Executive Director of Safety

2023 Budget

To deliver a full spectrum of high-quality public safety services to the individuals who live, work, and visit the City and County of Denver

Department of Public Safety Priorities

Public Safety Improvements and Community Engagement

- Implement effective solutions to address and improve public safety services
- Promote ongoing diversity and awareness training programs to ensure equitable response
- Create mechanisms for lasting change with community input

Alternative Response to Integrated Response

- Support and expand alternatives to conventional public safety response
- Foster the development of a city-wide integrated response across agencies
- Ensure the health and safety of first responders and the community

Staffing, Recruitment, and Employee Wellness

- Address short staffing of DOS agencies through renewed focus on recruitment and retention
- Create robust opportunities to support the mental health and well-being of our employees
- Improve retention efforts to maintain adequate staffing levels

Training

- To create a supportive culture that incubates and develops inclusive and innovative leaders throughout the Department
- To ensure our protocols and standards of service delivery are equitable and support both our staff and community to thrive

2023 Council Budget Priorities

Focus on improving
Community Engagement
and Customer Service to
support residents
navigating city services,
resources, and accessibility,
including language access

4 Requests

Reframe safety in a public health, evidence-based, and anti-racist context with community investment to ensure healthy neighborhoods

5 Requests

Prioritize and support the recovery, resilience, and innovation of our workforce, local businesses, and community organizations

ARPA Requests

Fully Trained

Equity Strategy & RSJ Academy

Remaining to be Trained

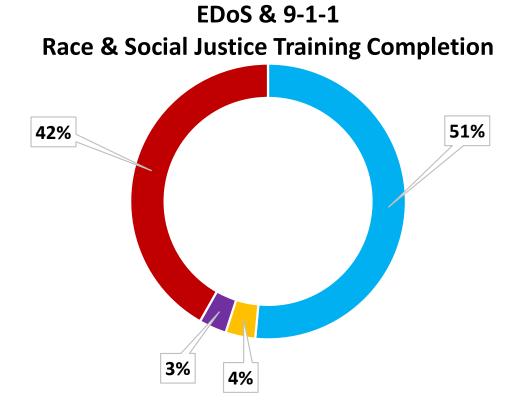

Equity Strategy

- Ensure the right resource is sent to the right situations through alternative response programs
- Prioritize changes that alleviate negative disparate outcomes on marginalized communities

Partially Trained

• Increase opportunity to expand equity, diversity, and inclusion efforts within Safety agencies' staff and in the delivery of public safety services

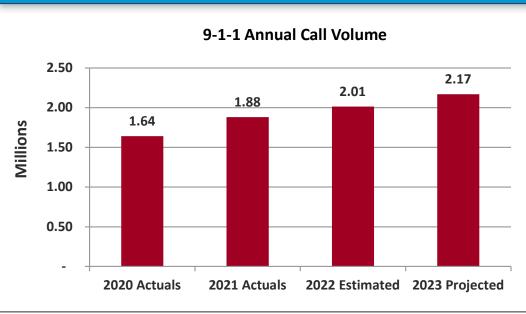

Data as of Sep 27, 2022

EDOS Personnel Strategies

Retention

- Ensure pay is market competitive
- Hired a Wellness
 Director to promote
 mental and physical
 wellness
- Incorporating employee feedback into policy

Recruitment

- Leveraged technology to improve candidate experience
- Partnership Oriented
 Approach to Full Life
 Cycle Recruiting that
 aligns with CCD goals
 and values of Equity,
 Diversity and Inclusion
- Implement a comprehensive recruiting strategy

EDI

- Collaborate with Peak
 Academy and Civil
 Service Commission to
 improve recruitment of
 more diverse candidates
- Enacted policies to decrease barriers for diverse candidate experiences
- Partnered with Civil
 Service Commission to
 remove barriers to hiring
- Partnered with OSEI to increase accessibility to RSJ training

9-1-1 Personnel Strategies

Retention

- Proactive focus on Wellness and Resiliency
- Programs to support employee engagement and appreciation
- Increasing staffing will reduce burnout and positively impact retention

Recruitment

- New "Mega-Academies" doubling our training capacity
- Continued high-touch recruiting efforts with regular text conversation
- Increasing Social Media presence
- Exploring avenues for additional pay and benefits
- Created recruitment bonus

