation on the official map, but the regulations in one district may differ from those in other districts.

Public Health, Safety and General Welfare: The proposed official map amendment furthers the public health, safety, and general welfare of the City.

The proposed map amendment furthers the public health, safety, and general welfare of the city through implementation of the city's adopted plan, including Blueprint Denver which recommends "the expansion of accessory dwelling units throughout all residential areas" (*Blueprint Denver*, p. 84).

### ✓ Justifying Circumstances - One of the following circumstances exists:

Since the date of the approval of the existing Zone District, there has been a change to such a degree that the proposed rezoning is in the public interest. Such change may include:

- a. Changed or changing conditions in a particular area, or in the city generally; or,
- b. A City adopted plan; or
- c. That the City adopted the Denver Zoning Code and the property retained Former Chapter 59 zoning.

The proposed map amendment application identifies the adoption of Blueprint Denver as the Justifying Circumstance. As discussed above, Blueprint Denver specifically recommends the city diversify housing choice through the expansion of accessory dwelling units throughout all residential areas. The plan was adopted after the date of approval of the existing zone districts. Therefore, this is an appropriate justifying circumstance for the proposed rezoning.

The proposed official map amendment is consistent with the description of the applicable neighborhood context, and with the stated purpose and intent of the proposed Zone District.

The proposed map amendment is consistent with the neighborhood context description, stated purpose and intent of the proposed \_\_\_\_\_ Zone District.

Hello,

My name is Dan Humphreys and I've been a resident and home owner in the University Neighborhood since 2010. I'm interested in pursuing a rezoning of my primary property to build an ADU (U-SU-C1). I know the City looks to the RNO's for their approval, so I thought I'd start the process by reaching out to you. I see that the next monthly meeting is on April 14<sup>th</sup>. Is attending that meeting the best way to start the conversation with UNNA?

**Thanks** 

-Dan Humphreys 1818 S Humboldt St Denver, CO 80210 April 21, 2022

Dear Neighbor,

I'm writing to notify you that I'm applying for rezoning of my property at 1818 S Humboldt Street to allow for an accessory dwelling unit (U-SU-C1). The first step of this process is to notify all neighbors. You should receive a letter from the City of Denver in the next couple of months.

Feel free to reach out with any questions or concerns.

Sincerely,

Dan Humphreys