EDI

- Provide historical context for employees regarding the communities they serve
- Reimagine recruiting to incorporate EDI practices to attain a thriving workforce that reflects the community we serve
- Assisted Response (STAR) to focus 9-1-1 response to underserved and marginalized populations experiencing homelessness and/or mental health issues

Community Corrections Project Elevate at Tooley Hall

Fund	Expenditures	Revenues	FTE	Duration
General Fund	\$694,000			Temporary
Special Revenue Fund	\$1,357,800	\$1,357,800	13.50	Permanent
Total Program Cost	\$2,051,800	\$1,357,800	13.50	

Provides general fund operating dollars to close the funding gap for the Community Corrections program, Project Elevate, at the Tooley Hall site. This is a Denver-run program in partnership with the Empowerment program that provides a fully integrated, trauma informed, and gender responsive care model for the female identifying population.

- Tooley Hall is expected to serve an average daily population of 55 residential female identifying clients in 2023
- Can support re-integration with families and allows women to be present for their children
- Access to mental health services, substance use disorder treatment, family reunification, medical and legal services

Budget Equity Framework Summary

Community Corrections – EMBARC

(Enhancing Motivation by Achieving Reshaped Cognitions)

Fund	Expenditures	Revenues	FTE	Duration
General Fund	\$724,300		4.00	Temporary
Special Revenue Fund	\$1,235,500	\$1,235,500	15.00	Permanent
ARPA	\$40,000			One-Time
Total Program Cost	\$1,999,800	\$1,235,500	19.00	

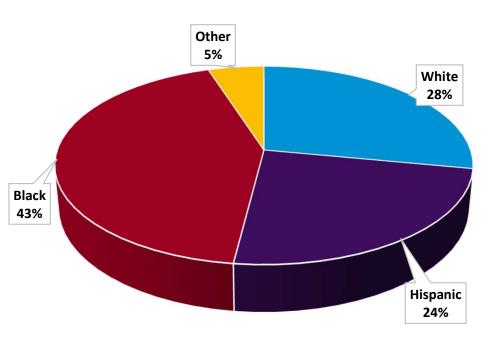

Provides general fund operating dollars to close the funding gap for the Community Corrections EMBARC program at the DSD building 19 site and includes the conversion of 15 DSD Deputy positions to civilians for security services. Community Corrections serves as an alternative to incarceration in prison or jail. The purpose of this project is to provide partial operating funds for a city operated program for returning residents. Additionally, ARPA funds to purchase a passenger van to assist in transporting clients to appointments.

Budget Equity Framework Summary

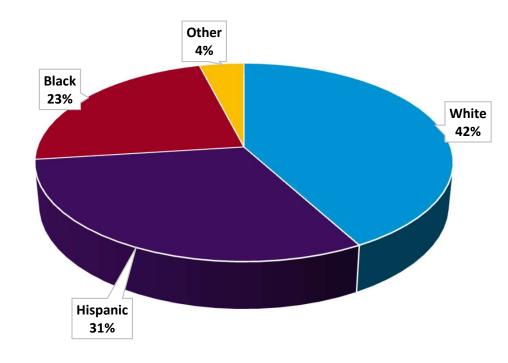

†!! ♥ ♣♠ Community Corrections Waitlist Race/Ethnicity

Direct Sentence Race/Ethnicity Waitlist as of August 2022

DOC Transition Race/Ethnicity Waitlist as of August 2022

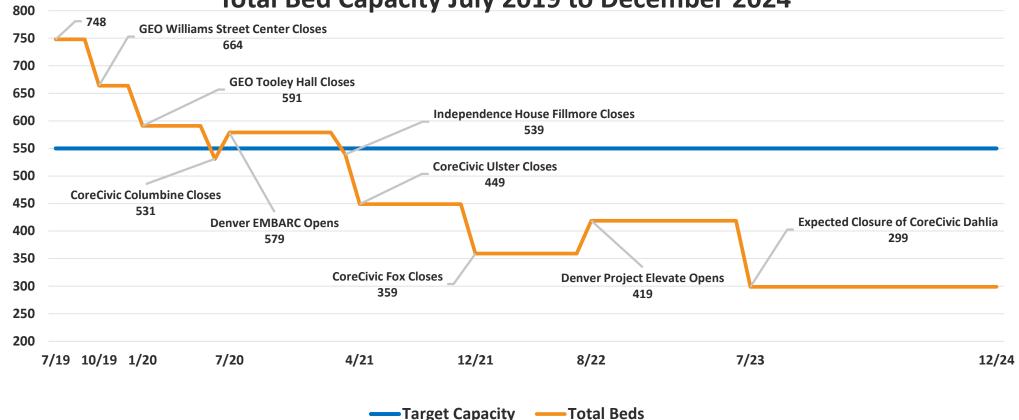

Budget Equity Framework Summary

Community Corrections provides a stable environment for participants to safely transition to housing that meets individual needs for support services, including equitable access to mental health resources, substance use disorder treatment, family reunification, and medical and legal services

†!! ② AA! Community Corrections Bed Capacity

Budget Equity Framework Summary

Community Corrections provides a stable environment for participants to safely transition to housing that meets individual needs for support services, including equitable access to mental health resources, substance use disorder treatment, family reunification, and medical and legal services

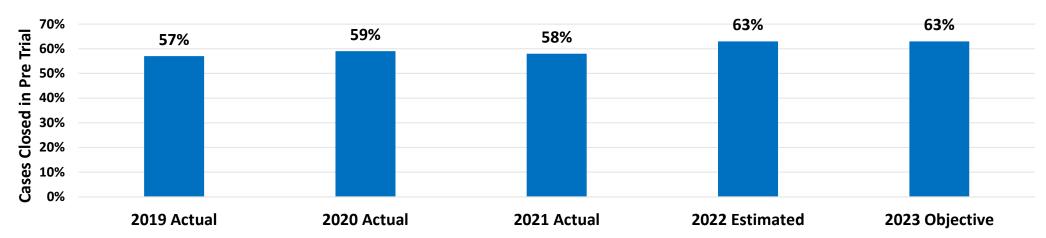

Pretrial Services

Fund	Description	Expenditures	FTE	Duration

General fund	Increase Pretrial staffing by one FTE to provide coverage resulting from the Pretrial Reform Bill <i>HB21-1280</i> (48-hour advisement).	\$86,700	1.00	Permanent
General Fund	Move CPCC Staff to Pretrial General Fund. The Pretrial Program expenses are currently funded in the CPCC Special Revenue Fund.	\$532,700	4.00	Permanent

Adult Pretrial Success Rate

Budget Equity Framework Summary

These expenditures support community-based supervision programs intended to decrease unnecessary jailing and increase access to community-based supports and services while maintaining community safety

Fund	Description	Expenditures	FTE	Duration
General Fund	Sustain two FTE positions to support prevention and intervention strategies that address youth violence and juvenile justice reform due to an expiring grant.	\$130,000	2.00	Permanent
General Fund	Outreach Case Coordinators with in-depth knowledge of both gang culture and Denver communities to provide individual and family mentoring and advocacy to high-risk gang members and families focusing on gender response and human trafficking. Positions start July 2023 and will be annualized to three FTEs in 2024.	\$116,700	1.50	Permanent
General Fund	Additional funding for community led Violence Interruption and Youth Service Contracts to sustain programs for runaway and justice-involved youth due to expiring grant.	\$173,500		Permanent

Budget Equity Framework Summary

Public Safety Administration

Fund	Description	Expenditures	FTE	Duration
General Fund	Community Affairs Manager to enhance community-based relationships.	\$136,900	1.00	Permanent
General Fund	EDI Administrator to coordinate and support equity initiatives across all safety departments.	\$127,600	1.00	Permanent
General Fund	FMLA Administrator position. The new paid family leave plan will double the number of leave cases the FMLA/ADA team will need to administer.	\$86,700	1.00	Permanent

Budget Equity Framework Summary

Fund	Description	Expenditures	FTE	Duration
General Fund	Clinicians to provide mental health support and other services as part of a team addressing situations in "Hot Spots" around the city. The total program cost are \$410,000 with DFD supporting the team with two EMTs.	\$255,700	3.00	Permanent
ARPA	Vehicle to support Public Health Hot Spot team.	\$60,000		One-Time

Budget Equity Framework Summary

This expenditure will increase equitable access to behavioral health and other needed resources while decreasing unnecessary law enforcement and emergency response contacts

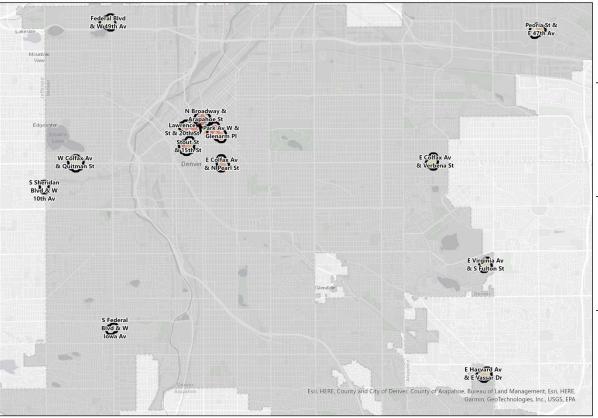

Public Health Hot Spots

Hot Spots of Public Health Harms

<1% of Denver's Landmass = 8.5% of suicides, 8% of drug fatalities, 10.5% of gun homicides

	Category	Hot Spots	Total	%
	HS of PHH landmass	1.1 sq mi	112.7 sq mi	0.98%
(OME	Suicides	41	484	8.47%
019 data)	Drug Fatalities	79	967	8.17%
Since 2019 da	Homicides	23	222	10.36%
(Police	Homicides & Nonfatal Shootings	15	114	13.16%
Since 2022 (P RMS Data)	Part 1 Violent Crimes	257	3,404	7.55%
	Part 1 Property Crimes	845	16,718	5.05%
Since	SBI Traffic Accidents*	57	1,241	4.59%

*dates back to 2018

Budget Equity Framework Summary

Taking a multi-disciplinary, community-centric approach to addressing public health harms by location increases cultural responsivity and access to needed resources in the actual locations most impacted by harms such as violence, overdoses, suicides, traffic safety, and domestic violence

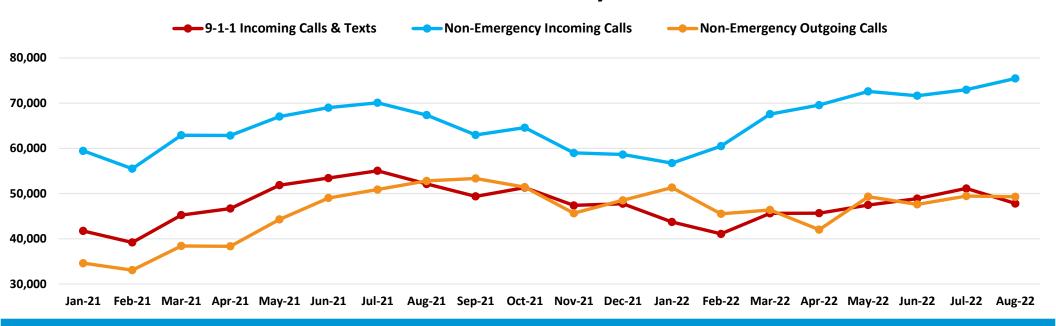

Non-Emergency Communication Call Taker Program

Expenditures	FTE	Duration
\$641,400	10.00	Permanent

Non-Emergency Communication Technicians to expand the non-emergency pilot program to better manage increasing call volume. Non-emergency communication technicians manage the non-emergency call volume, allowing ECTs to better manage 9-1-1 call volume.

9-1-1 Call Volume by Month

Budget Equity Framework Summary

Ensuring proper staffing levels allows a more equitable response to all who call for non-emergency services and promotes a more efficient and effective organizational culture

Crime Prevention & Control Commission Program Administration

Description	Expenditures	FTE	Duration
CPCC Transfer from DDPHE to EDOS	\$366,100	3.00	Permanent
CPCC Fiscal Administrator	\$117,700	1.00	Permanent

Transfer of Crime Prevention and Control Commission (CPCC) positions from Department of Public Health & Environment (DDPHE) to Department of Safety (DOS) and the addition of one position for grants and finance administration. This transfer to the General Fund will maintain current service levels and programming. This transition implements changes to Municipal Code recommended by CPCC and approved by City Council.

Budget Equity Framework Summary

These expenditures ensure continuity of support for innovative, data-driven, and community-centered programming to decrease the burdens of justice system involvement and unnecessary use of jailing

Crime Prevention & Control Commission

Fund	Description	2023 Budget
General Fund Transfer	To support current and new programming and activities including Housing,	\$2,051,000
	Employment, Mental Health, Incarceration Reduction, and Education.
